Rumpelstiltskin's Secret Harry Rand, 2019-12-09 Everyone knows Rumpelstiltskin's story or thinks they do. But this innocent seeming tale hides generations of women's shrewd accounts of their relationships with men. And the verdict is not flattering. The fairytale may count among the world's oldest dirty jokes. The theme of the tale, an observation repeated and varied throughout, mocks male inadequacy in many forms, beginning with sexual failure. The punchline misplaced over time, its wickedly funny insights about adult life passed for childish nonsense. The story hides in plain sight criticism of workplace sexual harassment centuries before society took notice of the indignity. Rumpelstiltskin tells a feminist tale with lessons for men and women about what women said to each other when they thought their private conversation and complaints passed unnoticed. In the story's different versions, the Brothers Grimm, who recorded the tale, missed women's wry observations.

Hansel and Gretel, Rumpelstiltskin Rhody Cohon, Stacia Deutsch, 2010 Two children lost in the woods find a house made of treats. But it is owned by a witch. An odd little man helps a young woman turn straw into gold for a terrible price. How will they get out of their difficult situations? Read these stories to find out. *The Sisters Grimm 9-Book Collection* Michael Buckley, 2024-12-24 Dive into the enchanting adventures of Sabrina and Daphne Grimm in this complete 9 volume collection of The Sisters Grimm series by Michael Buckley. Folktales Retold Amie A. Dougherty, 2015-03-14 Folktales and fairy tales are living stories as part of the oral tradition they change and evolve as they are retold from generation to generation In the last thirty years however revision has become an art form of its own with tales intentionally revised to achieve humorous effect send political messages add different cultural or regional elements try out new narrative voices and more These revisions take all forms from short stories to novel length narratives to poems plays musicals films and advertisements The resulting tales paint the tales from myriad perspectives using the broad palette of human creativity This study examines folktale revisions from many angles drawing on examples primarily from revisions of Western European traditional tales such as those of the Grimm Brothers and Charles Perrault Also discussed are new folktales that combine traditional storylines with commentary on modern life The conclusion considers how revisionists poke fun at and struggle to understand stories that sometimes made little sense to start with
