Rudyard Kipling Son Of Empire:

Rudyard Kipling Nella Braddy,1944 *Son of Empire* Nella Braddy,1945 **Rudyard Kipling, son of empire** Mrs. Nella (Braddy) Henney,1941 **Empire's Son, Empire's Orphan** Nile Green,2024-07-02 A rollicking story of two literary fabulists who revealed the West's obsession with a fabricated exotic East. In the highbrow literary circles of the mid twentieth century a father and son spread seductive accounts of a mystical Middle East. Claiming to come from Afghanistan Iqbal and Idries Shah parlayed their assumed identities into careers full of drama and celebrity writing dozens of books that influenced the political and cultural elite. Pitching themselves as the authentic voice of the Muslim world they penned picaresque travelogues and exotic potboilers alongside weighty tomes on Islam and politics. Above all father and son told Western readers what they wanted to hear: audacious yarns of eastern adventure and harmless Sufi mystic myths that as the century wore on and the Taliban seized power became increasingly detached from reality. *Empire's Son* *Empire's Orphan* follows the Shahs from their origins in colonial India to literary London, wartime Oxford and counterculture California via the Levant, the League of Nations and Latin America. Nile Green unravels the conspiracies and pseudonyms, fantastical pasts and self aggrandizing anecdotes, high stakes and bold schemes that for nearly a century painted the defining portrait of Afghanistan. Iqbal and Idries convinced poets, spies, orientalists, diplomats, occultists, hippies and even a prime minister that they held the key to understanding the Islamic world. From George Orwell directing Muslim propaganda to Robert Graves translating a fake manuscript of Omar Khayyam and Doris Lessing supporting jihad, Green tells the fascinating tale of how the book world was beguiled by the dream of an Afghan Shangri-La that never existed. Gambling with the currency of cultural authenticity, Iqbal and Idries became master players of the great game of empire and its aftermath. Part detective story, part intellectual folly, *Empire's Son* *Empire's Orphan* reveals the divergence between representation and reality between what we want to believe and the more complex truth.

The language of empire Robert Macdonald,2017-03-01 The debate about the Empire dealt in idealism and morality and both sides employed the language of feeling and frequently argued their case in dramatic terms. This book opposes two sides of the Empire: first as it was presented to the public in Britain and second as it was experienced or imagined by its subjects abroad. British imperialism was nurtured by such upper middle class institutions as the public schools, the wardrooms and officers' messes and the conservative press. The attitudes of 1916 can best be recovered through a reconstruction of a poetics of popular imperialism. The case study of Rhodesia demonstrates the almost instant application of myth and sign to a contemporary imperial crisis. Rudyard Kipling was acknowledged throughout the English speaking world not only as a wonderful teller of stories but as the singer of Greater Britain or as the Laureate of Empire. In the last two decades of the nineteenth century the Empire gained a beachhead in the classroom, particularly in the coupling of geography and history. *The Island Story* underlined that stories of heroic soldiers and fights for the flag were easier for teachers to present to children than lessons in morality or abstractions about liberty and responsible government.

The Education Act of 1870 had created a need for standard readers in schools readers designed to teach boys and girls to be useful citizens The Indian Mutiny was the supreme test of the imperial conscience a measure of the morality of the master nation *Son of Empire. The Story of Rudyard Kipling ... Illustrated by Heade Nella BRADDY*,1945 The Kipling Journal; the Organ of the Kipling Society ,1946 Includes lists of members of the Kipling society Kipling's Children's Literature Sue Walsh,2016-04-22 Despite Kipling s popularity as an author and his standing as a politically controversial figure much of his work has remained relatively unexamined due to its characterization as children s literature Sue Walsh challenges the apparently clear division between children s and adult literature and poses important questions about how these strict categories have influenced critical work on Kipling and on literature in general For example why are some of Kipling s books viewed as children s literature and what critical assumptions does this label produce Why is it that Kim is viewed by critics as transcending attempts at categorization Using Kipling as a case study Walsh discusses texts such as Kim The Jungle Books the Just So Stories Puck of Pook s Hill and Rewards and Fairies re evaluating earlier critical approaches and offering fresh readings of these relatively neglected works In the process she suggests new directions for postcolonial and childhood studies and interrogates the way biographical criticism on children s literature in particular has tended to supersede and obstruct other kinds of readings **Kipling's Imperial Boy** D. Randall,2000-10-11 Kipling s Imperial Boy opens by examining the significance of boyhood in the evolution of European modernity Chapter one shows how closely the figure of the adolescent the boy is associated with questions of imperial expansion and consolidation The chapters that follow take up Rudyard Kipling s fiction of the imperial boy emphasizing the imaginative link between adolescence and cultural hybridity and offering detailed readings of The Jungle Book Stalky Co and Kim The Kipling Journal ,1947 **Visions of Empire** Krishan Kumar,2019-08-06 In this extraordinary volume Krishan Kumar provides us with a brilliant tour of some of history s most important empires demonstrating the critical importance of imperial ideas and ideologies for understanding their modalities of rule and the conflicts that beset them In doing so he interrogates the contested terrain between nationalism and empire and the legacies that empires leave behind Mark R Beissinger Princeton University This is an excellent book with original insights into the history of empires and the discourses and rhetoric of their rulers and defenders Kumar s writing is lively and free of jargon and his research is prodigious He manages to bring clarity and perspective to a complex subject Ronald Grigor Suny author of They Can Live in the Desert but Nowhere Else A History of the Armenian Genocide A masterly piece of work Anthony Pagden author of The Burdens of Empire 1539 to the Present **Colonial India in Children's Literature** Supriya Goswami,2012-07-26 Colonial India in Children s Literature is the first book length study to explore the intersections of children s literature and defining historical moments in colonial India Engaging with important theoretical and critical literature that deals with colonialism hegemony and marginalization in children s literature Goswami proposes that British Anglo Indian and Bengali children s literature respond to five key historical events the missionary debates

