Rudolf Bultmann Interpreting Faith For The Modern Era:

Rudolf Bultmann Rudolf Karl Bultmann, Bultmann's pioneering study of the New Testament initiated a new era in biblical studies in the Twentieth Century Together with Karl Barth Bultmann broke with liberal theology but his often misunderstood program of demythologization took him in a radically different direction from Barth In many respects Bultmann set the agenda for biblical theology in the decades following World War II This volume concentrates on the key texts and ideas in Bultmann's thought It presents the essential Bultmann for students and the general reader Roger Johnson's introductory essay and notes on the selected texts set Bultmann in his historical context chart the development of his thought and indicate the significance of his theology in the development of Christian theology as a whole Substantial selections from Bultmann's work illustrate key themes God as Wholly Other Jesus and the Eschatological Kingdom Existentialist interpretation Kerygma Faith and Modernity in conflict Demythologizing controversial slogan and theological focus Rudolf Bultmann Rudolf Bultmann, 1991 Rudolf Bultmann Rudolf Bultmann, 1991 *Rudolf Bultmann : interpreting faith for the modern era* Roger A. Dictionary of Major Biblical Interpreters Donald K. McKim, 2007-11-12 Donald K McKim edits this revised and expanded edition of IVP's Historical Handbook of Major Biblical Interpreters With 230 in depth articles regarding the principal players in the history of Biblical interpretation this volume will serve as an invaluable tool for any serious student of the Bible or history of exegesis Virtue Hermeneutics Robert M. Eby, 2022-03-08 Contemporary hermeneutics is an unavoidable but deeply troubled discipline At the root of the problem is the classic epistemological question What makes an interpretation justifiable Since the beginning of Modernity interpreters have offered multiplied answers to this question Historicity linguistics social constructs and contemporary flashes of revelation are but a few of the proposed solutions but if the question is ultimately epistemological it follows that the answer may emerge from this same place Current research in the field of virtue epistemology has awakened interest in a new path forward for hermeneutics by looking to a time before the emergence of unstable modern frameworks In *Virtue Hermeneutics* a justified understanding of Scripture that engages all of the participants in the interpretive dialogue author text reader and reading community is discovered in the interpretive character of the wise reader From this starting point hermeneutics is able to move forward in a way that is responsive to contemporary challenges to discerning literary meaning Ultimately a justified understanding is one that virtuously engages the author the text and all reading communities The illuminating work of the Holy Spirit in hermeneutics takes on a refreshing and meaning filled place when readers readmit intellectual virtues into the discussion **Theological Hermeneutics** Werner G. Jeanrond, 1991-06-18 An introduction to the history and scope of interpretation theory in theology It discusses hermeneutical consciousness in Christian thinking from the time of the Church Fathers up to today **War Time Preaching and Teaching** Jeffrey J. Richards, 2012-10-22 War Time Preaching and Teaching explores the hermeneutics

science of interpretation and homiletics art of preaching of both Rudolf Bultmann and Dietrich Bonhoeffer The book explores the thought and impact of these two theologians primarily within the American debate Both Bultmann and Bonhoeffer are somewhat misunderstood and it seems that they are either totally accepted or rejected depending in many instances on one's personal understanding of their method of biblical interpretation The book attempts to objectively view their methods of biblical interpretation and how they expressed their research in their writings preaching and teaching Both concluded that the presenting of the Gospel in a relevant manner is the ultimate need for humankind today Both lived during a most challenging period of world history but were able to communicate in a captivating manner Certainly the times in which we live today call for those who possess a similar commitment

The Historic Church Archpriest John W. Morris, 2011-07-19 The Historic Church is a survey of Christian history written for Orthodox Christians by an Eastern Orthodox scholar Although one can find many excellent studies of Christian history in the United States none of them considers the development of Christianity from an Eastern Orthodox point of view The work begins by laying a foundation for the study of Christian history by discussing the beliefs and practices of the ancient Church during the age of the Fathers and the Seven Ecumenical Councils The author then discusses the development of Roman Catholicism and the theological and cultural reasons for the split between Rome and Orthodoxy and relations between East and West following the schism He concludes his work with a discussion the origins and historical development of every major Protestant group and tells how they differ from Orthodoxy

The Historical Jesus Question Gregory W. Dawes, 2001-01-01 A natural sequel to The Historical Jesus Quest this book provides commentary on the work and significance of the classic writers presented in that volume Spinoza Strauss Sweitzer Troeltsch Bultmann Kasemann and others

