Education for Ministry John E. Paver,2016-02-17 A major and continuing problem for theological education and the practice of Christian ministry is how to best achieve a genuine integration between theory and practice theology and experience The key claim of this book is that theological reflection beginning with experience is a method of integration and that pastoral supervision is a vehicle for theological reflection In establishing this claim John Paver demonstrates that the model and method have potential to be a catalyst for reform within theological colleges and seminaries Three different theological reflection models are developed and critiqued in this book and their capacity to be developed in particular

contexts is explored This book does not stop at ministry cultural and personal integration but is bold enough to make recommendations for structural integration within the theological institution **Perimeters of Light** Elmer L. Towns, Ed Stetzer, 2004-08-01 How far do we go to connect with our culture Can we sell the Gospel like the world sells soft drinks Where are the boundaries The church today is walking a tightrope On the one hand we need to proclaim and perhaps more importantly live the Gospel in such a way that it connects with both seekers and younger people looking for community and authenticity Yet at what point does this fall into feel good ministry at the expense of biblical truth These are issues that God s people are now beginning to wrestle with Elmer Towns and Edward Stetzer provide an intergenerational perspective that sheds biblical light on some tough challenges facing the church *What Nehemiah Teaches Us about Spiritual Leadership?* Dong Hee Lee, 2011-08 This is a simple practical presentation of the leadership principles in the book of Nehemiah Lee presents the biblical challenge of being a servant leader who out of love for God and man lives by the Law of God and inspires others to godly leadership This book will encourage you in serving the Lord with all your heart and leading others to do the same Archibald A Allison Pastor of Emmaus Orthodox Presbyterian Church Fort Collins Colorado Rev Lee presents an academic and practical leadership that Nehemiah had for Church and Church leaders Rev Dr John Kim Former president of Dea Han Theological Seminary In postmodern era Christian leadership is a necessary factor for renewing God s Church Rev Lee straightly frankly concretely and practically presents leadership of Nehemiah I heartily commend this book to the Christian Churches and their leaders who want to make God s people Spiritual leaders as Nehemiah Rev Dr Jung H Lee Professor of Seoul Bible Graduate School of Theology Seoul Korea **The Worship Pastor** Zac M. Hicks, 2016-10-11 Modern worship leaders are restless They have inherited a model of leadership that equates leading worship with being a rock star But leading worship is more than a performance it s about shaping souls and making disciples Every worship leader is really a pastor The Worship Pastor is a practical and biblical introduction to this essential pastoral role Filled with engaging illustrative stories it is organized to address questions of theory and practice striving to balance conversational accessibility with informed instruction Part One presents a series of evocative vignettes intriguing and descriptive titles and metaphors of who a Worship Pastor is and what he or she does It shows the Worship Pastor as Church Lover Disciple Maker Corporate Mystic and Doxological Philosopher Part Two covers specific roles related to ministry within the worship service itself the Worship Pastor as Theological Dietician Caregiver Mortician Emotional Shepherd War General Prophetic Guardian Missional Historian and Liturgical Architect Part Three looks at ministry beyond the worship service the Worship Pastor as Visionary Teacher Evangelist Artist Chaplain and Team Leader While some worship leaders are eager to embrace their pastoral role many are lost and confused or lack the resources of time or money to figure out what this role looks like Pastor Zac Hicks gives us a clear guide to leading worship one that takes the pastoral call seriously English Ministry Crisis in Chinese Canadian Churches Matthew Richard Sheldon Todd, 2015-03-26 In this book Dr Matthew Todd looks into the

anecdotal reporting of high numbers of Canadian born Chinese leaving Western Canadian Chinese churches what is termed the silent exodus Some of the fastest growing Canadian churches are Chinese yet reportedly the highest dropout rates are among Chinese and Asian church adult ministries This book recommends solutions towards the retention of Canadian born Chinese adults in Chinese bicultural churches through empowerment To address retention the key factors that contribute to a silent exodus are established through qualitative research with participants of diverse church affiliations Todd examines various models and proposed solutions the Chinese church has used to retain its English speaking congregants and gives attention to a theological basis for being inclusive in mission initiatives and for empowerment through passing the leadership baton Todd makes some recommendations on the new wave of an emerging congregational model that requires negotiation with Chinese church leadership to give power away to English ministry leaders and congregations He anticipates that this will permit transformational leadership practices that contribute to shalom community transformation and lasting congregations
