Duffy,2009 Circumstances placed John Redmond and the Irish Parliamentary Party at the center of British politics in 1912 After more than a century of struggle Irish nationalists looked likely to return a parliament to Dublin that would allow the Irish people as one nation to determine their own domestic affairs Staunch Ulster Unionists stood in opposition determined to reject Home Rule for their region Alongside them were Unionist Party members who declared that

such an action would destroy the British Empire wreck the constitution and possibly foment a civil war Over the next decade the Home Rulers saw their cause betrayed and their party destroyed Asquith Lloyd George and Winston Churchill all served to undercut Redmond and his supporters in the interests of political expediency Four years of war in Europe followed by four years of conflict in Ireland led to a more radical approach to the Irish question that allowed Sinn Fein and the Irish Republican Army to make the nationalist cause their own By 1922 Eamon de Valera Michael Collins James Craig and their followers took possession of a divided Ireland embittered by the enmity of two Irish identities and the strains of factional strife

in society the very idea of culture as an inward operation of the mind A measure of the work's permanent influence is the number of current terms first coined in its pages terms such as Philistines Barbarians and the famous definition of culture as the best that has been thought and said Accused in some quarters of cultural elitism Arnold's ideas continue to occupy the foreground of the debate and for this reason the edition includes specially commissioned essays which set the text within contemporary multicultural perspectives
