Ruling Passions Sexual Violence Reputation And The Law:

Ruling Passions S. Lees,1990 **Ruling Passions** Sue Lees,1997 The legitimising of male violence against women and the way that women are represented in rape trials are part of the process that lead to injustice for women in today's Britain The author explores these themes whilst drawing upon Foucault's ideas *Sexual Violence and the Law in Japan* Catherine Burns,2013-04-15 This book provides a detailed examination of judicial decision making in Japanese cases involving sexual violence It describes the culture of eroticised violence in Japan which sees the feminine body as culpable and the legal system which encourages homogeneity and conformity in decision making and shows how the legal constraints confronting women claiming sexual assaults are enormous It includes analysis of specific case studies and a discussion of recent moves to address the problem Reputation and Defamation Lawrence McNamara,2007-12-13 The proposition that the tort of defamation protects reputation has long been axiomatic in the law The axiom's endurance is surprising it has long been observed that the law is riddled with inconsistencies and moreover the courts and the scholarly literature have rarely discussed exactly what reputation is and how judgments about reputation are made Reputation and Defamation develops a theory of reputation and uses it to analyse evaluate and propose a revision of the law It is the first book to present a comprehensive study of what reputation is how it functions and how it is and should be protected under the law Reputation it argues is best understood in terms of the moral judgments a community makes about its members Viewed in this way it becomes apparent contrary to the legal orthodoxy that defamation law did not really aim and function to protect reputation until the early nineteenth century Unfortunately the modern common law has not paid sufficient attention to either the nature of reputation or the historical relationship between reputation and defamation Consequently the tests for what is defamatory do not always protect reputation adequately or appropriately The shun and avoid and ridicule tests have developed so that a publication may be actionable even where it does not tend to prompt a negative moral judgment of the plaintiff These tests should be discarded The principal lowering the estimation test however is for the most part appropriately geared to the protection of reputation Importantly the scope of legal protection has been limited Words will only be actionable if they tend to make right thinking people think the less of the plaintiff The values of Christian tradition and Victorian moralism which became embedded in the concept of the right thinking person are problematic in the current era of moral diversity A revised legal framework is proposed It retains the principal test but rethinks how and why different criteria for moral judgment should or should not be recognised when courts determine whether an attack on reputation will be actionable as defamation It is argued that the right thinking person should be associated with an inclusive liberal premise of equal moral worth and a shared commitment to moral diversity The proposed framework demands that when courts recognise values at odds with that premise then such recognition must be justified on sound and expressly stated ethical grounds That demand serves to protect reputation appropriately and effectively in an age of moral diversity *Handbook on*

Thinking 10 Years On is not a traditional new edition although it does provide updated versions of substantive issues covered in the first edition Bringing the book to the cutting edge it incorporates both old and new contexts where sexual exploitation takes place identifying some knowledge gaps especially when considering the voices of complainants victims survivors who are invisible or muted numerous new areas of research including the implications arising from MeToo and Black Lives Matter movements the limitations of our present criminal justice systems and radical alternatives to closing the justice gap The new book reflects the global reach of research and thinking about rape including more international coverage with material from India the US Canada Australia and New Zealand as well as the UK In order to learn from our shared history in this field two authors reflect on their careers and other authors were encouraged to move away from conventional academic formats to convey their stories Bringing together leading researchers in the field of psychology sociology and law considering new research and presenting new data from a strong theoretical and contextual base the chapters are provocative and engage in innovative thinking whilst remaining grounded in the available evidence This book is essential reading for students of criminology forensic psychology sociology criminal justice law media studies and women s gender studies It also aims to inform professionals engaged in the investigation prosecution of rape support and preventative services

Violence in Everyday Life Aliraza Javaid, 2020-07-23 Violence in Everyday Life explores how identity markers such as gender and sexuality intersect with violence synthesizing the themes of gender sexuality and violence to offering a crucial and coherent framework for understanding the interrelationship between these concepts Aliraza Javaid explores how violence is experienced at a local regional and global level and considers the ways in which hegemonic masculinities are reproduced through violence Attention is given to the particular ways in which these constructions of masculinity are reflected in areas such as homophobic violence transphobic violence and violence against intimate partners Drawing on new empirical data and his own personal experiences of violence as well as identifying new areas for further research Javaid s work represents a unique study of the interconnectedness of violence gender and sexuality and of how violence is fuelled by society s attitudes towards masculinity

Law and Gender in Modern Ireland Lynsey Black, Peter Dunne, 2019-02-21 Law and Gender in Modern Ireland Critique and Reform is the first generalist text to tackle the intersection of law and gender in this jurisdiction for over two decades As such it could hardly have come at a more opportune moment The topic of law and gender perhaps more so than at any other time in Irish history has assumed a dominant place in political and academic debate Among scholars and policy makers alike the regulation of gendered bodies and the legal status of sexual and gendered identities is now a highly visible fault line in public discourse Debates over reproductive justice exemplified by the recent referendum to remove the 8th Amendment increased rights for lesbian gay bisexual and transgender persons including the public sanctioned introduction of same sex marriage and the historic mistreatment of women and young girls have re shaped Irish public and political life and encouraged Irish society to re examine long unchallenged gender norms While many traditional

flashpoints remain such as abortion and prostitution sex work there are also new questions including surrogacy and the gendered experience of asylum frameworks which have emerged As policy makers seek to enact reforms they face a population with increasingly polarised perceptions of gender and a legal structure ill equipped for modern realities This edited volume directly addresses modern Irish debates on law and gender Providing an overview of the existing rules and standards as well as exploring possible options for reform the collection stands as an important statement on the law in this jurisdiction and as an invaluable resource for pursuing gendered social change While the edited collection applies a doctrinal methodology to explain current statutes case law and administrative practices the contributors also invoke critical gender queer and race perspectives to identify and problematise existing and potential challenges This edited collection is essential reading for all who are interested in law gender and processes of social change in modern Ireland

