THE MAKING OF AN ARTFUL WARRIOR

MIDGE DECTER

# Rumsfeld A Personal Portrait

**Dale Roy Herspring**

## **Rumsfeld A Personal Portrait:**

**Rumsfeld** Midge Decter, 2006-08 The sudden rise of Donald Rumsfeld to political stardom has been one of the most unexpected developments of the last few years As the main architect of the wars in Afghanistan the head of the Office of Econ Opport amb to NATO White House chief of staff the youngest ever Sec of Def successful corporate executive finally the spectacular second tour of duty as Sec of Def under Pres George W Bush Photos **Rumsfeld** Midge Decter, 2004-10-12 US Defense Secretary Donald Rumsfeld has become the leading spokesman for the Bush administration on all matters related to the military and its prosecution of the war on terror Midge Decter an accomplished political journalist who has enjoyed over two decades of friendship with Rumsfeld will answer the question of why and how he has come to play such a critical role Partly biographical and partly analytical the book focuses on Rumsfeld s past and current activities as well as what he represents an ethos of sturdiness frankness and resilience that has clearly resonated with the American public Decter gained Rumsfeld s full cooperation and she trailed him through the Pentagon and beyond as he prosecuted the war on terror and the military campaign against Saddam Hussein The daily stresses of advising the president handling the media crafting military policy and dealing with issues of life and death are examined from the inside as they happened This book offers a dynamic intimate behind the scenes look at the biggest political star apart from the President himself of the Bush administration

**Rumsfeld's Wars** Dale Roy Herspring, 2008 A highly critical but nonpartisan assessment of the controversial former Defense Secretary as told by one of the leading experts on civil military relations Focuses on Rumsfeld s notoriously domineering leadership style flawed vision for transforming the military and failures in the Iraq War *Operational Failures Caused By Arrogant Leaders* Colonel James R. Parrington USMC, 2014-08-15 The Japanese defeat at Midway and the U S occupational failure in Iraq resulted from operational blindness on the part of arrogant strategic leaders The failures of the Japanese and U S militaries directly resulted from the professional arrogance exhibited by Admiral Yamamoto and Secretary Rumsfeld as they deliberately limited the scope of their strategic thinking to how their own forces would be employed exclusive of the combat potential available to their enemy Admiral Yamamoto and Secretary Rumsfeld insisted on complete control and created environments where their highly capable and informed subordinates were either isolated from the decision making process or not included at all They were similarly contemptuous of their foe and uncritical of their own capabilities Admiral Yamamoto and Secretary Rumsfeld made the mistake of confusing great power with unlimited power failed to recognize that their positions were subordinate to a greater goal and ultimately lost perspective on the limits of their power **Imperialism and Expansionism in American History** Chris J. Magoc, David Bernstein, 2015-12-14 This four volume encyclopedia chronicles the historical roots of the United States current military dominance documenting its growth from continental expansionism to hemispheric hegemony to global empire This groundbreaking four volume encyclopedia offers sweeping coverage of a subject central to American history and of urgent importance today as the nation wrestles with

a global imperial posture and the long term viability of the largest military establishment in human history The work features more than 650 entries encompassing the full scope of American expansionism and imperialism from the colonial era through the 21st century War on Terror Readers will learn about U S Native American conflicts 19th century land laws early forays overseas for example the opening of Japan and America s imperial conflicts in Cuba and the Philippines U S interests in Latin America are explored as are the often forgotten ambitions that lay behind the nation s involvement in the World Wars The work also offers extensive coverage of the Cold War and today s ongoing conflicts in Iraq Afghanistan Africa and the Middle East as they relate to U S national interests Notable individuals including American statesmen military commanders influential public figures and anti imperialists are covered as well The inclusion of cultural elements of American expansionism and imperialism for example Hollywood films and protest music helps distinguish this set from other more limited works