preceding the Charter Act of 1813 the defeat of Tipu Sultan the Mutiny of 1857 the birth of Indian nationalism and the Swadeshi movement resulting from the Partition of Bengal in 1905 Through a study of works by Mary Sherwood 1775 1851 Barbara Hofland 1770 1844 Sara Jeanette Duncan 1861 1922 Rudyard Kipling 1865 1936 Upendrakishore Ray 1863 1915 and Sukumar Ray 1887 1923 Goswami examines how children's literature negotiates and represents these momentous historical forces that unsettled Britain's imperial ambitions in India Goswami argues that nineteenth century British and Anglo Indian children's texts reflect two distinct moods in Britain's colonial enterprise in India Sherwood and Hofland writing before 1857 use the tropes of conversion and captivity as a means of awakening children to the dangers of India whereas Duncan and Kipling shift the emphasis to martial prowess adaptability and empirical knowledge as defining qualities in British and Anglo Indian children Furthermore Goswami's analysis of early nineteenth century children's texts written by women authors redresses the preoccupation with male authors and boys adventure stories that have largely informed discussions of juvenility in the context of colonial India This groundbreaking book also seeks to open up the canon by examining early twentieth century Bengali children's texts that not only draw literary inspiration from nineteenth century British children's literature but whose themes are equally shaped by empire [Empires of Print](#) Patrick Scott Belk, 2017-05-08 At the turn of the twentieth century the publishing industries in Britain and the United States underwent dramatic expansions and reorganization that brought about an increased traffic in books and periodicals around the world Focusing on adventure fiction published from 1899 to 1919 Patrick Scott Belk looks at authors such as Joseph Conrad H G Wells Conan Doyle and John Buchan to explore how writers of popular fiction engaged with foreign markets and readers through periodical publishing Belk argues that popular fiction particularly the adventure genre developed in ways that directly correlate with authors experiences and shows that popular genres of the late nineteenth and early twentieth centuries emerged as one way of marketing their literary works to expanding audiences of readers worldwide Despite an over determined print space altered by the rise of new kinds of consumers and transformations of accepted habits of reading publishing and writing the changes in British and American publishing at the turn of the twentieth century inspired an exciting new period of literary invention and experimentation in the adventure genre and the greater part of that invention and experimentation was happening in the magazines [A Broken Heart Still Beats](#) Anne McCracken, Mary Semel, 2000-09-01 A Broken Heart Still Beats Softcover **The Widening World of Children's Literature S.** Ang, 1999-12-14 This book looks at the changing shape of children's literature in English from the eighteenth to the twentieth century In particular it examines the dialect between enclosure and exposure control and freedom of both fictional child and child reader how the balance of these forces has altered over time and the possible reasons for these changes It also looks at the representation of the child in the English novel from the 1830s to the 1860s the period preceding the publication of Alice in Wonderland the first major work of literature for children and the influence of such representation in later children's

books Writers as well known as Lewis Carroll Louisa M Alcott Rudyard Kipling and Charlotte Bront are examined in the course of this work but this study also considers works which have been unfairly neglected till now and which deserve to be better known this list includes the Marlow series by Antonia Forest Jane Gardam s Bilgewater and Henry Handel Richardson s The Getting of Wisdom **Visions of Yesterday** Jeffrey Richards,2014-01-21 Film is an important source of social history as well as having been a popular art form from the early twentieth century This study shows how a society consciously or unconsciously is mirrored in its cinema It considers the role of the cinema in dramatizing popular beliefs and myths and takes three case studies American populism British imperialism German Nazism to explain how a nation s pressures tensions and hopes come through in its films Examining the American cinema is accomplished by analysing the careers of three great directors John Ford Frank Capra and Leo McCarey while the British and German cinemas are studied by theme The analysis of the British Empire as seen in film broke exciting new ground with a pioneering account of the cinema of Empire when it was first published in 1973 With full filmographies and a carefully selected bibliography it is an outstanding work of reference and its lively approach makes it a delight to read Reviews of the original edition A work of considerable force and considerable wit Clive James Observer a work that is original mentally stimulating and most pleasurable to read Focus on Film **The Bookman** ,1897 The Musical Times ,1908 Youth and Memory in Europe Félix Krawatzek,Nina Friess,2022-06-06 This volume contends that young individuals across Europe relate to their country s history in complex and often ambivalent ways It pays attention to how both formal education and broader culture communicate ideas about the past and how young people respond to these ideas The studies collected in this volume show that such ideas about the past are central to the formation of the group identities of nations social movements or religious groups Young people express received historical narratives in new potentially subversive ways As young people tend to be more mobile and ready to interrogate their own roots than later generations they selectively privilege certain aspects of their identities and their identification with their family or nation while neglecting others This collection aims to correct the popular misperception that young people are indifferent towards history and prove instead that historical narratives are constitutive to their individual identities and their sense of belonging to something broader than themselves **The Musical Times & Singing-class Circular** ,1910
