Rumpole And The Younger Generation:

Rumpole and the Younger Generation John Mortimer, 1995 **Rumpole and His Rivals** Peter Robson, 2025-02-15

Rumpole and His Rivals examines comic legal fiction and the role it plays in the public's understanding of the legal system. The work focuses on the writings of eight lawyer authors over the past century and traces the different approaches taken in this form of comedic literature. Over sixty comic legal fiction books have been published in Britain between 1924 and 2024 with the desire of their authors not only to entertain but to inform, educate and create a valuable resource for anyone seeking to understand how and why the rule of law and legal profession have garnered the current reputation and level of confidence which they have.

Forever Rumpole John Mortimer, Ann Mallalieu, 2011-11-10 John Mortimer, novelist, playwright, memoirist and the author of more than eighty Rumpole short stories, will never be forgotten. While still a practicing barrister, Mortimer took up the pen and the rest is literary history. His stories featuring the cigar-chomping, cheap wine-tipping Rumpole and his wife Hilda aka She Who Must Be Obeyed have justly earned their place in the pantheon of mystery fiction legends, becoming the basis for the very successful television series Rumpole of the Bailey. Bringing fourteen of Rumpole's most entertaining adventures, seven of which were collected in *The Best of Rumpole* together with a fragment of a new story, *Forever Rumpole* proves beyond a reasonable doubt that Rumpole is never less than delightful.

The Collected Stories of Rumpole John Mortimer, 2013-04-04 Horace Rumpole, witty, eloquent, dishevelled and cynical, is one of fiction's best-loved barristers at law. In these twenty classic tales, Rumpole battles through the Old Bailey, whether defending various members of an incompetent South London crime family, taking on haute cuisine chefs and showfolk, or mocking the pomposity of his own profession, all the while being held in check by his wife Hilda, the wonderful, fearsome She Who Must Be Obeyed. These collected stories in Penguin Modern Classics for the first time are a definitive introduction to one of the wisest and wittiest characters in British comic writing and a reminder of what justice should really be about. With a new introduction by Sam Leith, former literary editor of the *Daily Telegraph* and contributor to the *Evening Standard*, *Guardian* and *Spectator*.

The First Rumpole Omnibus John Mortimer, 1984-01-03 Who rose to enduring fame on *Blood and Typewriters*, told the pregnant Portia of the Chambers it would come out in the end, advised Guthrie Featherstone QC to adopt a more judicial attitude, returned in the tender gloaming of each evening via Pommeroy's and a glass of Chateau Fleet Street to She Who Must Be Obeyed: The answer is Horace Rumpole, whose legal triumphs, plundering stories into the *Oxford Book of English Verse* and less than salubrious hat are celebrated here in this first omnibus edition.

John Mortimer Graham Lord, 2013-12-03 In Britain every generation produces a national treasure, a lovable figure so English that he could not possibly be of any other nationality, and Sir John Mortimer is just such a figure. Mortimer has delighted millions all over the world with seven television series about the gloriously larger-than-life fictional barrister Horace Rumpole, Rumpole of the Bailey, as well as novels, autobiographies, stage plays, film scripts, short stories, television and radio plays, newspaper articles and even an opera.

and a ballet Laurence Olivier John Gielgud and Alec Guinness appeared in his plays and among his greatest theatrical triumphs is his stage and television play *A Voyage Round My Father* He won a British Book Awards trophy for Lifetime Achievement in 2005 Mortimer actually practiced as a barrister for thirty six years defending husbands wives pornographers and murderers in court and starring as the real life Devil s Advocate in several legendary obscenity and blasphemy cases in the 1970s quickly becoming a liberal hero Yet despite huge success fame and knighthood there lurks beneath that genial champagne socialist mask an unusually complex man who has been plagued by depression doubt insecurity and an irresistible urge to commit adultery Biographer Graham Lord whose discovery that Mortimer had a secret son by the British actress Wendy Craig forced Sir John to admit it publicly in 2004 has interviewed scores of Mortimer s family friends mistresses and enemies to write a frank and vital biography that reveals the startling reality behind the beloved public figure Breathless prose and many juicy revelations an absorbing read Kirkus Reviews