**American Voices** Bernard K. Duffy, Richard Leeman, 2005-08-30 Contemporary public speaking remains an important part of our national life and a substantial force in shaping current events Many of America s most important moments and issues such as wars scandals election campaigns September 11 2001 have been defined by oratory Here over 50 essays cover a substantial and interesting group of major American social political economic and cultural figures from the 1960s to the present Each entry explains the biographical forces that shaped a speaker and his or her rhetorical approach focuses mainly on a discussion of the orator s major speeches within the context of historical events and concludes with an appraisal of the speaker and his or her contribution to American political and social life All entries incorporate chronologies of major speeches bibliographies including primary sources biographies and critical studies and archival collections or Web sites appropriate for student research Entries include high profile individuals such as John D Ashcroft Elizabeth Dole Jerry Falwell Anita Hill Ralph Nader Ronald Reagan Janet Reno Gloria Steinem Malcolm X and many others Excerpts of major speeches and sidebars complement the text Ideal for researchers and students in public speaking classes American history classes American politics classes contemporary public address classes and rhetorical theory criticism classes

**By His Own Rules: The Ambitions, Successes and Ultimate Failure of Donald Rumsfeld** Bradley Graham, 2010-08 An epic examination of the life of one of the most confounding American political figures of the past half century Once considered among the best and brightest of his generation Donald Rumsfeld was exceptionally prepared by successful careers in politics and business to assume the Pentagon s top job in 2001 Yet six years later he left office as the most controversial Defense Secretary since Robert McNamara widely criticized for his management of the Iraq war and for his difficult relationships with Congress administration colleagues and military officers Was he really the arrogant errant over controlling Pentagon leader frequently portrayed or as his supporters contend a brilliant hard charging visionary caught in a whirl of polarized Washington politics dysfunctional federal bureaucracy and bad luck Bradley Graham a longtime Washington Post reporter who closely covered Rumsfeld s challenging tenure at the Pentagon offers an insightful biography of a complex personality In

the tradition of Karen De Young's *Soldier* and Bart Gellman's *Angler By His Own Rules* is a layered and revealing portrait of a man whose impact on U.S. national security affairs will long outlive him **By His Own Rules** Bradley Graham, 2009-06-23

Once considered among the best and brightest of his generation, Donald Rumsfeld left office as the most controversial Defense Secretary since Robert McNamara, widely criticized for his management of the Iraq war and for his difficult relationships with Congress, administration colleagues, and military officers. Was he really the arrogant errand boy controlling Pentagon leader frequently portrayed, or a brilliant visionary caught in a whirl of polarized Washington politics, dysfunctional federal bureaucracy, and bad luck? Bradley Graham, a longtime Washington Post reporter who closely covered Rumsfeld's challenging tenure at the Pentagon, offers an insightful biography of a complex and immensely influential personality. **The**

**Military-Industrial Complex and American Society** S. Mike Pavelec, 2010-01-18 The first complete reference on the military industrial complex from its Cold War era expansion to the present. *The Military Industrial Complex and American Society* addresses the broad subject of the political economy of defense research and its wide-reaching effects on many aspects of American life. Ranging from the massive arms buildup of the Cold War to the influx of private contractors and corporations such as Halliburton, it reveals the interconnectedness of the military industry and government within the history of this public-private enterprise. *The Military Industrial Complex and American Society* offers over 100 alphabetically organized entries on a wide range of significant research bodies and government agencies, as well as important people, events, and technologies. In addition, a series of essays looks at such essential topics as propaganda, think tanks, defense budgeting, the defense industry, and the economy, and the breakdown of the military industrial complex in Vietnam. With this work, students, policymakers, and other interested readers will understand the ramifications of the relationships between industry, scientific and technological communities, the government, and society. Write Like a Man Ronnie

