Real Guide Yugoslavia:

A Reader's Guide to Croatia Lawrence D. Orton, 1992 **Bibliography of Sources on the Region of Former Yugoslavia Volume III** Rusko Matuli?, 1998 *Area Handbook for Yugoslavia* Gordon C. McDonald, 1973 General study of Yugoslavia covers the historical setting geographical aspects the social structure and living conditions ethnic groups the political system and the economic structure culture and education agriculture industry trade foreign policy and defence etc Bibliography pp 553 to 630 glossary maps and statistical tables **Yugoslav Facts and Views**, 1974 *Yugoslav Workers' Selfmanagement* M.J. Broekmeyer, 2012-12-06 This book contains the Proceedings of a Conference held on 7-9 January 1970 in Amsterdam on the problems and perspectives of Yugoslav workers self management The Yugoslav writers were selected according to the criteria that they are competent in their field and that they have different viewpoints in their assessment of the system We hope that the threefold purpose of this book will be attained namely to provide a clearer insight for the Western reader into the Yugoslav system secondly to confront Yugoslav society with the questions asked and the criticism voiced here with regard to the practice of workers selfmanagement and lastly to pay a modest tribute to the 20th anniversary of Yugoslav workers self management To be sure the range of subjects treated in Amsterdam might seem to be rather wide but one should bear in mind that this was unavoidable in the first large scale confrontation of two different social systems outside Yugoslavia Although the language used in this book may not always correspond with the official standards we trust that the published texts will be easily readable for the benevolent reader The New Yugoslav Woman Branka Bogdan, 2025-09-30 From 1945 to 1989 the Yugoslav state connected its claims of progressive politics and gender equality to its support of free healthcare sex education and contraception and laws that supported reproductive choice Yugoslav men and women internalized these messages proclaiming their homeland's superior care for its citizens in comparison to postwar Europe and the United States Even as Yugoslav women faced stigma and abuse for their usage of contraceptives and medical practitioners grappled with new regulations and technology alongside personal ideologies Yugoslavs celebrated their own reformation into new politically minded citizens who carefully navigated tradition and modernity as they reconstructed the nation The New Yugoslav Woman provides a social and cultural history of how Yugoslav communists used reproductive regulation to build a platform of socialism through self management and to position the country as a conduit between the global North and South Author Branka Bogdan traces reproduction as a central facet of socialist Yugoslavia's state formation through the nation's laws medical infrastructure technological growth and state run sex education programs Bringing this history to the present day with a discussion of more than two dozen interviews with Yugoslav patients and medical professionals Bogdan reveals how these recollections show key continuities with the past rather than an abrupt break between the socialist and post socialist worlds Drawing Yugoslavian women's experiences into the geopolitical history of reproduction and the Cold War era state The New Yugoslav Woman reveals the centrality of reproduction contraception and

abortion to socialist Yugoslavia's self-conception as the developed leader of the developing world Yugoslav News Bulletin, 1985 **Quarterly Economic Review of Yugoslavia**, 1980 The Real Guide Martin Dunford, Jack Holland, 1990

Galijaš, 2016-05-13 Countries rarely disappear off the map In the 20th century only a few countries shared this fate with Yugoslavia The dissolution of Yugoslavia led to the largest war in Europe since 1945 massive human rights violations and over 100 000 victims Debating the End of Yugoslavia is less an attempt to re write the dissolution of Yugoslavia or to provide a different narrative than to take stock and reflect on the scholarship to date New sources and data offer fresh avenues of research avoiding the passion of the moment that often characterized research published during the wars and provide contemporary perspectives on the dissolution The book outlines the state of the debate rather than focusing on controversies alone and maps how different scholarly communities have reflected on the dissolution of the country what arguments remain open in scholarly discourse and highlights new innovative paths to study the period Overseas Business Reports, 1980
