

Real Life In Castros Cuba

Diana Espírito Santo

Real Life In Castros Cuba:

Real Life in Castro's Cuba Catherine Moses,1999-11-01 This new book provides a first hand grassroots look at life in Cuba including very vivid descriptions of its people and places *Real Life in Castro s Cuba* illuminates the human face of Cuba which over the years has largely been hidden in the shadow of Fidel Castro *Real Life in Castro s Cuba* is written by Catherine Moses who lived and worked in Cuba as a press secretary and spokesperson for the United States from 1995 to 1996 This compelling compassionate portrait contains personal observations about the Cubans struggles triumphs hopes and daily compromises to survive The Cuban population lives with a deteriorating infrastructure forcing many hardships on the people including a scarcity of food fuel clothing medicines and other basic needs The author s detailed cultural account of Cuba introduces the reader to everyday Cubans from party officials to dissidents to everyone in between It shows how Cuba s socialist system works and gives reasons why Fidel Castro is still in power *Real Life in Castro s Cuba* also describes the significant role of religion and spirituality in the life of Cubans Although Moses expresses regret over the state of U S Cuban relations the purpose of the book is not to choose up sides Instead the book is designed simply to introduce readers to real life in Cuba The book s unique approach allows an intimate picture of life in a faded Marxist regime As the author writes Cuba is a curious mixture of Spanish Caribbean socialist ideals gone awry memories of what was and a desperate need to survive This fascinating new book will appeal to all readers who are interested in getting a closer look at what life is like in Cuba today

The Cuba Reader Aviva Chomsky,Barry Carr,Alfredo Prieto,Pamela Maria Smorkaloff,2019-05-17 Tracking

Cuban history from 1492 to the present The Cuba Reader includes more than one hundred selections that present myriad perspectives on Cuba's history culture and politics The volume foregrounds the experience of Cubans from all walks of life including slaves prostitutes doctors activists and historians Combining songs poetry fiction journalism political speeches and many other types of documents this revised and updated second edition of The Cuba Reader contains over twenty new selections that explore the changes and continuities in Cuba since Fidel Castro stepped down from power in 2006 For students travelers and all those who want to know more about the island nation just ninety miles south of Florida The Cuba Reader is an invaluable introduction

Human Rights Violations in Castro's Cuba United States. Congress. House. Committee on International Relations. Subcommittee on International Operations and Human Rights,1996 **Latin America 2013** Robert T. Buckman,2013-08-28 A comprehensive timely and entertaining account of the political cultural and economic dynamics of more than 30 discrete countries of the Western Hemisphere this book is updated each year providing students with the most recent information possible

Outside the Revolution; Everything Tom Astley,2012-08-27 Through the reclamation of a left wing identity disparate groups of Cuban musicians seek a collective Cubanness outside of the Revolution **Inside El Barrio** Henry Louis Taylor,2009 Inside El Barrio charts the legacy of Fidel Castro through the unique lens of Cuban household life during the El Perodo Especial the Special Period Taylor traverses the neighborhoods and residential developments of Havana between 1989 and 2006 the final and most complex period in the Age of Castros Cuba to uncover the hidden vibrancy of Cuba's streets and citizens In doing so he acquires a deeper understanding of Cuban society by exploring what it means to live in a people centered nation and the importance of neighborhoods in shaping everyday life and culture *Castro's Cuba* Francisco R. Wong-Diaz,2006 *Fidel Castro's Cuba* Rita J. Markel,2007-07-30 Describes how the policies of dictator Fidel Castro has affected the economy social conditions and international influence of Cuba

Castro's Cuba, Cuba's Fidel Lee Lockwood,2003-06-30 Mr Lockwood's exciting book holds many surprises for the reader who has seen the Cuban reality up to now only through the distorting prism of propaganda During Mr Lockwood's latest 14 week visit to Cuba in 1965 he had a seven day marathon conversation with Fidel the transcription of which with excellent photographs constitutes the heart of the book A first rate psychological document this book is also an historical one in that it contains information necessary to the understanding of several conversational questions such as the priority given agriculture in the development of the Cuban economy the dissension between Moscow and Havana or even the intellectual road by which Castro came to Marxism Moreover it provides particulars up to now unknown Claude Julien The New York Times Book Review Lockwood gives us crowds posters individual studies Fidel in every possible mood the cities farms country towns most of Cuba is in the photographs Lockwood's text consists mainly of excerpts from several interviews he got from Fidel in 1965 In one way or another Fidel touches on all the events of crucial importance from the beginning of the insurrection until 1965 and the interviews thus become an explanation of the revolution that we badly need Jose Yglesias The New Republic

The author's questions to Fidel are tough and penetrating and they elicited the same kind of answers. The lively record deserves and encourages serious study. K G Jackson Harper's Magazine. Given the paucity of scholarly work on contemporary Cuba and the difficulty of visiting the island, the photographs, interview materials, and interpretations of this gifted journalist must go high on the reading list of anyone, professional or lay person, who maintains a serious interest in Cuban affairs and in that most dramatic and important of twentieth-century Latin American leaders, Fidel Castro. Richard Fagan, *Hispanic American Historical Review* **Empire for Liberty** Jesse Helms, 2001 **Latin America 2019-2020**, 2019-10-07. For Latin America today, this book offers the latest available economic, demographic, political, and cultural information with solid statistical data, expressing freedom, violence, and governmental orientation. Consideration is given to the evolving relationships with the United States and other Latin American nations. Revisions have also addressed new historical interpretations, for example, of the history of Mexico, and latest political changes, for example, in Venezuela and Cuba. Maps, charts, and photographs provide extensive visual expressions of the region, its geography, peoples, and cultures, in particular, public architecture, agricultural technology, specular geology, and striking diversity. The images offer a narrative of the multiplicity of peoples as demonstrated in their clothing, economic and everyday activities, their physical surroundings. Consequently, the narrative combines global economics, national politics, and daily social life throughout the region. The chapters can be read as individual histories for each of the countries within the context created by contrasts and similarities with the other nations of Latin America. **Castro's Cuba** United States. Congress. House. Committee on Government Reform. Subcommittee on Human Rights and Wellness, 2004 **Developing the Dead** Diana Espírito Santo, 2015-08-11. Despite its powerful influence on Cuban culture, Espiritismo has often been overlooked by scholars. *Developing the Dead* is the first in-depth exploration of contemporary Espiritismo in Cuba. Based on extensive fieldwork among religious practitioners and their clients in Havana, this book makes the surprising claim that Spiritist practices are fundamentally a project of developing the self. When mediums cultivate relationships between the living and the dead, argues Diana Espírito Santo, they develop, learn, sense, dream, and connect to multiple spirits, *muertos*, expanding the borders of the self. This understanding of selfhood is radically different from Enlightenment ideas of an autonomous, bounded self and holds fascinating implications for prophecy, healing, and self-consciousness. *Developing the Dead* shows how Espiritismo's self-making process permeates all aspects of life, not only for its own practitioners but also for those of other Afro-Cuban religions.

Latin America 2023-2024 William H. Beezley, 2023-09-15. The World Today Series. Latin America offers the latest available economic, demographic, political, and cultural information. Including solid statistical data, expressing freedom, violence, and governmental orientation. Consideration is given to the evolving relationships with the United States and other Latin American nations. Revisions have also addressed new historical interpretations, for example, of the history of Mexico, and latest political changes, for example, in Venezuela and Cuba.
