Reagan American Icon:

Reagan Iwan Morgan, 2016-09-16 Ronald Reagan is arguably the most successful post war American president A transformational leader he is broadly credited with renewing American prosperity after the stagflation hit 1970s laying the foundations for Cold War victory and bringing about the shift to the right in late twentieth century politics In this new biography Iwan Morgan shrewdly assesses Reagan s considerable achievements whilst also highlighting the shortcomings that were an indisputable part of his record Based on extensive research this book plots a chronological path through Reagan s life covering his upbringing his rise and fall as a Hollywood star his time as California governor and his pursuit of the presidency Morgan offers a detailed evaluation of the pragmatic conservatism that was the hallmark of Reagan s presidential leadership in domestic affairs In the international sphere he explains Reagan s metamorphosis from Cold War hawk to negotiator for nuclear arms reduction while also examining his role in the Iran Contra scandal This book ultimately shows that what made Reagan an American icon above all else was his optimism regarding his country and his ability to articulate its best values even if he himself did not always live up to these Today as the Republican Party grapples with its new direction and identity understanding the legacy of Ronald Reagan and Reaganism is more relevant than ever **Reagan,**

American Icon Robert Paul Metzger, 1989 **Reagan** Robert P. Metzger, 1989-07 **Reagan** Iwan W. Morgan, 2019 Ronald Reagan is one of the most important and arguably most successful presidents in modern American history He is broadly credited with renewing American prosperity in the wake of the most miserable economic era since the 1930s laying the foundations for Cold War victory and doing much to bring about the late twentieth century shift to the right in American politics In this book Iwan Morgan presents the first thoroughly researched biography of Reagan based on original materials and first hand interviews He plots a chronological path through Reagan s life beginning with his childhood and early years in Illinois through his Hollywood career his emergent Republicanism and his election as governor of California before acceding to the presidency in 1981 In office Morgan assesses Reagan s economic and foreign policies as well as his idealization of the constitution and his near impeachment over the Iran Contra affair Reagan, American Icon Robert Paul Metzger, 1989

extended by imitation and it often breaks down barriers between various segments of American culture such as those that exist between white and black America or between high and low art The essays contained in this set examine all these aspects of American icons from a variety of perspectives and through a lively range of rhetoric styles *The American Right After Reagan* Edward Ashbee, John Dumbrell, Alex Waddan, 2019 This timely and significant book provides a comprehensive overview of right wing ideology and policy making in the years since Ronald Reagan left office The authors assess the ways in which the Reagan legacy rather than the empirical realities of his tenure has impacted economic social and cultural policy formation and conservative efforts at reshaping the United States Against this background they provide an explanation for why the Republican party turned towards Donald Trump The Political Portrait Luciano Cheles, Alessandro Giacone, 2020-06-10 The leader's portrait produced in a variety of media statues coins billboards posters stamps is a key instrument of propaganda in totalitarian regimes but increasingly also dominates political communication in democratic countries as a result of the personalization and spectacularization of campaigning Written by an international group of contributors this volume focuses on the last one hundred years covering a wide range of countries around the globe and dealing with dictatorial regimes and democratic systems alike As well as discussing the effigies that are produced by the powers that be for propaganda purposes it looks at the uses of portraiture by antagonistic groups or movements as forms of resistance derision denunciation and demonization This volume will be of interest to researchers in visual studies art history media studies cultural studies politics and contemporary history *Mastering Modern United States History* John Traynor, 2018-11-02 Now in its second edition this engaging text introduces readers to all the key developments in American history between 1900 and 2000 Combining factual coverage with an analysis of professional historians most recent interpretations of major domestic and foreign affairs it fully explores dramatic events such as the Wall Street Crash Pearl Harbor the Cuban Missile Crisis and the Watergate Scandal Chapters are enriched by presidential profiles and supported by stimulating source material and exam style questions to reinforce learning This text will be essential reading for students undertaking courses in American History at college foundation and undergraduate level It is also the ideal companion for anyone with a general interest in the American history of the twentieth century New to this Edition Two brand new chapters on African American History A new American Lives feature which gives insight into a wide range of cultural figures including the Wright Brothers Rachel Carson J D Salinger and Muhammed Ali **Conservative Moments** Mark Garnett, 2018-08-23 This book is available as open access through the Bloomsbury Open Access programme and is available on www.bloomsburycollections.com As a complex and multifaceted world view conservatism is often pigeonholed and partially understood And while the nature of conservative ideology is warmly contested among scholars no one can deny its prominence in contemporary debates and its effects on the politics of everyday life These 16 essays written by expert scholars and specialists offer a broad survey of conservative thought that extends beyond typical historical and geographic

boundaries to include past thinkers like Plato and Edmund Burke non European conservative traditions such as Japan and Russia and political practitioners including Margaret Thatcher Ronald Reagan and Charles de Gaulle Each essay grapples with short primary source extracts while offering instructive criticism and commentary Conservative Moments offers students a useful accessible and comprehensive exposition of this political ideology

Campaign of the Century Irwin F. Gellman, 2022-01-04 Based on massive new research a compelling and surprising account of the twentieth century's closest election The 1960 presidential election between John F Kennedy and Richard Nixon is one of the most frequently described political events of the twentieth century yet the accounts to date have been remarkably unbalanced Far more attention is given to Kennedy's side than to Nixon's The imbalance began with the first book on that election Theodore White's *The Making of the President 1960* in which as he later admitted White deliberately cast Kennedy as the hero and Nixon as the villain and it has been perpetuated in almost every book since then Few historians have attempted an unbiased account of the election and none have done the archival research that Irwin F Gellman has done Based on previously unused sources such as the FBI's surveillance of JFK and the papers of Leon Jaworski vice presidential candidate Henry Cabot Lodge and many others this book presents the first even handed history of both the primary campaigns and the general election The result is a fresh engaging chronicle that shatters long held myths and reveals the strengths and weaknesses of both candidates

Winds of Hope, Storms of Discord Salim Yaqub, 2022-11-03 In vivid engaging prose this book illuminates modern US history as a story of ceaseless change struggle conflict and renewal

The Padre Jennifer O'Leary, 2023-08-24 For almost two decades Father Patrick Ryan evaded intelligence agencies across Europe The subject of two unsuccessful extradition requests he was for a time one of the most wanted men in Britain In *The Padre* award winning investigative journalist Jennifer O Leary exposes the paramilitary exploits of the notorious former Irish priest and active IRA supporter revealing sensational details unknown until now Drawing on highly sensitive information divulged by Ryan during exclusive secret meetings with the author *The Padre* lifts the lid on the true extent of the priest's involvement with the IRA and their campaign of terror across Europe Britain and Ireland from being the link between the IRA and the Gaddafi regime to Ryan's connection to the failed assassination attempt on Margaret Thatcher and her Cabinet Decades on Patrick Ryan was unrepentant If I had ever met Mrs Thatcher my parting shot would have been I wish you well mam but I'm sorry we missed you at Brighton *The Padre* tells the truly remarkable story of this man of the cloth and his lifelong struggle with what he in his heart believes to be right and wrong In an exclusive interview with the author Ryan chillingly remarked in response to whether he had any regrets only that I wasn't even more effective but we didn't do too badly
