Rumors Of Existence:

Rumors of Existence Matthew A. Bille, 1995 Author Matthew Bille seeks to introduce readers to discoveries rediscoveries and sightings of unclassified creatures made since the 1960 s Despite the intensive exploitation of our planet there remain surprising gaps in our knowledge of the animal world New birds mammals reptiles fishes and amphibians are still described every year Bille seeks to introduce readers to discoveries rediscoveries and sightings of unclassified creatures made since the 1960 s the animals being presented include large mammals from Vietnam a Tasmanian pouched wolf pygmy elephants and a dolphin with two dorsal fins Exhaustively researched and scientifically accurate Rumors of Existence is a testimonial to the variety of life existing on this plant and a plea to explore and preserve what remains of the wild **Into My Life** Diane Huberty, 2019-05-26 If you were ever a victim of Beatlemania this book is for you In the tradition of teenagers around the world as a teenager the author had fantasized about meeting the Beatles A strange thing happened to those teenage stories though They grew up and became a realistic story of one girl who did meet the Beatles Tess Martin is an ordinary girl who is thrown into an extraordinary situation and tells her story so believably you quickly forget she and her experiences are fictional Grounded in the reality of the 60 s the difficulties of fame the discovery uncertainty and awakening sexuality of first love her story incorporates Beatles history that makes it something that could have happened characterizations of them that fans can believe and a story line that will enchant amuse startle and keep you up half the night needing to read just one more chapter Metamorphosis Shai Biderman, Ido Lewit, 2016-02-26 The idea of a visual manifestation of the work of Franz Kafka was denied by many first and foremost by Kafka himself who famously urged his publisher to avoid an image of an insect on the cover of Metamorphosis Be that as it may it is unlikely that such a central progenitor of twentieth century art and thought as Kafka can be fully understood without reference to the revolutionary artistic medium of his century cinema Metamorphosis compiles articles by some of today s leading forces in the scholarship of Kafka as well as film studies to provide a thorough investigation of the reciprocal relations between Kafka s work and the cinematic medium The volume approaches the theoretical integration of Kafka and cinema via such issues as the cinematic qualities in Kafka s prose and the possibility of a visual manifestation of the Kafkaesque Alongside these debates the book investigates the capacity of cinema to incorporate and express the unique qualities of a Kafkaesque world through an analysis of cinematic adaptations of Kafka s prose such as Michael Haneke s The Castle 1997 and Straub Huillet s Class Relations 1984 as well as films that carry a more subtle relation to Kafka s oeuvre such as the cinematic works of David Cronenberg the films of the Coen brothers Chris Marker s film essay Charlie Chaplin s tramp and others **Reports of Cases Determined in the Supreme Court of the State of California** California. The Indomitable Investor Steven M. Sears, 2014-10-20 A new approach to investing based on how Wall Street insiders approach the market The Indomitable Investor deconstructs the stock market as the public has come to know it and reconstitutes it from the inside out from the perspective of the fortunate few who dominate Wall Street By revealing how top investors and traders think and act Steven Sears shows the stock market to be an undulating ocean of money with seasoned investors reading the waves others cannot Teaching readers to think about the market in radically different ways The Indomitable Investor shows how to improve returns and just as importantly avoid losses with disciplines deployed by people who almost always do exactly the opposite of what Wall Street says to do Laying bare great fallacies the book explains that non professional investors wrongly think the stock market is a place to make money which is what Wall Street wants them to try to do The Indomitable Investor says otherwise and shows how Wall Street s best investors have a completely different focus Explains the critical ideas and insights of top traders and investors in language anyone can understand and implement Packed with material rarely shared off Wall Street that is used every day by professional investors Introduces the 17 most important words on Wall Street Teaches critical skills including How to increase returns by focusing on risk not potential profits how to use the stock market s historical patterns to optimize investment decisions understanding key relationships between stocks and the economy that predict what will happen to stocks and the broader market how to increase mutual fund returns with an easy adjustment that redirects the bulk of profits to you not mutual fund companies and how to analyze information like seasoned investors to move beyond statement of the obvious news reports that turn ordinary investors into Dumb Money Accessible to readers of all backgrounds including those with a limited understanding of investing The Indomitable Investor will change how investors view the stock market Wall Street and themselves

Rumors and Rumor Control Allan J. Kimmel, 2013-05-13 This book offers a thorough examination of rumors and proposes strategies for organizations to use in combatting rumors that occur both internally and externally Author Allan J Kimmel explores the rumor phenomenon and distinguishes it as a distinct form of communication He looks at psychological and social processes underlying rumor transmission to understand the circumstances under which people invent and circulate rumors In addition he examines how rumors are spread both interpersonally and through mediated processes and offers strategies for organizations to respond to rumors when they surface and methods for preventing their occurrence Numerous examples are provided of actual rumor cases for which managers either successfully or unsuccessfully coped including such companies as Procter Gamble McDonald s Snapple Pepsi Cola and Gerber Intended to serve as a comprehensive compendium of strategies this book was written with two objectives in mind The first is to shed light on the often perplexing phenomenon of rumor by integrating disparate approaches from the behavioral sciences marketing and communication fields The second is to offer a

blueprint for going about the formidable tasks of attempting to prevent and neutralize rumors in business contexts With these dual goals in mind one theoretical the other applied this book will be of equal interest to both academics and managers in a wide range of professional contexts In addition it will guide organizational and marketing managers in their efforts to combat the potentially destructive consequences of rumors Race, Ethnicity and Publishing in America C.
