Rules for Sex on Wedding Night Herbert I. Kavet, 1997-02-01      Breaking All The Rules Kristian A. Smith, 2022-05-18

Rule Keeping theological frameworks are failing us In *Breaking All The Rules* Kristian A Smith introduces Greatest Commandment Theology as an ancient framework for modern faith This book doesn't provide answers for your questions It provides questions for your answers The challenge is to remove the question What does the Bible say about that and replace it with How does the Greatest Commandment apply here      *Bride's Guide to Sex and Marriage* Herbert I. Kavet, 1999

*The Wedding Night* Jane Merrill, Chris Filstrup, 2011-04-07 This enlightening narrative takes a look at the wedding night its origins history customs cultural expressions and fictional representations through the ages Though just outside of public view the wedding night is loaded with expectation and consequence *The Wedding Night A Popular History* is an entertaining accessible touching and humorous volume that looks at the previously unexplored topic of wedding history between the sheets Covering a kaleidoscopic array of cultural expressions this unique study zooms in on what's quintessential and shares insights into the history of intimacy through the ages The book traces the formalization of the wedding night in the ancient Near East and classical world provides many examples of historically significant unions in European and American history and describes the lively variety of traditions leading up to the present Spicing their narrative with many piquant quotes from contemporary sources the authors explore the rich cultural context for the wedding night processions royal rituals apparel food related traditions and pranks throughout Europe and America in the 19th and 20th centuries Separate chapters examine sex guides jokes and the bed as a special conjugal space      **Obscenity Rules** Whitney Strub, 2013-09-24 For some he was America's leading smut king hauled into court repeatedly over thirty years for peddling obscene publications through the mail But when Samuel Roth appealed a 1956 conviction he forced the Supreme Court to finally come to grips with a problem that had plagued both American society and constitutional law for longer than he had been in business For while the facts of *Roth v United States* were unexceptional its constitutional issues would define the relationship of obscenity to the First Amendment The Supreme Court's 6-3 decision in *Roth* for the first time tried to definitively rule on the issue of obscenity in American life and law and failed In this first book length examination of the case Whitney Strub lays out the history of obscenity's meaning as a legal concept highlights the influence of antice crusaders like Anthony Comstock and John Sumner and chronicles the shadowy career that led Roth to spend nearly a decade of his life imprisoned for the allegedly obscene materials that he sent through the mails Strub then unwraps the events that produced *Roth v United States* placing the trial in the context of its times the Kinsey Reports the Kefauver hearings free speech debates by using Roth's own private papers along with the records of the various prosecutions and the memos of the justices The significance of *Roth* as Strub reveals lay in the two faces of Justice William Brennan's majority opinion which on the one hand reflected the liberalizing attitude toward sexual matters in mid century America but on the other kept obscene expressions beyond First Amendment

protection Because that ruling points up the contradictions of a society where the prurient and repressive commingle uncomfortably Strub shows how Roth says much more about American sexual values than Brennan's written words necessarily acknowledged In our era of internet pornography and Fifty Shades of Grey it may be difficult to imagine a time when obscenity was a matter for the courts As Strub tracks the legacy of Roth and obscenity law through the ongoing policing of acceptable sexuality into the twenty first century his riveting narrative brings those times to life and helps readers navigate the fine line between what is socially acceptable and what is criminally obscene *Christian Dating Rules for Men, Women, the Young & Old(er)* Rhonda Habisreiter, 2020-06-24 Christian Dating Rules are for men women young and older who find themselves dating in the twenty first century Whether you're black white purple or green with yellow polka dots this is the way everyone should date Although the title states Christian you do not need to be a Christian to read and follow the rules Dating has changed a lot over the years and across the globe and this book is designed to help those who are new to dating already dating or find themselves returning to the world of dating If you don't have recent experience in dating or you find yourself disappointed in your previous attempts at dating this book is designed to help you date differently than what has become common in the world today The author uses personal experience she has gained over three decades along with biblical scriptures to guide readers in how people should date No matter what your spiritual beliefs may be if you want a true honest and wholesome dating life with the hopes of finding someone special to share your life with this book is meant for you

