

The background is an abstract composition of organic, flowing shapes in shades of blue, green, and brown. Overlaid on this is a faint, stylized portrait of a man with a white beard and a turban, likely representing the poet Rumi. The portrait is rendered in a soft, painterly style, with the face and beard in light tones and the turban in a darker shade.

The Return of the Mother Andrew Harvey,2013-08-20 Adapted from a series of lectures on

the historical basis and current resurgence of the sacred feminine given by Andrew Harvey at the California Institute of Integral Studies in Spring 1994 The Return of the Mother is a profound journey into the heart of the Divine Mother In this comprehensive and groundbreaking work mystical scholar Andrew Harvey unearths traces of the sacred feminine in major world religions Hinduism Islam Sufism Buddhism Taoism and Christianity and in aboriginal and indigenous wisdom traditions Harvey presents a scathing critique of the patriarchal distortions in religious history and doctrine that have obscured full knowledge of the Divine Mother and shows how to reintegrate this vital aspect into the spiritual consciousness of humankind The Return of the Mother offers a radical new perspective balancing the historical overemphasis on transcendence by honoring the immanence of the divine in passionate engagement in the world Only by cultivating a direct respectful relationship with the transformative power of the sacred feminine can we alter our disastrous attitude of dissociation from nature the body sexuality and the details of human life and generate the energy and compassion needed to reverse the course of destruction we have set the planet and all of life hurtling toward In lively question and answer sections Harvey further illuminates these vital issues and takes a strong stand against our dependence on gurus and masters proposing instead an egalitarian model of spiritual community based on intimate groups of mutually supportive guides and friends The Return of the Mother is an eloquent and passionate call for all of us to rediscover and reclaim an authentic and empowering relationship to the divine and recreate a sacred life in the world

 Rumi and al Ghazali **Sufism** William C. Chittick,2007-10-01 What is mysticism What does sufism mean today William C
 Chittick the leading scholar in the field offers a compelling insight into the origins context and key themes of this fascinating
 movement After a general overview of the tradition he draws upon the words of some of the greatest Sufi writers among
 them Ibn Arabi Baha Walad and Rumi himself to give a fresh and revealing perspective on the teachings and beliefs of Sufism
 and its proponents Fresh and authoritative this sympathetic book will be appreciated by anyone interested in Sufism from
 complete beginners to students scholars and experts alike **Fundamentals Of Rumi's Thought** Sefik Can,2006-01-01
 This work attempts to present Rumi to the English speaking world and to shed light on his life as seen from within the
 Islamic mystical tradition The knowledge presented in this work comes from Sefik Can a great expert of Rumi and who used
 to be the highest authority Sertariq of the Mevlevi Sufi order in Turkey until he passed away on January 24 2005 Two aspects
 of this work make it unique The first is that the book was originally authored by a man who is ninety five years old and who
 has dedicated his entire life to the teachings of Rumi Such a Mevlevi's view of Rumi makes this work greatly valuable The
 second important contribution to the book is the foreword which was translated by from the original Turkish written by M

 Safavi,Simon Weightman,2009-10-01 Reveals the sophisticated design of Rumi's Mathnawi showing that this seemingly
 unstructured work both describes and functions as spiritual training **What Happens in Mindfulness** John

 minds when we are mindful What does it mean to talk of mindfulness as a way of being From a scientific perspective how do

core elements of contemplative traditions have their beneficial effects Teasdale describes two types of knowing that human beings have evolved conceptual and holistic intuitive and shows how mindfulness can achieve a healthier balance between them He masterfully describes the mechanisms by which this shift in consciousness not only can reduce emotional suffering but also can lead to greater joy and compassion and a transformed sense of self **Rumi's Mathnavi** Joe Martin,2007

Drama In conjunction with UNESCO s designation of 2007 as the Year of Rumi the Asylum Arts imprint of Leaping Dog Press has released Joe Martin s Yousef Daoud s stage adaptation of Rumi s Mathnavi For ten years Rumi has been the best selling poet in America But until now most English speakers have found it almost impossible to get a sense of the world of his greatest work the Mathnavi This Asylum Arts edition of Joe Martin s dramatic adaptation aims to provide that opportunity This edition will give a wide audience an authentic taste of Rumi s six volume work in a reader s edition accompanied by photographs from the 2005 production of the play Radical Love Omid Safi,2018-01-01 This stunning collection showcases the love poetry and mystical teachings at the heart of the Islamic tradition in accurate and poetic original translations At a time when the association of Islam with violence dominates headlines this beautiful collection offers us a chance to see a radically different face of the Islamic tradition It traces a soaring poetic popular tradition that celebrates love for both humanity and the Divine as the ultimate path leading humanity back to God Safi brings together for the first time the passages of the Qur an sought by the Muslim sages the mystical sayings of the Prophet and the teachings of the path of Divine love Accurately and sensitively translated by leading scholar of Islam Omid Safi the writings of Jalal al Din Rumi can now be read alongside passages by Kharraqani Attar Hafez of Shiraz Abu Sa id e Abi l Khayr and other key Muslim mystics For the millions of readers whose lives have been touched by Rumi s poetry here is a chance to see the Arabic and Persian traditions that produced him *The Nature of the Sufi Path* Anab Whitehouse,2018-11-06 The material in *The Nature of the Sufi Path* consists of 70 commentaries on a book entitled *Sufism A Short Introduction* by Professor William C Chittick Many if not most of the paragraphs that comprise the 163 pages preface plus text of Professor Chittick s book contain problems errors misleading statements and or incorrect understandings concerning Islam in general and the Sufi path in particular This is both surprising and disturbing since the author is someone who apparently enjoys a considerable reputation in North America and perhaps elsewhere in the world as an expert on and scholar of the Sufi mystical tradition I do not claim that what I say in this book is a definitive exhaustive incapable of being improved upon treatment of the Sufi path Rather my hope is that the present book might move a person closer to the truth concerning the nature of that path than Professor Chittick s aforementioned introduction to *Sufism* does and as such would represent an improvement over his work **Folklore of Yorkshire** Kai Roberts,2013-04-01 The beautiful county of Yorkshire is the largest in England and yet still possesses a strong and cohesive regional identity Built on centuries of shared tradition a characteristic body of folklore has thrived and endured well into the present day Folklore of Yorkshire chronicles such beliefs throughout the whole county identifying distinctive

common themes placing them in their historical context and considering their social and psychological function You ll discover Yorkshire s holy wells and buried treasure its boggarts Black Dogs and fairies and the legends behind the county s stunning landscape This fully illustrated book shows how the customs of the past have influenced the ways of today whilst also revealing something about the nature of folklore itself both for the tradition bearers and those who collect it
