Readings In Sacramental Theology

Bruce T. Morrill

Readings In Sacramental Theology:

The Sacraments Michael J. Taylor, 1981 Well chosen and readable anthology of articles on contemporary sacramental theology

Readings in Sacramental Theology C. Stephan Sullivan, 1964

Readings in Sacramental Theology C. Stephen Sullivan (f.s.c.), 1964

Sacramental Theology Herbert Vorgrimler, 1992 Both resistance to and renewed interest in the sacraments mark current theological thought This work acknowledges human limitations of the sacraments but stresses that God's relationship to human beings cannot be other than sacramental Sacramental structures and events constitute salvation history and thus permeate all theology What makes this sacramental view comprehensible is faith faith is an indispensable precondition for a sacramental theology Therefore the author first demonstrates the preconditions of faith on which sacramental theology rests and what place it holds within the whole of theology Following this he briefly presents the concept of sacraments and the history of that concept the teachings of Church tradition on sacraments in general and the basic features of a sacramental theology Next he explains from a theological perspective the traditional sacraments of the Catholic Church including related topics such as indulgences and sacramentals

Introduction to Sacramental Theology Jose Granados, 2021-06-18 Introduction to Sacramental Theology presents a complete overview of sacramental theology from the viewpoint of the body This viewpoint is supported in the first place by Revelation for which the sacraments are the place where we enter into contact with the body of the risen Jesus It is a viewpoint secondly which is firmly rooted in our concrete human bodily experience thus allowing for a strong connection between faith and life creation and redemption From this point of view the treatise on the sacraments occupies a strategic role For the sacraments appear not as the last of a series of topics after dealing with Creation Christ the Church but as the original place in which to stand in order to contemplate the entire Christian mystery This point of view of the body which resonates with contemporary philosophy sheds fruitful light on classical themes such as the relationship of the sacraments with creation the composition of the sacramental sign the efficacy of the sacraments the sacramental character the role of the minister or the relationship of the sacrament with the Church as a sacrament As a result of this approach the Eucharist takes on a central role since this is the sacrament where the body of Jesus is made present The rest of the sacraments are seen as prolongations of the eucharistic body so as to fill all the time and space of the faithful This foundation of the theology of the sacraments in eucharistic theology is supported by an analysis of the patristic and medieval tradition In order to support its conclusions Introduction to Sacramental Theology examines the doctrine of Scripture especially St John and St Paul the main patristic and medieval authors St Augustine Hugh of St Victor St Bonaventure St Thomas Aquinas the response of Trent to the protestant challenges up to modern authors such as Scheeben Rahner Ratzinger or Chauvet including the teaching of Vatican II about the Church as a kind of sacrament

Touched by Christ: The Sacramental Economy Lawrence Feingold, 2021-05-07 The sacramental economy was instituted by Christ and entrusted to His Church in order to build up the Body of Christ in a twofold communion

binding the members together with God and one another Touched by Christ The Sacramental Economy is an introductory course on Sacramental Theology suitable for all who seek a deeper understanding of how the Church's sacraments constitute channels of grace nurture supernatural life and heal us from our sins Lawrence Feingold expertly describes the nature of the sacraments their purpose fittingness and relationship with Christ and the New Covenant their relationship with the Old Covenant rites that prefigured them the character and grace that they communicate and the nature of their causality Touched by Christ shows that the sacraments of the New Covenant should be understood as instruments of Christ's humanity that are used as words of power to communicate the sanctification that they signify infuse grace communicate the Holy Spirit and build up ecclesial communion in those who receive them with the right dispositions Orthodox Readings of Aquinas Marcus Plested, 2012-11-01 This book is the first exploration of the remarkable odyssey of Thomas Aquinas in the Orthodox Christian world from the Byzantine to the modern era Aquinas was received with astonishing enthusiasm across the Byzantine theological spectrum By contrast modern Orthodox readings of Aquinas have been resoundingly negative routinely presenting Aquinas as the archetype of as a specifically Western form of theology against which the Orthodox East must set its face Basing itself primarily on a close study of the Byzantine reception of Thomas this study rejects such hackneyed dichotomies arguing instead for a properly catholic or universal construal of Orthodoxy one in which Thomas might once again find a place In its probing of the East West dichotomy this book questions the widespread juxtaposition of Gregory Palamas and Thomas Aquinas as archetypes of opposing Greek and Latin theological traditions The long period between the Fall of Constantinople and the Russian Revolution conventionally written off as an era of sterility and malformation for Orthodox theology is also viewed with a fresh perspective Study of the reception of Thomas in this period reveals a theological sophistication and a generosity of vision that is rarely accounted for In short this is a book which radically rethinks the history of Orthodox theology through the prism of the fascinating and largely untold story of Orthodox engagement with Aquinas *Sacramental Theology* Bruce T. Morrill, 2019-11-18 Throughout the second half of the twentieth century sacramental theology has evolved as a discipline advancing comprehensive theories of sacraments and sacramentality as integral to the Christian faith while also studying the history and theology of the particular rites Now in the twenty first century the need for attention to the actual performance and specific social settings of sacramental worship has become well established This makes the work of sacramental theology necessarily engaged with multiple cross disciplinary theories attentive to particular contexts whether local national or global Still the divine human encounter at the heart of Christian symbol and ritual likewise beckons to philosophical theological reflection The essays in this volume begin with profound philosophical perspectives on the personal and communal sacramental experience expanding from traditional cosmology to evolutionary and chaos theories of our planetary existence continuing with shifts especially among youth to interreligious and non institutional perspectives consideration of change in popular notions of guilt and social ethical issues in relation to