Grinberg, 2024-03-26 How virility and Jewishness became hallmarks of postwar New York's combative intellectual scene. In the years following World War II, the New York intellectuals became some of the most renowned critics and writers in the country. Although mostly male and Jewish, this prominent group also included women and non-Jews. Yet all of its members embraced a secular Jewish machismo that became a defining characteristic of the contemporary experience. *Write like a Man* examines how the New York intellectuals shared a uniquely American conception of Jewish masculinity that prized verbal confrontation, polemical aggression, and an unflinching style of argumentation. Ronnie Grinberg paints illuminating portraits of figures such as Norman Mailer, Hannah Arendt, Lionel and Diana Trilling, Mary McCarthy, Norman Podhoretz, Midge Decter, and Irving Howe. She describes how their construction of Jewish masculinity helped to propel the American Jew from outsider to insider, even as they clashed over its meaning in a deeply anxious project of self-definition. Along the way, Grinberg sheds light on their fraught encounters with the most contentious issues and ideas of the day, from student radicalism and the civil rights movement to feminism, Freudianism, and neoconservatism. A spellbinding chronicle of mid-century America. *Write like a*

Man shows how a combative and intellectually grounded vision of Jewish manhood contributed to the masculinization of intellectual life and shaped some of the most important political and cultural debates of the postwar era **The Cold War** Spencer C. Tucker, 2020-10-27 This sweeping reference work covers every aspect of the Cold War from its ignition in the ashes of World War II through the Berlin Wall and the Cuban Missile Crisis to the collapse of the Soviet Union in 1991 The Cold War superpower face off between the Soviet Union and the United States dominated international affairs in the second half of the 20th century and still reverberates around the world today This comprehensive and insightful multivolume set provides authoritative entries on all aspects of this world changing event including wars new military technologies diplomatic initiatives espionage activities important individuals and organizations economic developments societal and cultural events and more This expansive coverage provides readers with the necessary context to understand the many facets of this complex conflict The work begins with a preface and introduction and then offers illuminating introductory essays on the origins and course of the Cold War which are followed by some 1 500 entries on key individuals wars battles weapons systems diplomacy politics economics and art and culture Each entry has cross references and a list of books for further reading The text includes more than 100 key primary source documents a detailed chronology a glossary and a selective bibliography Numerous illustrations and maps are inset throughout to provide additional context to the material **The New American Militarism** Andrew J. Bacevich, 2013-03-22 In this provocative book Andrew Bacevich warns of a dangerous dual obsession that has taken hold of Americans both conservatives and liberals alike It is a marriage of militarism and utopian ideology of unprecedented military might wed to a blind faith in the universality of American values This mindset Bacevich warns invites endless war and the ever deepening militarization of U S policy It promises not to perfect but to pervert American ideals and to accelerate the hollowing out of American democracy In *The New American Militarism* Bacevich examines the origins and implications of this misguided enterprise He shows how American militarism emerged as a reaction to the Vietnam War when various groups in American society soldiers politicians on the make intellectuals strategists Christian evangelicals even purveyors of pop culture came to see the revival of military power and the celebration of military values as the antidote to all the ills besetting the country as a consequence of Vietnam and the 1960s The upshot acutely evident in the aftermath of 9 11 has been a revival of vast ambitions this time coupled with a pronounced affinity for the sword Bacevich urges Americans to restore a sense of realism and a sense of proportion to U S policy He proposes in short to bring American purposes and American methods especially with regard to the role of the military back into harmony with the nation's founding ideals For this edition Bacevich has written a new Afterword in which he considers how American militarism has changed in the past five years He explores in particular how this ideology has functioned under Barack Obama who ran for president on a campaign based on hope for change and for a new beginning Despite such rhetoric Bacevich powerfully suggests the attitudes and arrangements giving rise to the new American militarism remain intact and inviolable

