understood like Chaplin Keaton Gish and Garbo but those who have been misperceived unfairly dismissed or forgotten Here is Valentino the Sheik who was hardly the effeminate lounge lizard he s been branded as Mary Pickford who couldn t have been further from the adorable little creature with golden ringlets that was her film persona Marion Davies unfairly pilloried in Citizen Kane the original Phantom and Hunchback Lon Chaney the beautiful Talmadge sisters Norma and Constance Here are the great divas Pola Negri and Gloria Swanson the great flappers Colleen Moore and Clara Bow the great cowboys William S Hart and Tom Mix and the great lover John Gilbert Here too is the quintessential slapstick comedienne Mabel Normand with her Keystone Kops the quintessential all American hero Douglas Fairbanks and of course the quintessential all American dog Rin Tin Tin This is the first book to anatomize the major silent players reconstruct their careers and give us a sense of what those films those stars and that Hollywood were all about An absolutely essential text for anyone seriously interested in movies and with more than three hundred photographs as much a treat to look at as it is to read Damsels and Divas Agata Frymus,2020-04-17 2020 Best Early Career Research Monograph Monash University Malaysia Damsels and Divas investigates the meanings of Europeanness in Hollywood during the 1920s by charting professional trajectories of three movie stars Pola Negri Vilma B nky and Jetta Goudal It combines the investigation of American fan magazines with the analysis of studio documents and the examination of the narratives of their films to develop a thorough understanding of the ways in which Negri B nky and Goudal were understood within the realm of their contemporary American culture This discussion places their star personae in the context of whiteness femininity and Americanization Every age has its heroines and they reveal a lot about prevailing attitudes towards women in their respective eras In the United States where the stories of rags to riches were especially potent stars could offer models of successful cultural integration **Silent Film**
