Goertzen,2022-10-21 What do exotic area rugs handcrafted steel string guitars and fiddling have in common today Many contemporary tradition bearers embrace complexity in form and content They construct objects and performances that draw on the past and evoke nostalgia effectively but also reward close attention In Rugs Guitars and Fiddling Intensification and the Rich Modern Lives of Traditional Arts author Chris Goertzen argues that this entails three types of change that can be grouped under an umbrella term intensification First traditional creativity can be intensified through virtuosity through doing hard things extra fluently Second performances can be intensified through addition by packing increased amounts of traditional materials into the conventionally sized packages Third in intensification through selection artistic impact can grow even if amount of information recedes by emphasizing compelling ideas e g crafting a red and black viper poised to strike rather than a pretty duck decoy featuring more colors and contours Rugs handwoven in southern Mexico luthier made guitars and southern US fiddle styles experience parallel changes all absorbing just enough of the complex flavors dynamics and rhythms of modern life to translate inherited folklore into traditions that can be widely celebrated today New mosaics of details and skeins of nuances don t transform craft into esoteric fine art but rather enlist the twists and turns and endless variety of the contemporary world therapeutically helping transform our daily chaos into parades of negotiable jigsaw puzzles Intensification helps make crafts and traditional performances more accessible and understandable and thus more effective bringing past and present closer together helping folk arts continue to perform their magic today *The Yomut Turkmen* William Irons,1975-01-01 The Yomut Turkmen of Central Asia are a nomadic people who migrate seasonally with their flocks They live in the region where northern Iran Afghanistan and southern Turkmenistan meet east of the Caspian Sea In this monograph William Irons describes the Yomut Turkmen s political structure kinship system and social organization

Hearings United States. Congress Senate,1939 **Art and Archaeology** ,1922 *The Art of Oriental Rugs - A Weaver's Perspective* Kayvon Sadrabadi,2020-02-07 Learn how to identify handmade rugs using techniques employed by experts without having years of experience If you want a more in depth understanding of how experts identify rugs then this eBook is what you ve been searching for But first a warning this eBook is not for everyone There are many fine books which address history geography and designs but they omit an important factor which experts rely on for identification the specific weave pattern found on the back of the rug If you wish to go beyond a cursory understanding of rugs this is the eBook for you The Art of Oriental Rugs A Weaver s Perspective presents an insider look which examines what is a weave what causes it and how to recognize it This work is the result of examining hundreds of pieces through three years of intensive research This is the first extended toolkit of its kind to demonstrate different Persian rugs woven in the country of Iran weaves based on their region and explore why they look the way they do The goal is to establish generally accepted weave patterns attributed to each rug weaving region in Iran It is more than just samples from Iran however it also includes pieces from Caucasus Turkey China Turkmen and others With 1800 pages it provides ample opportunity for an in depth examination of weaves and many

samples to aid in identification Depending on your level of interest you can go as deep as you wish in understanding why weaves look the way they do on the back of each rug Although this work can be viewed on smaller screens to be able to properly examine pictures including characteristics unique to each piece it is intended for larger screens 8 inch or larger It includes 500 pictures of rugs woven in Iran Persian which are available in the market today It includes 750 closeup pictures of weaves from the backs of rugs from 170 weaving regions around the world including Iran Persian Caucasus Turkey China Turkmen and others This will aid in identifying rug origins It also includes maps of each region with the different weaving types to help better understand how the regions use similar different weaving techniques

Food Security and Nutrition

Uwe Kracht, Manfred Schulz, 1999 The persistence of an unacceptably high level of hunger and malnutrition worldwide presents a serious challenge to the world on the threshold of the third millennium Although enough food is produced to feed mankind about 840 million people go hungry among them are 185 million pre school children that are severely underweight for their age Since an additional 80 million people have to be fed each year achieving food security is a central global challenge if not the most important development issue The aim of the reader is to analyze actual problems in the field of food security and nutrition and to discuss present and future strategies to overcome hunger Food security is a complex subject In order to master this complexity we distinguish between four dimensions of analyses Theoretical analytical empirical descriptive normative political institutional Series Spektrum Berliner Reihe zu Gesellschaft Wirtschaft und Politik in Entwicklungsländern Berlin Series on Society Economy and Politics in Developing Countries Vol 50
