Refugee Studies and Politics Susanne Binder, Jelena Tošić, 2002 *Intersectional Knowledges* Susan Arndt, Nihan Duran, Mario Faust-Scalisi, Gülten Gizem Fesli, Louisa Kamrath, 2024-11-22 Intersectionality is a transformative framework that transcends traditional social categorizations emphasizing the interconnectedness of identities like class race and gender The contributors to this volume offer profound insights into the complexities of human experiences social structures and power dynamics Unique in its global perspective their analysis incorporates critical voices from the Global South and examines minority experiences in the Global North It aims to carry the tradition of intersectionality as a social critical theory to the European context and addresses key issues in German academia proposing new definitions and structures to advance Intersectionality Studies This poses an essential invitation to critically engage with and reshape existing power structures in the production of knowledge **Debating the End of Yugoslavia** Florian Bieber, Armina Galijaš, 2016-05-13 Countries rarely disappear off the map In the 20th century only a few countries shared this fate with Yugoslavia The dissolution of Yugoslavia led to the largest war in Europe since 1945 massive human rights violations and over 100 000 victims Debating the End of Yugoslavia is less an attempt to re write the dissolution of Yugoslavia or to provide a different narrative than to take stock and reflect on the scholarship to date New sources and data offer fresh avenues of research avoiding the passion of the moment that often characterized research published during the wars and provide contemporary perspectives on the dissolution The book outlines the state of the debate rather than focusing on controversies alone and maps how different scholarly communities have reflected on the dissolution of the country what arguments remain open in scholarly discourse and highlights new innovative paths to study the period *Memory and Migration* Andreas Kitzmann, 2011-01-01 Julia Creet is an associate professor in the Department of English at York University *Cities in Contemporary Africa* M. Murray, G. Myers, 2007-01-08 This book explains how and why cities on the African continent have grown at such a rapid pace how municipal authorities have tried to cope with this massive influx of people and how long time urban residents and newcomers interact negotiate and struggle over access to limited resources Religious Credibility under Fire Leif-Hagen Seibert, 2018-02-05 Leif Hagen Seibert carries out a three step praxeological analysis of empirical data from field studies in the research project The ethos of religious peace builders that allows for novel assessments of societal conjuncture field theory subjective meaning habitus analysis and the mutual rules of engagement of religious practice the religious nomos Over the course of this three step argument the sociological concept of religious credibility i e the determinants of religious legitimacy gains more and more contours and facilitates the reevaluation of risks and chances in a peace process where religion is a vector for both peace and division **Contemporary Issues in Socio-cultural Anthropology** Barbara Plankensteiner, Stefan Khittel, Maria Six-Hohenbalken, 2004 **Integracija kot èlovekova pravica** Natalija Vreèer, 2007-01-01 **Políticas, Instituições e Percursos Migratórios de Mulheres e Meninas Refugiadas em**

Portugal e Dinamarca Sofia de Almeida, 2021-06-01 Pretende-se com esta tese explorar o impacto das políticas de asilo e das práticas institucionais nos processos migratórios de mulheres e meninas refugiadas a partir das suas experiências e percepções ao longo do percurso. A análise desenvolvida versa sobre dois países europeus Portugal e Dinamarca com diferentes quadros de intervenção mas com similaridades nos contextos demográficos e influência no foro da União Europeia. A reconstituição dos perfis e dos percursos das mulheres e meninas refugiadas em articulação com as políticas de integração e as práticas de acolhimento contribui para uma melhor compreensão do real impacto dos mecanismos institucionais legais e políticos na integração de refugiados numa perspetiva de género e idade. As potenciais alterações das relações de género são aprofundadas a partir das experiências e percepções e práticas das refugiadas convocando dimensões culturais religiosas educacionais socioeconómicas e familiares. Através destes percursos são analisados perfis específicos articulados com as diferentes fases do trajeto aprofundando simultaneamente o conhecimento sobre os desafios intergeracionais. A análise multinível essencial para a complementaridade do objetivo geral permitindo identificar representações coletivas resultados de integração discursos políticos e mediáticos bem como mecanismos jurídicos e práticas institucionais e o modo como influenciam os processos de integração nas várias dimensões. Identificar aprofundar e relacionar as políticas de asilo as práticas institucionais e os percursos migratórios de meninas e mulheres refugiadas desde o seu país de origem à entrada na Europa fundamental para refletir sobre as estratégias de transformação social mecanismos de acolhimento individual e institucional e políticas de asilo e integração efetivas.