Victimology Lorraine Wolhuter,Neil Olley,David Denham,2008-07-11 How should the needs of victims of crime be met by the criminal justice system Have the rights of victims been neglected in order to ensure that a defendant is brought to justice Who are the victims of crime and why are they targeted This new book examines the theoretical arguments concerning victimization before examining who victims actually are and the measures taken by the criminal justice system to enhance their position Particular attention is paid to the victimization of women LGBT persons minority ethnic persons and the elderly The book engages in a detailed exposition of the law s response to such victimization focusing on the measures adopted in international human rights law by the Council of Europe and in English law and policy It also assesses alternative models of victim participation in criminal proceedings in European jurisdictions such as Germany Sweden and the Netherlands Adopting an interdisciplinary approach which encompasses law criminology and social policy the book is ideal for undergraduates taking an option in victimology race and crime or gender and crime whatever their disciplinary background

Handbook of Victims and Victimology Sandra Walklate,2017-07-14 This second edition of the Handbook of Victims and Victimology presents a comprehensively revised and updated set of essays bringing together internationally recognised scholars and practitioners to offer substantial research informed overviews within their specialist fields of investigation This handbook is divided into five parts with each part addressing a different theme within victimology Part I offers a scene setting exploration of new developments in the field enduring issues that remain relatively unchanged and the gaps and traps within the contemporary victimological agenda Part II examines of the complex dimensions to victim experiences as structured by gender age ethnicity sexuality and intersectionality Part III reflects on the problems and possibilities of formulating policy responses in the light of the changing appreciation of the nature and extent of victimhood Part IV focused on the value of a comparative lens and the problems and possibilities of victim policies when seen through this lens explored along three geographical axes Europe Australia and Asia Part V considers other ways of thinking about who counts as a victim and what counts as victimhood and extends the boundaries of the victimological imagination outward Building on the

success of the previous edition this book provides an international focus on cutting edge issues in the field of victimology Including brand new chapters on intersectionality child victims sexuality hate crime and crimes of the powerful this handbook is essential reading for students and academics studying victims and victimology and an essential reference tool for those working within the victim support environment The Implicit Relation of Psychology and Law Fiona Raitt,Suzanne Zeedyk,2020-07-24 The Implicit Relation of Psychology and Law brings an innovative feminist analysis to these affiliated fields In addition to the explicit relationship between the two fields they argue that there is an unrecognised implicit relation existing within the intersection of psychology and law which they find works to the disadvantage of women

Feminist Perspectives on Evidence Mary Childs,Louise Ellison,2000-12-19 This text offers a collection of essays examining various aspects of the law of evidence Each chapter provides a feminist critique of some aspect of evidence scholarship and evidence law Much has been written about evidence and about feminist legal theory this text explores their intersection *Male Rape, Masculinities, and Sexualities* Aliraza Javaid,2018-10-08 This book critically explores the intersections between male rape masculinities and sexualities It examines the ways in which male rape is policed responded to and addressed by state and voluntary agencies in Britain The book uncovers how notions of gender sexualities and masculinities shape these agencies understanding of male rape and their views of men as victims of rape Javaid pays particular attention to the police and deconstructs police subculture to consider whether it influences and shapes the ways in which police officers provide services for male rape victims Grounded in qualitative interviews and data derived from the state and voluntary sector this book will be invaluable reading for sociologists criminologists and social scientists who are keen to learn more about gender policing sexual violence and male sexual victimisation *The Routledge Companion to Gender, Media and Violence* Karen Boyle,Susan Berridge,2023-08-25 With the heated discussion around MeToo journalistic reporting on domestic abuse and the popularity of true crime documentaries gendered media discourse around violence and harassment has never been more prominent The Routledge Companion to Gender Media and Violence is an outstanding reference source to the key topics problems and debates in this important subject and is the first collection on media and violence to take a gendered intersectional approach Comprising over 50 chapters by a team of interdisciplinary and international contributors the book is structured around the following parts News Representing reality Gender based violence online Feminist responses The media examples examined range from Australia to Zimbabwe and span print and online news documentary film and television podcasts pornography memoir comedy memes influencer videos and digital feminist protest Types of violence considered include domestic abuse honour based violence sexual violence and harassment female genital mutilation cutting child sexual abuse transphobic violence and the aftermath of conflict Good practice is considered in relation to both responsible news reporting and pedagogy The Routledge Companion to Gender Media and Violence is essential reading for students and researchers in Gender Studies Media Studies Sociology and Criminology
