**Ready Defense** Josh McDowell, 1990     *The best of Josh McDowell*, 1992     **Transformed Thinking: A Defense of the Christian Worldview, English Standard Version** Dr. Tom Wheeler, 2020-01-01 Believers need to learn to defend the Christian worldview. In today's world of varying religions, it's becoming more important for a Christian to know what they believe and why they believe it. In *Transformed Thinking*, Tom Wheeler clearly lays out the most fundamental beliefs of Christianity and compares them to other worldviews, providing arguments to support his beliefs. Even though this book is purposed for the classroom setting, it would be a beneficial read for any believer who wants to have a firm foundation on which to share their beliefs with unbelievers. From the beginning of the world to the inerrancy of Scripture, *Transformed Thinking* will provide you with solid answers for your faith. Advance Praise for *Transformed Thinking*: *Transformed Thinking* is a veritable encyclopedia of knowledge that provides foundational aspects in developing a Christian worldview. Dr. Brian Fairchild, D. Min. Pastor, Colonial Bible Church, Midland, Texas. This book is a must-read for every Christian layperson and leader in the Church. Dr. Sidney Dyer, Ph.D., Professor of Greek and New Testament, Greenville Presbyterian Theological Seminary. In the years I've taught high school seniors, Tom Wheeler's *Transformed Thinking* has proved to be truly effective in establishing and strengthening Biblical thinking in a world full of opposing views. Dr. Drew Conley, Ph.D., Pastor for Preaching and Teaching, Hampton Park Baptist Church, Greenville, SC.     [What Happens When I Die?](#) Bill Wiese, 2013-10-01 Is there life after death? Do heaven and hell really exist? What happens to me when I die? Will I see my loved ones? New York Times best-selling author Bill Wiese answers these all-important questions and explains some of the fascinating stories that people have shared with him as he has traveled to speak about his own supernatural experience. You will be surprised and maybe even shocked as you read about near-death experiences, deathbed visions, people's last words, visits to heaven and hell. Each encounter, visit, and visitation is then held up against Scripture, demonstrating how they line up with the Word of God. In a moment, our lives will be over. We are all only a heartbeat away from eternity, and there are no second chances. What will you decide?     **Transformed Thinking: A Defense of the Christian Worldview, King James Version** Dr. Tom Wheeler, 2020-01-01 Believers need to learn to defend the Christian worldview. Alter,2019-12-31 The keystone of Christianity is Jesus s physical bodily

resurrection Present day scholars can be significantly challenged as they forage through voluminous documents on the resurrection of Jesus The literature measures well over seven thousand sources in English language books alone This makes finding specific sources that are most relevant for specific scholarly purposes an arduous task Even when a specific book is relevant finding the parts of the book that are most relevant to the resurrection rather than other topics often requires additional effort A Thematic Access Oriented Bibliography of Jesus s Resurrection addresses these challenges in several ways First the bibliography organizes more than seven thousand English sources into twelve main categories and then thirty four subcategories which are designed to help you find the most relevant literature quickly and efficiently Embedded are pro and con arguments which support efficient access through brief annotations and then annotate the diversity and complexity of the field of religion by including sources that represent a diverse range of views theistic e g Christian Jewish Muslim etc agnostic and nontheistic The objective of this bibliography is to provide convenient access to relevant sources from a variety of perspectives allowing you to browse or find the one source accurately and with ease

**Christianity And The Supernatural: Why the Bible is Relevant Today** Mark Apelt, 2017-01-09 All of us want to believe in an afterlife If it s true then we must have a soul or spirit We question this however because we are taught science has all the answers It is science vs the bible Physical vs supernatural To believe in the afterlife is to believe in God One area of research that has not been thoroughly examined in relationship to Christianity is the supernatural This book explores how archaeology scientific studies and personal stories reveal the accuracy of the bible Discover how we know we have a spirit why select people encounter angels and why some prayers are answered It will show you that there is an afterlife there is hope and that there is a God The stories of today resemble the stories of the bible The mystical events that happened then are similar in almost all aspects to what the bible tells us will happen Prophecies are continuing to be fulfilled The foreknowledge He gave his chosen people are still applicable today Angels are still sent to serve and protect us Our spirit will rejoin with God as told by near death experiencers God does exist and millions of people maybe even yourself have witnessed Him through the supernatural This leads to the conclusion God the bible and the supernatural are relevant today

