The 13th century poet and mystic Rumi has become one of the most popular spiritual voices of our time, known and loved by people of many faiths and worldviews for his rich metaphors, images, poems and stories. The Mysterion deepens our appreciation of his teachings by illuminating both the practical psychological dimension behind them as well as the universal spiritual truths they offer about what it means to be human. In this philosophical survey, Kabir Helminski, one of the foremost translators and writers of Sufi texts, gives us a contemporary lens through which to view and understand the Mysterion, the unifying concept that bridges the human and the divine and that connects the individual soul with spiritual Reality. This book is centered on that core unifying concept of the Mysterion, the essence and intrinsic meaning of being human. Rumi says Helminski would suggest that in our human existence we might accomplish many marvels but they will amount to little if we neglect cultivating the divine potential within us. Like a mirror, he says, we can reflect a spectrum of divine qualities depending on how polished and clean our mirror is. Likewise, our mirrors can become distorted and corroded by egoism and negativity. Our practical work, says Helminski, and Rumi's is to remove distortions from our souls and align ourselves with this higher order reality and divine agency through humility, reverence, surrender and love. **Sacred Laughter of the Sufis** Imam Jamal Rahman, 2014-04-01 A first of its kind combination of the legendary wisdom stories of Islam's great comic foil with spiritual insights for seekers of all traditions or none. We would do well to heed the Mulla's wisdom. One day inevitably our personal storms will not abate before causing destruction. Something will break our hearts and cause us to ask deeper questions. At that point we will become spiritual seekers each in our own way. We will begin to hear deep inside the mysterious calling of our soul to fulfill the purpose for which we were created. From the chapter The Storms in Our Lives, The mythical Mulla Nasruddin is a village simpleton and sage rolled into one. His wisdom stories, timeless and placeless, emanate from a source beyond book learning and contain several layers of meaning. In this unique presentation, Imam Jamal Rahman weaves together spiritual insights with the Mulla's humorous teaching stories and connects them to the issues at the heart of the spiritual quest. Addressing such topics as human vulnerability, the rigors of inner and outer spiritual work, the hazards of the ego and more, he roots the Mulla's stories in Islamic spirituality by pairing them with sayings from the Qur'an, the Prophet Muhammad, Rumi, Hafiz and other Islamic sages. Together, these sources combined with spiritual practices will awaken your spirit with laughter and inspire you to transform yourself and the world around you. **The Experience of Divine**

Guidance Mark Allan Kaplan, 2007 **Rumi** Rumi, 2013-04-01 Championed by the likes of Madonna Donna Karan and Deepak Chopra Rumi has won such a following in this country that a few years ago he was proclaimed our bestselling poet But translations that have popularized the work of this thirteenth century Sufi mystic have also strayed from its essence In this new translation Farrukh Dhondy seeks to recover both the lyrical beauty and the spiritual essence of the original verse In poems of love and devotion rapture and suffering loss and yearning for oneness Dhondy has rediscovered the Islamic mystic of spiritual awakening whose quest is the key to his universal appeal Here is at once a great poet of love both human and divine and the authentic voice of a moderate Islam a voice that can resonate in today's turbulent fundamentalist times