as ever     Encyclopedia of War and American Society Peter Karsten, 2005-11-18 The impact of war on American society has been extensive throughout our nation's history War has transformed economic patterns government policy public sentiments social trends and cultural expression SAGE Reference is proud to announce the Encyclopedia of War and American Society This Encyclopedia is a comprehensive highly credentialed multidisciplinary historical work that examines the numerous ways wars affect societies The three volumes cover a wide range of general thematic categories issues and topics that address not only the geopolitical effects of war but also show how the U S engagement in national and international conflicts has affected the social and cultural arena Key Features Explores and analyzes three types of effects of war direct effects interactive relationships and indirect effects to illustrate the range of connections between war and American society Probes the correlations between our wartime expeditions and the experiences of the greater American society not limited to just the war years but also demonstrates how the wartime event impacted society after the conflicts ended Offers readers a host of documents including passages from letters diaries autobiographies official documents novels poems songs and cartoons as well as images graphs and a number of tables of relevant data surveys and public opinion polls to extend their research capabilities Concentrates mostly on the last 100 years to give more coverage on this often neglected wartime era Key Themes Arts and Culture Civil Military Relations Economy and Labor Education both military and civilian Environment and Health Journalism and Media Law and Justice Military Leaders and Figures Planning Command and Control Race Gender and Ethnicity Religion Science and Technology Veterans Issues and Experiences The Wars themselves and their civilian and military leaders The Encyclopedia of War and American Society is a must have reference for all academic libraries as well as a welcome addition to any social science reference collection     **Untidy**, 2005 This book tells the story of Secretary of Defense Donald Rumsfeld through the eyes of his blogging critics     *Black Site: A Love Story* Robert Lobis, 2014-08-21 What has America's War on Terror accomplished Has it done more harm than good Part thriller part dark comedy Black Site explores these questions in a narrative that unfolds during the years 2000 to 2007 The principal characters in Black Site are Paul Dean a patriotic mid level CIA intelligence analyst who is put in charge of a secret prison in Poland and Laurel Fetzer a seductive young photographer Trauma and loss shape their actions and their individual narratives of self deception and revenge parallel the national narrative of the War on Terror     *Sore Winners* John Powers, 2005-08-09 Politics and culture culture and politics They've never been normal in America but today they're weirder than ever Millionaire populists like Bill O'Reilly and Michael Moore dominate a political scene spinning ever further from the real world meanwhile we look to bizarre experiments like Survivor for our daily dose of reality In this wonderfully acerbic tour through our increasingly unhinged culture John Powers takes on celebrities and evangelicals pundits and politicians making sense of the mess for the rest of us He shows how we have come to equate consumerism with patriotism and Fox News with objective journalism and how our culture has become more polarized than ever even as we all shop at the same exact big box stores Insightful

hilarious and critical of both liberals and conservatives this is one of the smartest and most enjoyable books on American culture in years

**The George W. Bush Defense Program** Stephen J. Cimbala, 2010 The events of 9 11 and the wars in Iraq and Afghanistan make an obvious case for expert study of the George W Bush defense program During the Bush administration the rise and fall of governments the fates of peoples and the very definitions of war and victory were up for discussion The United States with its unprecedented global military power at the dawn of the twenty first century created new opportunities for using foreign policy and military strategy on behalf of national and allied interests But this power was limited and its use against unconventional or otherwise unorthodox enemies required careful calibration of its various instruments In this insightful series of essays edited by Stephen Cimbala eleven academic experts prominent in the defense and security think tank communities assess Bush s defense program Many also have past or current experience in the U S government or the American armed forces They examine Bush s defense policy and strategy across several critical issues including Iraq Afghanistan terrorism nuclear arms control and foreign military sales In addition special chapters are devoted to the leadership style of former defense secretary Donald Rumsfeld to the idea of victory as it might apply to Bush s defense decisions and to the best exit strategy from Iraq for the United States The lessons learned from the successes and failures in Bush s defense policy clearly presented in *The George W Bush Defense Program* can also be applied to the appraisal of all presidents

**Gusher of Lies** Robert Bryce, 2008 For more than three decades politicians have been promising to make America energy independent According to Bryce this rhetoric is neither doable nor desirable This work shows why America must drop this idea of energy independence and instead embrace interdependence