**Fuhgeddaboutit** Jon Macks, 2001-05-12 Fuhgeddaboutit How to Badda Boom Badda Bing and Find Your Inner Mobster is the definitive guide on how to be a twenty first century made man With easy to read step by step instructions Fuhgeddaboutit reveals a unique way of living and a unique way of dying usually involving an icepick and duct tape In Fuhgeddaboutit you will learn The three most common uses for toothpicks dental hygiene stabbing and storing gum during sex All about honeymoons Every couple should honeymoon somewhere completely foreign and exotic for two weeks Like South Jersey To protect yourself at all times use a condom and a bulletproof vest The main difference between a Jewish mobster and an Italian mobster a foreskin From the mobster's Code of Conduct to Five Ways to Pass the Time in Jail and even a chapter called Minestrone for the Mob Soul Fuhgeddaboutit is a must buy for both the serious mob professional and fans of this special way of life And we use the words must buy in the strictest sense **The Coupling Convention : Sex, Text, and Tradition in Black Women's Fiction** Ann duCille Associate Professor of English and African American Studies Wesleyan University, 1993-10-19 What does the tradition of marriage mean for people who have historically been deprived of its legal status Generally thought of as a convention of the white middle class the marriage plot has received little attention from critics of African American literature In this study Ann duCille uses texts such as Nella Larsen's Quicksand 1928 and Zora Neale Hurston's Their Eyes Were Watching God 1937 to demonstrate that the African American novel like its European and Anglo American counterparts has developed around the marriage plot what she calls the coupling convention Exploring

the relationship between racial ideology and literary and social conventions duCille uses the coupling convention to trace the historical development of the African American women s novel She demonstrates the ways in which black women appropriated this novelistic device as a means of expressing and reclaiming their own identity More than just a study of the marriage tradition in black women s fiction however *The Coupling Convention* takes up and takes on many different meanings of tradition It challenges the notion of a single black literary tradition or of a single black feminist literary canon grounded in specifically black female language and experience as it explores the ways in which white and black male and female mainstream and marginalized traditions and canons have influenced and cross fertilized each other Much more than a period study *The Coupling Convention* spans the period from 1853 to 1948 addressing the vital questions of gender subjectivity race and the canon that inform literary study today In this original work duCille offers a new paradigm for reading black women s fiction

20 (Surprisingly Simple) Rules and Tools for a Great Marriage Steve Stephens,2002-12-10 Best selling author Dr Steve Stephens offers concrete yet simple ways to build marriages today even when life speeds by at a frantic pace Along with a prayer to ask for God s help each chapter offers ideas and tools that make following rules like Accept Differences Listen Carefully and Compliment Daily easy Readers will be surprised at how applying these simple rules can make a good marriage even better or keep a struggling marriage from falling apart

Handbook of Human Sexuality Benjamin B. Wolman,1993 Presents a survey of what is known about sexual disorders and their treatment It covers all the therapeutic approaches to sexual dysfunction psychoanalytic behavioural Masters and Johnson s Helen Kaplan s and the holistic

Rules of Engagement Lis Harris,2012-07-03 In this provocative book the acclaimed author of *Holy Days* Lis Harris offers a fascinating look at the institution of marriage how it is changing what it may yet become *Rules of Engagement* follows the trials and triumphs of four very real couples upper class Sarah and Eaton whose 1950s marriage has been transformed in the wake of feminism working class Mike and Claire who have struggled through multiple separations and reconciliations in their common law marriage middle class African Americans Carlita and Samuel striving to succeed with their two young children in an often hostile world and middle aged Neal and Vera idealists whose relationship has survived an experiment with open marriage From these four couples Harris draws invaluable lessons about relationships in general and about the unique nature of American marriage an institution that continues to thrive in an ever changing world because of our willingness to experiment with and reinvent it

**The Feminist War on God's Law, Form #17.068** Brook Stockton,2023-09-14 Biblical view of feminism and how to fight it in the church

**Sex Under the Swastika** Tim Heath,2023-02-16 Sex under the Swastika is a journey through the dark secretive corridors of the Third Reich s powerbase and it s near pathological sexual obsession with young women sex Satanism and the occult Based on interviews eyewitness accounts and using newly revealed material from the sons and daughters of former SS officers who were part of Adolf Hitler and Reinhard Heydrich s personal staff we learn about the sexual conduct affairs scandals and fetishes of some of Hitler s

most trusted advocates who used their positions of trust to execute their warped fantasies It reveals how many leading Nazi s were actively involved in occult rituals and sexual practices and how the abuse suffered by many young men and women was only permissible through the filtering down from the highest echelons of the regime which was prepared to turn a blind eye Learn about the exotic sex and drug fuelled private cocktail parties of the Nazi political elite that spread far and wide into the society over which it presided An unapologetically provocative volume Sex Under the Swastika is an exploration of the Third Reich s darkest secrets which left blood on the crisp white sheets of a nation and caused many to remain silent for decades after the death of National Socialist Germany This unique work leaves the reader to make up his or her own mind as to the perverse warped nature and the guilt and complicity of one of history s most sexually exploitive and evil empires *Toxic Diversity* Dan Subotnik,2005-07-01 Toxic Diversity offers an invigorating view of race gender and law in America Analyzing the work of preeminent legal scholars such as Patricia Williams Derrick Bell Lani Guinier and Richard Delgado Dan Subotnik argues that race and gender theorists poison our social and intellectual environment by almost deliberately misinterpreting racial interaction and data and turning white males into victimizers Far from energizing women and minorities Subotnik concludes theorists divert their energies from implementing America s social justice agenda Insisting in the words of James Baldwin that not everything that is faced can be changed but nothing can be changed until it is faced and that thoughtful Americans regardless of race and gender can handle frank conversations about difficult topics Subotnik s critique of race and gender theory pulls no punches as it confronts such inflammatory issues as single parenthood the merit system in academic and business settings gender privilege in the classroom and crime **Sex in Relation to Society** Havelock Ellis,1910

