Among the more important areas of revision are more modern and appropriate usage; is given for the chair's invitation to members to speak in debate or offer secondary motions after stating the question on a motion; the rule relating to the power of replacement of members on committees by the appointing authority is clarified; formal recognition is given to the practice of sending a suggested agenda to members in advance of a meeting; a subsection of hints to inexperienced presiding officers had been improved; greater prominence is given to rules relating to the growing practice of nominating for office by petition; specifications are provided for methods of expediting roll call voting in very large conventions and calling a roll by delegation rather than by individuals. In addition, the ninth edition of Robert's Rules of Order Newly Revised includes a special section printed on tinted paper which summarizes rules related to motions for quick and easy access.