Dictionary of Existentialism Haim Gordon, 2013-10-31 Existentialism as a philosophy gained prominence after World War II Instead of focusing upon a particular aspect of human existence existentialists argued that our focus must be upon the whole being as he/she exists in the world Rebellious against the rationalism of such philosophers as Descartes and Hegel existentialists reject the emphasis placed on man as primarily a thinking being Freedom is central to human existence and human relations and encounters cannot be reduced simply to thinking This Dictionary provides through alphabetically arranged entries overviews of the various tenets philosophers and writers of existentialism and of those writers philosophers who in retrospect seem to existentialists to espouse their philosophy Nietzsche Kierkegaard Dostoyevski et al

Dictionary of Biblical Criticism and Interpretation Stanley E. Porter, 2007-01-24 First Published in 2007 Compiling the results from contemporary and exciting areas of research into one single important volume this book stands ahead of its field in providing a comprehensive one stop Handbook reference of biblical interpretation Examining a wide range of articles on many of the recognized interpreters including Augustine Luther and Calvin up to the modern figures of Martin Hengel and T W Manson Porter expertly combines the study of biblical interpretation with the examination of the theological and philosophical preconceptions that have influenced it and surveys

the history of interpretation from different perspectives Key perspectives studied include the historical dimension addressing how interpretation has developed at various periods of time from early Jewish exegesis to the historical critical method the conceptual approach looks at the various schools of thought that have generated biblical interpretation and compares and contrasts competing conceptual models of interpretation the personal perspective addresses the reality of biblical interpretation by individuals who have helped plot the course of theological development With relevant bibliographies and a guide to further reading this Dictionary will be an extremely important reference held for many years not only by libraries but also by students scholars clergy and teachers of this fascinating and high profile subject

The Routledge Encyclopedia of the Historical Jesus Craig A. Evans, 2014-01-14 This Encyclopedia brings together the vast array of historical research into the reality of the man the teachings the acts and the events ascribed to him that have served as the foundational story of one of the world's central religions This kind of historiography is not biography The historical study of the Jesus stories and the transmission of these stories through time have been of seminal importance to historians of religion Critical historical examination has provided a way for scholars of Christianity for centuries to analyze the roots of legend and religion in a way that allows scholars an escape from the confines of dogma belief and theological interpretation In recent years historical Jesus studies have opened up important discussions concerning anti-Semitism and early Christianity and the political and ideological filtering of the Jesus story of early Christianity through the Roman empire and beyond Entries will cover the classical studies that initiated the new historiography the theoretical discussions about

authenticating the historical record the examination of sources that have led to the western understanding of Jesus teachings and disseminated myth of the events concerning Jesus birth and death Subject areas include the history of the historical study of the New Testament major contributors and their works theoretical issues and concepts methodologies and criteria historical genres and rhetorical styles in the story of Jesus historical and rhetorical context of martyrdom and messianism historical teachings of Jesus teachings within historical context of ethics titles of Jesus historical events in the life of Jesus historical figures in the life of Jesus historical use of Biblical figures referenced in the Gospels places and regions institutions the history of the New Testament within the culture politics and law of the Roman Empire *Christ and the Other* Reverend Dr Graham Adams,2017-03-02 How should we relate to others those within a particular tradition those of different traditions and those who are oppressed In the light of these anxieties and building on the work of Andrew Shanks this book offers a vision of Christ as the Shaken One rooted in community with others Shaped through dialogue with the theologies of John Hick and Lesslie Newbigin Adams urges Christian communities to attend more deeply to the demands of ecumenical dialogical and political theologies to embody an ever greater solidarity of others a quality of community better demonstrating Christlike other regard **Crossing the Rubicon** Emmanuel Falque,2016-06-01 In France today philosophy phenomenology in particular finds itself in a paradoxical relation to theology Some debate a theological turn Others disavow theological arguments as if such arguments would tarnish their philosophical integrity while nevertheless carrying out theology in other venues In Crossing the Rubicon Emmanuel Falque seeks to end this face off Convinced that the more one theologizes the better one philosophizes he proposes a counterblow by theology against phenomenology Instead of another philosophy of the threshold or the leap and through a retrospective and forward looking examination of his own method he argues that an encounter between the two disciplines will reveal their mutual fruitfulness and their true distinctive borders Falque shows that he has made the crossing between philosophy and theology and back again with audacity and perhaps a little recklessness knowing full well that no one thinks without exposing himself to risk *Theology and Contemporary Critical Theory* Graham Ward,1996-09-06 Graham Ward examines the core skills approaches and concepts employed in the study of theology and relates them to the work of relevant critical theorists Distinguishing theology's concern with representation history ethics and the experience of transcendence the book then reviews the work of two or three particular postmodern thinkers whose ideas challenge the traditional ways theology has handled these concerns The book suggests the way in which the study of theology may be transformed through a developed engagement with contemporary critical theory **BIBLICAL CRITICISM** Edward D. Andrews,F. David Farnell,Thomas Howe,Thomas Marshall,Dianna Nedwman,2017-10-29