liturgical theology and practice so as finally to return to fundamental theological reflection on human sacramentality and divine revelation

The Oxford Handbook of Sacramental Theology Hans Boersma, Matthew Levering, 2015 This Handbook introduces the theology of the sacraments from a variety of perspectives It contains historical overviews biblical discussion philosophical and theological reflection as well as ecumenical discussion It is one of the most comprehensive overviews of the sacraments throughout the tradition of the Christian church

Medieval Readings of Romans William S. Campbell, Peter S. Hawkins, Brenda Deen Schildgen, 2007-11-15 This sixth volume of the Romans through History and Culture series consists of 14 contributions by North American and European medievalists and Pauline scholars who discuss significant readings of Romans through the twelfth and thirteenth centuries to the eve of the Reformation The commentaries of Abelard William of St Thierry Thomas Aquinas and Nicolas of Lyra and the wider influence of Romans as reflected in the letters of Heloise and the works of Dante demonstrate the reception of Romans at this period Starting with an introduction inviting the reader to into the biblical environment of the Middle Ages and suggesting the varied ways in which Paul was understood in both high clerical culture and among the people it also offers a summary of the work done by each of the authors This volume attests the dominant role of scripture in communal life and witnesses to the pervasive influence of Paul's letter to the Romans in the flourishing discussions on Scripture and theology

Scripture as Real Presence Hans Boersma, 2017-03-14 Christianity Today Book Award Winner This work argues that the heart of patristic exegesis is the attempt to find the sacramental reality real presence of Christ in the Old Testament Scriptures Leading theologian Hans Boersma discusses numerous sermons and commentaries of the church fathers to show how they regarded Christ as the treasure hidden in the field of the Old Testament and explains that the church today can and should retrieve the sacramental reading of the early church Combining detailed scholarly insight with clear compelling prose this book makes a unique contribution to contemporary interest in theological interpretation

The Sacraments Joseph Martos, 2009-08-01 What are the sacraments really For centuries the religious lives of Catholics and other Christians have revolved around church rituals with generally accepted individual and social effects What precisely are those effects and how are they produced Traditional theology used Greek philosophy to understand the sacraments and how they work But is there no other way to understand them In fact there are a number of ways and this book invites you to look at the sacraments through a variety of lenses psychology sociology anthropology history theology morality and spirituality As the introduction to this volume challenges If you read this book and especially if you engage in the interactive study to which it invites you your understanding of sacraments will be changed forever To help personalize your investigation the author has created a web site with thought provoking questions that encourage you to interact with the ideas being proposed in this volume To engage these topics more deeply see www.TheSacraments.org

