Adolescents Inger P. Davis, 2012-12-06 This book deals with ways of helping families cope with the difficulty of raising adolescents Professional social workers along with other human service professionals encounter these families in numerous settings child welfare and family service agencies hospitals schools community mental health clinics residential treatment centers juvenile halls and detention centers recreational and vocational training organizations and many others While families from all walks of life may be found in these settings families who have suffered the additional stresses of poverty discrimination and the consequences of physical and mental illness are commonly overrepresented Even under the best of

circumstances the adolescent years often put the strongest family structures to the test sometimes to the breaking point A recent national study of over one thousand average middle income two parent families reviewed the strengths stresses and satisfactions of the family life cycle Olson and McCubbin 1983 As many would expect families with adolescents were found to experience more stress and lower levels of family adaptability cohesion and marital and family satisfaction than any other developmental stage The families with adolescents who fared best were those with such marital resources as good communication and conflict resolution skills satisfying sexual relations and good parent adolescent communication

The Handbook of Play Therapy and Therapeutic Play Linnet McMahon, 2012-12-06 This completely revised and updated second edition provides a comprehensive introduction to using play to communicate with troubled or traumatized children and their families and to heal emotional damage The book gives examples of good practice in different settings and situations Drawing on psychodynamic systemic and attachment theory the book provides an integrated theory base for using play in therapeutic work with children It emphasizes non directive approaches to therapeutic play and play therapy based on supporting the child's developing self within the safe boundaries provided by the setting and the worker's emotional holding and containment Areas explored include children with disabilities and illnesses daily living with abused and traumatized children helping troubled families difficulties in early years children experiencing separation loss and bereavement children moving to new families The Handbook of Play Therapy and Therapeutic Play is an invaluable resource for all of those using play therapy with children and will appeal not only to play therapists but also to professionals working in the broader field of therapeutic play It will be useful whether the readers are at the beginning of their training or are well established and experienced practitioners and managers