*The Foundation of Everything* Kevin Horton, 2018-08-28 Discover a Solid Foundation for Everything The first pages of the Bible cause great turmoil in the minds of many well educated people because the words of this book are contradicted by much of what we have been taught in twenty first century education Geology teaches us that this world is billions of years old deep time Biology makes use of deep time to allow for the evolution of life Evolution teaches that it is through death and

struggle that life continuously improves and advances In evolution death is a vital selection mechanism in the removal of less evolved life forms This death selection mechanism is imagined as the means in which random changes in DNA is filtered to advance higher life forms When one opens the Bible you are given a totally different scenario Life was specially created on this earth and not very long ago The creator of life is not death and struggle as Darwinian evolution teaches Rather the Creator is an all powerful intelligent Being He willfully created the universe the planet Earth and all life therein God imposed death upon all living creatures as a result of the original sin of the first humans and is a curse not a creator People of faith and those struggling to discover faith are challenged by this battle between science and the Bible Many Christian believers have decided to consider the first pages of the Bible to be a myth and not to be taken literally Who is to say per this view that God did not simply use evolution to bring about life Yet when we stop and are honest with ourselves this compromise causes an ever present doubt about the validity of the Bible After all if it is not correct on the first page dare we trust the rest of it There is much more at stake There exist issues questions that people want to ask God which cannot be answered if the first pages are simply myth In contrast these questions are answered when the Bible is allowed to mean what it says let me explain this further when people of the twenty first century approach the first three chapters of Genesis they are tempted to explain away the clear meaning of the original Hebrew text in order to make the text fit into our cultural understanding of origins But when we allow the Bible to speak for itself following standard rules of Hebrew grammar it is amazing how much it addresses seminal questions of life It is then that a person will build a solid foundation for a jubilant life of faith The first pages of the Bible lay the foundation for all that follows You might well say that the first pages of the Bible inform us of how everything came to be and forms the true foundation of everything **Has the Bible Been Changed? Wickwire,2016-08-01 Muslims all over the world are ignoring the message of the New Testament because their teachers say its text has been corrupted Yet very few of them have checked to see whether what their teachers say is true David Byle chairman of the Bible Correspondence Course in Turkey bccturkey org What does it take to persuade an entire Islamic nation to recall and rewrite their religious education materials in order to no longer teach that the Bible has been changed Only one thing the Qur an itself The Qur an clearly states that the Bible has not been changed and even more shockingly says that anyone who teaches that the Bible has been changed is in fact doomed to hell This book Has the Bible Been Changed was the reason that in 1996 the Department of Religious Affairs in Turkey recalled their existing teaching materials As you explore these pages you will see exactly what the Qur an says that is so powerful that even Islamic leaders are caused to reverse course But this book is not persuasive with many words Rather it shows the reader Scripture verses and other pertinent facts that will help lead one to the ultimate Truth that there is indeed only one God and the way to Him is through His Son Jesus Christ It behooves you to read this book to know that you can put your faith and confidence in the entire Bible that it is indeed the unchangeable inerrant Word of God And we did give Moses the guidance and made the Children of Israel to

**THE CROSS** Reverend Dr. Joseph Shaw,2022-08-05 The symbols of the cross that Dr Shaw taught on in this book makes the book a must read God has laid on Dr Shaw s heart the contents that are enclosed between the covers God has used him mightily to deliver the message of hope grace mercy forgiveness love and peace The book has given relevance to the power and deliverance of the cross of Jesus Christ The Holy Ghost and the Word of God are the clear and present drivers and motivators for this book In it are words that will give hope to anyone who thinks that all is lost It emphasizes on the work that was done on the cross that makes it possible for the grace of God to flow in our lives It shows that mercy is still available to us even when we are undeserving Dr Shaw makes it very plain that we are to forgive our brothers and sisters because of the finished work that was done on the cross of our Lord and Savior Jesus Christ This book tells us to love God our family our friends ourselves and our ministries God intentionally points out in this book that His peace is always available to anyone who needs it especially in trying times It is a book that is powerfully and divinely written to emphasize the presence of God in this world using the cross of His Son Jesus Christ aEURoeFor God so loved the world that He gave His only begotten son that whoever believes in Him should not perish but have everlasting lifeaEUR John 3 16 NKJV      **For Such a Time as This**