The Word of the Lord: Reflections on the Sunday Mass Readings for Year A John Bergsma, 2022-08-25 The Catholic Lectionary guides us through the liturgical year presenting Old and New Testament readings that together

reveal God's unfolding plan for our salvation In *The Word of the Lord Reflections on the Sunday Mass Readings for Year A* biblical scholar Dr John Bergsma provides commentary on each Sunday's unique presentation of readings Whether you are a homilist seeking insight into the meaning of difficult scriptural passages or a pew Catholic desiring a deepened understanding of the readings you hear at Mass *The Word of the Lord* serves as an invaluable guide This volume includes commentaries for Readings for the Season of Advent Readings for the Season of Christmas Readings for the Season of Lent Readings for the Season of Easter Readings for the Season of Ordinary Time Readings for Solemnities of the Lord in Ordinary Time

Understanding the Sacraments of Healing Randy Stice, 2015 *Understanding the Sacraments of Healing A Rite Based Approach* offers insightful catechesis on the sacraments of Penance and Anointing of the Sick based on the methodology presented in *Sacramentum Caritatis* Examining each of the rites Old Testament foundations liturgical history and sacramental theology this book explores the connection between the sacraments of initiation and daily Christian life

Reading the Liturgy Juliette J. Day, 2014-03-13 This is a unique contribution to discussions within churches about the provision of suitable words for liturgical worship and to debates among scholars about liturgical hermeneutics as well as offering a new methodological paradigm for liturgical studies to inspire students and researchers By combining insights from literary and linguistic studies with those from historical and contemporary liturgical studies Juliette Day investigates the nature of a text in relation to unscripted speech how authors and worshipers make use of genre narrative and other texts how the textuality of the liturgy as well as its ritual context affect the sort of language used in worship and what implicit meanings are conveyed in the way liturgical texts are printed in books Day discusses the history of liturgical texts and their function as well as liturgical genres and narratives She examines the function of language in liturgical worship and emphasizes its meaning for readers worshipers and speakers Day applies insights from literary and linguistic studies to liturgical texts in a comprehensive fashion making it accessible to a broad readership

Reading Catechisms, Teaching Religion Lee Palmer Wandel, 2015-10-14 *Reading Catechisms Teaching Religion* makes two broad arguments First the sixteenth century witnessed a fundamental transformation in Christians Catholic and Evangelical conceptualization of the nature of knowledge of Christianity and the media through which that knowledge was articulated and communicated Christians had shared a sense that knowledge might come through visions images liturgy catechisms taught that knowledge of Christianity began with texts printed on a page Second codicil catechisms sought not simply to dissolve the material distinction between codex and person but to teach catechumens to see specific words together as texts The pages of catechisms were visual they confound precisely that constructed modern bipolarity word image or conversely that modern bipolarity obscures what sixteenth century catechisms sought to do

Divine Enticement: Theological Seductions Karmen Mackendrick, 2013 *Divine Enticement* argues for a reconception of theology and its subject matter as modes of seduction of both body and mind Theological language as evocation opens onto rereadings of faith sacrament ethics prayer

and scripture The conclusion argues for a sense of theology as calling upon infinite possibility **Speaking with Aquinas**

David Farina Turnbloom, 2017 According to Thomas Aquinas the Eucharist is meant to build up the unity of the church This desired ecclesial unity is however not often given adequate treatment In *Speaking with Aquinas* David Farina Turnbloom seeks to describe the relationship between the celebration of the Eucharist and the unity of the church By examining Aquinas's treatment of grace and virtues this book allows the reader to understand Aquinas's eucharistic theology within the context of the spiritual life of the church In the end Turnbloom retrieves a Thomistic theology of the Eucharist that arises from Aquinas's concern for the virtuous life of the church rather than a eucharistic theology that too narrowly focuses on theories of transubstantiation *The Bible and the Anointing of the Sick (A Catholic Biblical Theology of the Sacraments)* Michael

Patrick Barber, 2025-07-22 The Catholic Biblical Theology of the Sacraments series provides readers with a deeper appreciation of God's gifts and call in the sacraments through a renewed encounter with God's Word In this addition to the series Michael Barber offers a biblical approach to anointing of the sick drawing from both the Old and New Testaments This book unpacks the riches of the Scriptures to explain what true healing in Christ involves In addition Barber demonstrates how an exegetical approach to the sacrament can advance our understanding of it Topics include the biblical significance of oil the relationship of physical healing and spiritual healing including the forgiveness of sins sin and death Christ as the New Adam the continuation of Jesus's ministry in the church the power of sacral anointing Christ's fulfillment of messianic hopes and participation in Christ's royal priestly and prophetic mission The book is suitable for classroom use and parish ministry Series editors Timothy C Gray and John Sehorn teach at the Augustine Institute Graduate School of Theology and Gray is also president of the Augustine Institute *Sacramental Poetics in Richard Hooker and George Herbert* Brian

