Moody PhD,2023-09-18 Dr Moody offers a compelling and sometimes humorous call to live a joyful hopeful life as a Christian and as a Citizen even when dealing with myriad personal problems discouraging political division and global challenges such as recession pandemic or even war Basing his encouragement out of a fresh reading of Paul s Epistle to the Philippians this experienced pastor parent and scholar invites you to draw inspiration from this ancient letter for our living in the modern often chaotic and confusing world These short essays on Christian living will bless you and make you a stronger wiser person **Redeeming How We Talk** Ken Wytsma,A. J. Swoboda,2018-06-05 Discover why words matter in a noisy world Technology has made it easier than ever before to share just about everything pictures ideas even the ups and downs of your morning errand run Yet all our talking doesn t seem to be connecting us the way it promised to That s because we don t need to talk more we need to talk better Redeeming How We Talk explores what the Bible has to say about that central aspect of life and relationships conversation The Scriptures show us that words have remarkable power to create to bless to encourage to forgive Imagine how we as Christians could spark change in our families churches and communities if we learned to use words like Jesus did By weaving together theology history and philosophy Ken Wytsma and A J Swoboda help us reclaim the holiness of human speech and the relevance of meaningful conversation in our culture today *Soaring Hope* Lynn Thrush,Perry Engle,2012-10-16 See the world with hopeful eyes Reading the Bible with an open imagination allows you to see the world as God intends In much of the world the good news of God has been reduced to a personal private psychological interaction with God that gets one ready to go to Heaven This version of the gospel does not envision God s Kingdom coming on earth and His will being done here as it is in Heaven thus hope for what might be is aborted If you believe that Christian faith is largely irrelevant to world events and that Christians have little to offer history *Soaring Hope* is a thrilling clarion call to reality the reality of life more wonderful than you have ever imagined When assumptions of what cannot be done on earth are removed and the Scriptures are allowed to speak their great hope that God is reconciling all things to Himself then faith arises Jesus said According to your faith may it be to you Matt 9 29 As faith rises the closer you move toward God With *Soaring Hope* you can snuggle right up into the arms of your heavenly Father today Poem Central Shirley McPhillips,2023-10-10 In everything we have to understand poetry can help Tony Hoagland Harper s April 2013 In *Poem Central* Word Journeys with Readers and Writers Shirley McPhillips helps us better understand the central role poetry can play in our personal lives and in the life of our classrooms She introduces us to professional poets teachers and students people of different ages and walks of life who are actively engaged in reading and making poems Their stories and their work show us the power of poems to illuminate the

The Messiah Prophecy Murders Charles LeRoy Janes,2022-06-10 If Quentin Tarantino and Fyodor Dostoyevsky were to meet on a street in old St Petersburg and agree to collaborate on a story the Messiah Prophecy Murders is the story they would write Deep in war torn Poland in September 1939 a Red Army soldier about to execute a wounded Polish officer is brought to a trembling halt when he recognizes the officer as a boyhood friend s father who had been deeply generous to his own father when he was in desperate need of help to feed his impoverished family With the recollection of the father s acts of kindness the soldier hesitates fires a round harmlessly into the ground and whispers to the officer to lie still so that nearby soldiers who heard the shot will think their comrade did his duty and finished off the enemy officer The consequences of that act of mercy then caromed through time and space and the lives of the combatants and their progeny to land in a courtroom in Newport Rhode Island in a trial for murder in which the Polish officer s son Piotr Zaborski has been

framed and betrayed by the soldier's son Nicolay Speshnev both of whom are naturalized U S citizens after having immigrated from Poland in their teens nearly thirty years earlier In the aftermath of the 9 11 attack on the World Trade Center the posh resort community of Newport was convulsed by the slayings of the stunningly beautiful daughters of three of its ultra wealthy Summer Colony families The features of the murders and the evidence found at each of the crime scenes most notably a handwritten prophecy of Christ's Second Coming strongly suggest that the killer is driven by depraved religious compulsions and obsessions Suspicion falls heavily on Zaborski who years earlier while a novice at a nearby Benedictine monastery was expelled from the monastery for mysterious reasons Since his expulsion he has become a fixture on the streets of Newport known for his often homeless destitute and eccentric existence for his ostentatious and frequent public displays of intense religiosity and aggressive Pro Life advocacy and for his irrepressible habit of endlessly and seemingly aimlessly roaming the streets of Newport at all hours of the day and night dressed in filthy dumpster clothing embellished by an ever present outsized monk's rosary and crucifix draped conspicuously around his neck In the heated nearly hysterical atmosphere of Newport in the weeks after the murders the unsubstantiated accusations and inchoate suspicions directed at Zaborski harden into the conviction that he is the killer when law enforcement leaks to the media the text of the crime scene prophecies and the reports of forensic experts concluding that the prophecies were written in Zaborski's hand With public opinion howling for Zaborski's neck and with the summer tourist season fast approaching the city fathers mount a campaign of their own to pressure law enforcement into arresting Zaborski in the hope that with his arrest Newport will be able to return to its customary celebratory and pleasure seeking ways with crowded sun dappled beaches packed hotels and boisterous bars and restaurants The hope proves illusory however as the murder and mayhem continue even after Zaborski's arrest and incarceration pending trial From his perch as the maitre d of one of Newport's poshest waterfront restaurants the psychopathic but Armani sleek and charismatic Speshnev resumes his bloody siege of Newport which keeps the resort community in the grip of a crippling fear and dread Despite the further acts of violence while Zaborski is incarcerated the state relentlessly pursues its indictment against him Eventually it is only through the tenacious investigative efforts of Zaborski's pro bono but celebrated Boston defense counsel Anthony Caro and Caro's local Newport co counsel and love interest Maura Boyle that the long ago events in Poland are unearthed That all leads to the evidence that wins Zaborski's acquittal at trial and to the arrest of Speshnev for the murders
