Ruby In The Rough:

Ruby in the Rough Bob Ruby, 1976 This is the bold brash outspokenly frank autobiography of one of the leading program innovators in the radio broadcast industry Bob Ruby known simply as Ruby to his vast listening audience displays in this volume the wit charm and audacity that led to his rise to a position as the number one morning personality in the New Orleans radio market The veteran broadcaster for radio station WWL writes candidly of the many and often extraordinary happenings that became a trademark of his daily show His broadcast of a taped interview with Sandra Good for example in which the acknowledged member of the Charles Manson family threatened the lives of numerous American business executives made headlines throughout the nation and led to his appearance as a witness at her trial Ruby discusses the evolution of his own singular style as a one man variety show Clearly he provides the unusual something out of the ordinary His lively monologue each morning was designed to generate call ins and to encourage listener participation in the show His consistently high ratings attested to his success Ruby concludes this work on a serious note offering his personal assessment of the broadcast industry its strengths its weaknesses and its growing problems including the controversial area of government regulation With insight sharpened by experience he declares that radio is enjoying its last glory days and provides a personal view of what the future of broadcasting holds

Rough South, Rural South Jean W. Cash, Keith Perry, 2016-02-12 Essays in Rough South Rural South describe and discuss the work of southern writers who began their careers in the late twentieth and early twenty first centuries They fall into two categories Some born into the working class strove to become writers and learned without benefit of higher education such writers as Larry Brown and William Gay Others came from lower or middle class backgrounds and became writers through practice and education Dorothy Allison Tom Franklin Tim Gautreaux Clyde Edgerton Kaye Gibbons Silas House Jill McCorkle Chris Offutt Ron Rash Lee Smith Brad Watson Daniel Woodrell and Steve Yarbrough Their twenty first century colleagues are Wiley Cash Peter Farris Skip Horack Michael Farris Smith Barb Johnson and Jesmyn Ward In his seminal article Erik Bledsoe distinguishes Rough South writers from such writers as William Faulkner and Erskine Caldwell Younger writers who followed Harry Crews were born into and write about the Rough South These writers undercut stereotypes forcing readers to see the working poor differently The next pieces begin with those on Crews and Cormac McCarthy major influences on an entire generation Later essays address members of both groups the self educated and the college educated Both groups share a clear understanding of the value of working class southerners Nearly all of the writers hold a reverence for the South's landscape and its inhabitants as well as an affinity for realistic depictions of setting and characters

did they discover how to complete the many phases necessary to accomplish their work How did the equipment and methods differ between fashioning diamonds and faceting colored stones These are just a few of the questions that the author wanted to find the answers for In looking for answers to these and other questions the author found that there were bits and pieces of information available in many previous books but there was not a good book available that would answer most of his questions Upon hearing the author s remarks about this fact one of the librarians at the wonderful library located at the Gemological Institute of America s Carlsbad campus said that if such a book was not available maybe you should write the book Well the author had been thinking of doing just that but the remark caused the author to see the light and agree to get started on the project Little did he know then that the project would require many months of eight hour days over seven day weeks to get the book completed He decided to write a book that would answer these and other related questions that he had The thought also occurred to him that such a book would be a valuable volume to be placed in libraries of individual faceters around the world He realized that such a book would also be of great value to anyone who works behind a Jewelry store counter A successful sales person is one who is knowledgeable about the products that they are selling A book of faceting information would be extremely valuable if read and re read from time to time A customer in the Jewelry store will no doubt be favorably impressed by a sales presentation that is made with the use of interesting and informative information about diamonds and the various colored gemstones The customer will be convinced that the sales person knows about what they are talking The author has spent nearly three years on the project of researching the GIA library and other libraries along with the extensive personal library of gemstone related books that he personally possesses Many conflicting reports were noted in his study He has made the statements in his book reflect the most commonly accepted opinions of the most respected authors works that he has found in his research History is only obtainable from the earlier works of other authors We cannot go back to the long past centuries ourselves to see first hand what really happened and when it happened A study of faceting history requires making the best choices of the information that is available This completed book answers questions as to why the fashioning of diamonds was is so different from the faceting of colored gemstones The book compares the needed equipment and the methods that have brought the greatest successes In addition a great deal of other information connected to faceting is included There are seven chapters in the book and there are over 125 photographs of the early equipment and methods that were used The photographs show the faceters the workroom conditions and the tools and equipment that they used to complete beautiful and lasting gemstones The book chapters are titled An Introduction to Faceting Early Man s Stone Appreciation Diamond Fashioning Procedure and Equipment Colored Stone Faceting Procedure and Equipment The Evolution of Cut Designs Famous and Historic Gemstones Sources of Diamond and Colored Stone Rough and lastly Advances in Faceting Over the Past One Hundred Years By books end the reader will be well informed as to what is r