Douglas, 2022-06-06 This book explores sacramental poetics through the lens of moderate realism in the thought and work of Anglican theologians Richard Hooker c 1554 1600 and George Herbert 1593 1633 It does this in relation to the Christian sacraments of baptism and the Eucharist and as a way of exploring the abundance of God Brian Douglas begins in chapter 1 with a general discussion of a sacramental poetic and sacramentality in the Anglican tradition and proceeds to a more detailed examination of the writings of both Hooker chapter 2 and Herbert chapter 3 Each writer explores in their own way abundant life found as participation in and relationship with Christ and expressed as a sacramental poetic based on moderate realism Douglas goes on in chapter 4 to explore the idea of conversation and dialogue as employed by Hooker and Herbert as part of a sacramental poetic The book concludes in chapter 5 with a more general discussion on the abundance of God and living of the good and abundant life and some of the issues this involves in the modern world

If you ally habit such a referred **Readings In Sacramental Theology** books that will provide you worth, acquire the definitely best seller from us currently from several preferred authors. Readings In Sacramental Theology Introduction

In this digital age, the convenience of accessing information at our fingertips has become a necessity. Whether its research papers, eBooks, or user manuals, PDF files have become the preferred format for sharing and reading documents. However, the cost associated with purchasing PDF files can sometimes be a barrier for many individuals and organizations. Thankfully, there are numerous websites and platforms that allow users to download free PDF files legally. In this article, we will explore some of the best platforms to download free PDFs. One of the most popular platforms to download free PDF files is Project Gutenberg. This online library offers over 60,000 free eBooks that are in the public domain. From classic literature to historical documents, Project Gutenberg provides a wide range of PDF files that can be downloaded and enjoyed on various devices. The website is user-friendly and allows users to search for specific titles or browse through different categories. Another reliable platform for downloading Readings In Sacramental Theology free PDF files is Open Library. With its vast collection of over 1 million eBooks, Open Library has something for every reader. The website offers a seamless experience by providing options to borrow or download PDF files. Users simply need to create a free account to access this treasure trove of knowledge. Open Library also allows users to contribute by uploading and sharing their own PDF files, making it a collaborative platform for book enthusiasts. For those interested in academic resources, there are websites dedicated to providing free PDFs of research papers and scientific articles. One such website is Academia.edu, which allows researchers and scholars to share their work with a global audience. Users can download PDF files of research papers, theses, and dissertations covering a wide range of subjects. Academia.edu also provides a platform for discussions and networking within the academic community. When it comes to downloading Readings In Sacramental Theology free PDF files of magazines, brochures, and catalogs, Issuu is a popular choice. This digital publishing platform hosts a vast collection of publications from around the world. Users can search for specific titles or explore various categories and genres. Issuu offers a seamless reading experience with its user-friendly interface and allows users to download PDF files for offline reading. Apart from dedicated platforms, search engines also play a crucial role in finding free PDF files. Google, for instance, has an advanced search feature that allows users to filter results by file type. By specifying the file type as "PDF," users can find websites that offer free PDF downloads on a specific topic. While downloading Readings In Sacramental Theology free PDF files is convenient, its important to note that copyright laws must be respected. Always ensure that the PDF files you download are

legally available for free. Many authors and publishers voluntarily provide free PDF versions of their work, but its essential to be cautious and verify the authenticity of the source before downloading Readings In Sacramental Theology. In conclusion, the internet offers numerous platforms and websites that allow users to download free PDF files legally. Whether its classic literature, research papers, or magazines, there is something for everyone. The platforms mentioned in this article, such as Project Gutenberg, Open Library, Academia.edu, and Issuu, provide access to a vast collection of PDF files. However, users should always be cautious and verify the legality of the source before downloading Readings In Sacramental Theology any PDF files. With these platforms, the world of PDF downloads is just a click away.

FAQs About Readings In Sacramental Theology Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer webbased readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks.
