Rumours Of War:

Rumors of War and Infernal Machines Charles E. Gannon,2005-08-04 This provocative and unique work reveals the remarkably influential role of futuristic literature on contemporary political power in America Tracing this phenomenon from its roots in Victorian Britain Gannon convincingly demonstrates that military fiction anticipated and eve **Freedom or Security** Michael Freeman,2003-05-30 Several democratic countries have used emergency powers to restrict or suspend individual liberties in order to fight terrorism more effectively Emergency powers are controversial in their potential to undermine democracy and civil liberties Freeman challenges popular arguments of both the supporters of emergency powers who focus on their expected effectiveness and the critics who focus on the dangers In reality the recent experiences of four different democratic states that have invoked emergency powers show that a positive outcome is just as likely as negative outcome As the United States fights its war against terrorism it should heed the lessons learned by other democracies in similar struggles particularly Great Britain s relationship with Northern Ireland in the 70s and 80s Uruguay s response to the Tupamaros in the late 60s and early 70s Canada s dealings with the FLQ in 1970 and Peru s conflict with the Shining Path movement in the 80s and early 90s *The Living Age* ,1867 **Littell's Living Age** Eliakim Littell,Robert S. Littell,1868

Popular Perceptions of Soviet Politics in the 1920s O. Velikanova,2013-01-28 This is the first study of popular opinions in Soviet society in the 1920s These voices which made the Russian revolution characterize reactions to mobilization politics patriotic militarizing campaigns the tenth anniversary of the revolution and state attempts to unite the nation around a new Soviet identity **Littell's Living Age** ,1868 *Being Soviet* Timothy Johnston,2011-08-18 Being Soviet adopts a refreshing and innovative approach to the crucial years between 1939 and 1953 in the USSR It examines how the language of Soviet identity evolved in this period and how ordinary citizens responded to that shift **Late Stalinist Russia** Juliane Fürst,2006-09-27 The late Stalinist period long neglected by researchers more interested in the high profile events of the 1930s has recently become the focus of much new research by people keen to understand the enormous impact of the war on Soviet society and to understand Soviet life under mature socialism Written by top scholars from high profile universities this impressive work brings together much new cutting edge research on a wide range of aspects of late Stalinist society Filling a gap in the literature it focuses above all on the experience of the Soviet people and their interaction with ideology state policy and national and international politics Monthly Report United Society of Boilermakers and Iron and Steel Shipbuilders,1916 **The World in World Wars** Heike Liebau,2010-09-24 The volume contributes to the growing field of research on the global social history of the World Wars Focusing on social and cultural aspects it discusses the broader implications of the wars for African and Asian societies which resulted in significant social and political transformations *A Soldier's Experience* Timothy Gowing,1892 **Proceedings of the Royal Society of Medicine** Royal Society of Medicine (Great Britain),1916 Comprises the proceedings of the various sections of the society each with separate t p and pagination

The Algebra of Warfare-Welfare Irfan Ahmad, Pralay Kanungo, 2018-12-24 Electoral democracy combines the ideas and practices of warfare and welfare where both work in tandem as near synonyms India's robust electoral democracy exemplifies this combination in diverse forms Critically analysing the 2014 Parliamentary elections beyond the seduction of immediacy and bare cold statistics this book puts human subjectivity at the centre of election studies and through an anthropological sociological approach makes lives human and non human lived and unlived or unlivable central to any understanding of elections and democracy Crafting a new comprehensive approach this volume looks at the 2014 elections in relation to the changing nature and forms of elections and democracy globally Coming from multidisciplinary backgrounds the contributors to this volume use ethnographic observations to open up a space for new theoretical and methodological reflections on the role of media in Indian elections the shift to the right in 2014 and its consequences the significance of traditional Hindu spaces such as the river Ganga in BJP's victory the role of gurus like Baba Ramdev and the electoral choices available to and exercised by the minorities among others

Crowd and Rumour in Shakespeare Kai Wiegandt, 2016-04-22 In this study the author offers new interpretations of Shakespeare's works in the context of two major contemporary notions of collectivity the crowd and rumour The plays illustrate that rumour and crowd are mutually dependent they also betray a fascination with the fact that crowd and rumour make individuality disappear Shakespeare dramatizes these mechanisms relating the crowd to class conflict to rhetoric to the theatre and to the organization of the state and linking rumour to fear to fame and to philosophical doubt Paying attention to all levels of collectivity Wiegandt emphasizes the close relationship between the crowd onstage and the Elizabethan audience He argues that there was a significant and sometimes precarious metatheatrical blurring between the crowd on the stage and the crowd around the stage in performances of crowd scenes The book's focus on crowd and rumour provides fresh insights on the central problems of some of Shakespeare's most contentiously debated plays and offers an alternative to the dominant tradition of celebrating Shakespeare as the origin of modern individualism

Social Psychology Rajendra Kumar Sharma, Rachana Sharma, 1997 The Matter Of This Book Has Been Drawn From Authentic Sources Books Written By Western Scholars And Papers Published In Eminent Journals The Subject Has Been Presented In An Analytical Style With Central Side And Running Headings To Facilitate Understanding Selected Questions Actually Asked In Various University Examinations Have Been Given At The End Of Each Chapter For The Purpose Of Preparation For The Examinations Bibliography At The End Is For Those Who Wish To Engage In Intense And Wide Reading

Rumor Mills Veronique Campion-Vincent, 2017-07-05 The goal of this volume is to explore the social and political dynamics of rumor and the related concept of urban or contemporary legend These forms of communication often appear in tandem with social problems

including riots racial or political violence and social and economic upheavals The volume emphasizes the connection of rumor to a set of social concerns from government corruption and corporate scandal to racial religious and other prejudices Central to the dialogue are issues of truth belief history public policy and evidence Rumor has been recognized as one of the most important contributing factors to violence and discrimination Yet despite its significance in exacerbating social discord and mistrust little systematic scholarly attention has been paid to the political origins and consequences of rumor Rumor is defined as a proposition for belief that is not backed by secure standards of evidence Rumor can be traditional or not and can be expressed as a simple claim of fact In both instances groups of claim makers operating out of their own interests and with a set of resources attempt to depict reality and if possible impact the future The need for this book is underscored by changing patterns of technology What in the past was grounded in face to face interaction is now often found on the Internet which is a major source of rumor An appreciation of how new electronic forms of communication affect communal belief is essential for explicating rumor dynamics The volume is comprehensive Essays cover race and ethnicity migration and globalization corporate malfeasance and state and government corruption While editors and contributors well appreciate the dynamic nature of rumors and legends the high quality of the effort make it evident that the issues that are raised and reoccur will serve to channel and inspire research in this major field of communications research for years to come