Arranged Marriage Péter Berta,2023-03-17 Arranged Marriage The Politics of Tradition Resistance and Change shows how arranged marriage practices have been undergoing transformation as a result of global and other processes such as the revolution of digital technology democratization of transnational mobility or shifting significance of patriarchal power structures The ethnographically informed chapters not only highlight how the gendered and intergenerational politics of agency autonomy choice consent and intimacy work in the contexts of partner choice and management of marriage but also point out that arranged marriages are increasingly varied and they can be reshaped reinvented and reinterpreted flexibly in response to individual family religious class ethnic and other desires needs and constraints The authors convincingly demonstrate that a nuanced investigation of the reasons complex dynamics and consequences of arranged marriages offers a refreshing analytical lens that can significantly contribute to a deeper understanding of other phenomena such as globalization modernization and international migration as well as patriarchal value regimes intergenerational power imbalances and gendered subordination and vulnerability of women *Language in Society in Bangladesh and Beyond* Shaila Sultana,Mian Md. Naushaad Kabir,Md. Zulfeqar Haider,Mohammad Moninoor Roshid,M. Obaidul Hamid,2023-11-29 This collection presents a holistic picture of the sociolinguistic landscape in Bangladesh offering a critical understanding of

language ideologies and social inequalities in the country as they connect more widely to dynamics in the Global South The book seeks to untangle the voices embedded in the language practices of a range of communities and professions in the region which have been little studied in the literature and encourage a rethinking of the relationships between language and nationality class ethnicity race and gender Highlighting perspectives from established and emerging researchers and drawing on a wide range of theoretical approaches and methodologies the volume is organized around such key themes as bilingualism and diglossia language variation across domains language and identity in literature and the interconnectedness of language identity and globalization Taken together the collection calls attention to the socially and spatially situated nature of language practices in Bangladesh and in turn the ways in which scholars in the Global South make sense of the sociolinguistic landscape at both the local and global levels This book will appeal to scholars working in sociolinguistics particularly those working on language policy language and identity language variation and in or about the Global South

**Faithful** Beth Felker Jones, 2015-05-05 Many believers accept traditional Christian sexual morality but have very little idea why it matters for the Christian life In *Faithful* author Beth Felker Jones sketches a theology of sexuality that demonstrates sex is not about legalistic morals with no basis in reality but rather about the God who is faithful to us In Hosea 2 19 20 God says to Israel I will take you for my wife forever I will take you for my wife in righteousness and in justice in steadfast love and in mercy I will take you for my wife in faithfulness and you shall know the Lord This short book explores the goodness of sexuality as created and redeemed and it suggests ways to navigate the difficulties of living in a world in which sexuality like everything else suffers the effects of the fall As part of Zondervan's Ordinary Theology series *Faithful* takes a deeper look at a subject Christians talk about often but not always thoughtfully This short insightful reflection explores the deeper significance of the body and sexuality

*Singleness and the Church* Jana Marguerite Bennett, 2017 Singleness is a much overlooked treasure in Christian tradition In these pages Christians single and married alike can rediscover the richness of singleness in its great variety This book offers thought provoking cultural and theological analysis along with voices of single Christian people down through the centuries

*The Fires of Lust* Katherine Harvey, 2022-11-28 An illuminating exploration of the surprisingly familiar sex lives of ordinary medieval people The medieval humoral system of medicine suggested that it was possible to die from having too much or too little sex while the Roman Catholic Church taught that virginity was the ideal state Holy men and women committed themselves to lifelong abstinence in the name of religion Everyone was forced to conform to restrictive rules about who they could have sex with in what way how often and even when and could be harshly punished for getting it wrong Other experiences are more familiar Like us medieval people faced challenges in finding a suitable partner or trying to get pregnant or trying not to They also struggled with many of the same social issues such as whether prostitution should be legalized Above all they shared our fondness for dirty jokes and erotic images By exploring their sex lives the book brings ordinary medieval people to life and reveals details of their most personal

thoughts and experiences Ultimately it provides us with an important and intimate connection to the past