Refugee Resilience and Adaptation in the Middle East Haya Al-Dajani, Maysa Baroud, Nasser Yassin, 2023-05-03 This edited volume investigates how refugee communities in the Middle East have adapted to secure their livelihoods within the informal economy. Focusing on Lebanon and Jordan which between 2011 and 2020 received more refugees as a proportion of their population than any other countries in the world this edited volume investigates the informal mechanisms that Syrian refugees have adopted to fit into the informal economies of Lebanon and Jordan in the face of significant challenges and barriers. The volume investigates how legality temporality connectedness gender and geography among other factors have influenced the emergence of refugee communities informal adaptive mechanisms. Drawing on in-depth original research among Syrian refugee tribal communities agricultural workers female-headed households and micro-entrepreneurs the volume provides tangible policy and practice recommendations to help to improve the situation of refugees and vulnerable populations that are employed in the informal economy. Highlighting the resilience and agency demonstrated by refugees this edited volume's original community-based analysis will be of interest to students researchers and professionals from across Middle East studies refugee studies informal labor economics and development studies.

 book seeks to think differently about what we recognize as global institutions and how they could work better for the people
 who need them most By so doing the contributions show that there is a group of institutions that influence enough people s
 lives in significant enough ways through what they protect provide or enable that they should be considered together as
 global institutions The United Nations the World Bank the internet as well as private military and security companies leave a
 heavy footprint on the social political and economic landscape of the planet We are all aware in different ways of the
 existence of these global institutions but their importance in achieving change in the twenty first century is often
 underestimated In this book contributors seek to explain what associations exist between change in global institutions and
 the reduction of poverty and inequality as well as the achievement of security and justice The work makes sense of processes
 of change and identifies the most significant obstacles that exist offering suggestions for future action that will be of interest
 to students and scholars of global institutions *The Sage Encyclopedia of Refugee Studies* Yen Le Espiritu, 2025-09-01
 Refugees and displacement are defining issues of the 21st century with over 70 million asylum seekers refugees and stateless
 individuals forced from their homes as of 2020 Every two seconds one person is forcibly displaced due to climate change
 global epidemics and ongoing conflicts The SAGE Encyclopedia of Refugee Studies edited by members of The Critical
 Refugee Studies Collective serves as a vital and comprehensive resource for understanding the historical political and
 cultural dimensions of displacement Featuring over 250 authoritative articles this landmark reference work is organized into
 three key themes law politics and policy humanitarianism and humanitarian organizations and media culture and storytelling

Drawing from disciplines such as migration studies Indigenous studies critical race studies environmental studies sociology political science law anthropology and the arts this encyclopedia critically examines refugee issues in relation to imperialism racism patriarchy and militarism Beyond academic analysis The SAGE Encyclopedia of Refugee Studies centers refugee voices through narratives first person accounts and visual storytelling highlighting the lived experiences communities and creative expressions of displaced individuals This essential resource is invaluable for scholars educators policymakers community based organizations and refugees themselves *Global Migration Governance* Alexander Betts,2011-01-06 In the context of the growing politicization of migration a debate has emerged in policy and academia on the need to develop global governance on migration to facilitate better inter state cooperation This book provides an introduction to the institutions politics and normative dimensions of different aspects of international migration **SWS Rundschau** ,2003

Anthropos ,2003 **The Politics of Refugee Policy in the Global South** Ola G. El-Taliawi,2024-06-15 Mass refugee movements represent a complex policy problem to host governments as they challenge existing socio economic and political structures While scholarship on refugee migration tends to centre on the Global North most refugees actually reside in the Global South where the capacity to provide assistance is limited Shifting the focus from sensationalist rhetoric about mass migration to the North *The Politics of Refugee Policy in the Global South* provides a comparative analysis of Lebanon s and Jordan s responses to the Syrian refugee movement one of the largest displacements in modern history Through extensive interviews and process tracing Ola El Taliawi uncovers the complex realities of refugee hosting and the hard choices governments make in light of this challenge Building on the concept of complexity El Taliawi employs a unique methodology and analytical approach painting a nuanced picture of asylum provision and identifying a spectrum of refugee hosting models More than ever we need a better understanding of the unique politics of refugee policymaking in the Global South This incisive book offers key insights for effective governance and reform of the global refugee regime **Relocation Failures in Sri Lanka** Robert Muggah,2013-04-04 Each year millions of people are internally displaced and resettled in the wake of wars and floods or to make way for large scale development projects and this number is increasing Humanitarian and development specialists continue to struggle with designing and executing effective protection strategies and durable solutions *Relocation Failures* explains how internal displacement and efforts to engineer resettlement are conceived and practiced by policy makers and practitioners The author argues that policies for internally displaced peoples are weak and diluted by narrow interpretations of state sovereignty and collective action dilemmas and in the case of Sri Lanka unintentionally intensified ethnic segregation and ultimately war This unique new book considers the origins and parameters of internal displacement and resettlement policy and practice and proposes an explanation for why it often fails In highlighting the ways that development assistance can exacerbate smoldering conflicts the volume provides an important caution to the aid community **Gendering the International Asylum and Refugee Debate** J. Freedman,2015-06-23

This revised and updated 2nd edition of Freedman's hard hitting study aims to remedy the current lack of gender specific analyses of asylum and refugee issues. It provides a comprehensive account of the situation of women in global forced migration and explains the ways in which women's experiences are shaped by gendered relations and structures.