**War in the Persian Gulf**

**Biographies** Laurie Collier Hillstrom, 2004 Profiles 30 major players in the 1991 Persian Gulf War and the 2003 Iraq War

**The Terror Dream** Susan Faludi, 2024-05-01 From the Pulitzer Prize winning journalist and bestselling author of *Backlash* an unflinching dissection of the mind of America after 9 11 In this most original examination of America s post 9 11 culture Susan Faludi shines a light on the country s psychological response to the attacks on that terrible day Turning her acute observational powers on the media popular culture and political life Faludi unearths a barely acknowledged but bedrock societal drama shot through with baffling contradictions Why she asks did our culture respond to an assault against American global dominance with a frenzied summons to restore traditional manhood marriage and maternity Why did we react as if the hijackers had targeted not a commercial and military edifice but the family home and nursery Why did an attack fueled by hatred of Western emancipation lead us to a regressive fixation on Doris Day womanhood and John Wayne masculinity with trembling security moms swaggering presidential gunslingers and the rescue of a female soldier cast as a helpless little girl The answer Faludi finds lies in a historical anomaly unique to the American experience the nation that in recent memory has been least vulnerable to domestic attack was forged in traumatizing assaults by nonwhite barbarians on town and village That humiliation lies concealed under a myth of cowboy bluster and feminine frailty which is reanimated

whenever threat and shame looms In *The Terror Dream* Faludi provides stunning and depressing evidence of a concerted effort to silence women and roll back women s rights in the wake of 9 11 She brings in a Mack truck s worth of testimony and proof Amy Wilentz Los Angeles Times

Thank you definitely much for downloading **Rumsfeld A Personal Portrait**. Most likely you have knowledge that, people have seen numerous periods for their favorite books gone this Rumsfeld A Personal Portrait, but stop in the works in harmful downloads.

Rather than enjoying a good ebook once a mug of coffee in the afternoon, instead they juggled with some harmful virus inside their computer. **Rumsfeld A Personal Portrait** is genial in our digital library; an online permission to it is set as public; therefore you can download it instantly. However, you can explore the following steps to search for or create your own Online Searches: Look for websites, forums, or blogs dedicated to Rumsfeld A Personal Portrait, Sometimes enthusiasts share their designs or concepts in PDF format. Books and Magazines Some Rumsfeld A Personal Portrait books or magazines might include. Look for these in online stores or libraries. Remember that while Rumsfeld A Personal Portrait, sharing copyrighted material without permission is not legal. Always ensure youre either creating your own or obtaining them from legitimate sources that allow sharing and downloading. Library Check if your local library offers eBook lending services. Many libraries have digital catalogs where you can borrow Rumsfeld A Personal Portrait eBooks for free, including popular titles. Online Retailers: Websites like Amazon, Google Books, or Apple Books often sell eBooks. Sometimes, authors or publishers offer promotions or free periods for certain books. Authors Website Occasionally, authors provide excerpts or short stories for free on their websites. While this might not be the Rumsfeld A Personal Portrait full book , it can give you a taste of the authors writing style. Subscription Services Platforms like Kindle

Unlimited or Scribd offer subscription-based access to a wide range of Rumsfeld A Personal Portrait eBooks, including some popular titles.

### FAQs About Rumsfeld A Personal Portrait Books

**What is a Rumsfeld A Personal Portrait PDF?** A PDF (Portable Document Format) is a file format developed by Adobe that preserves the layout and formatting of a document, regardless of the software, hardware, or operating system used to view or print it. **How do I create a Rumsfeld A Personal Portrait PDF?** There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools. Print to PDF: Many applications and operating systems have a "Print to PDF" option that allows you to save a document as a PDF file instead of printing it on paper. Online converters: There are various online tools that can convert different file types to PDF. **How do I edit a Rumsfeld A Personal Portrait PDF?** Editing a PDF can be done with software like Adobe Acrobat, which allows direct editing of text, images, and other elements within the PDF. Some free tools, like PDFescape or Smallpdf, also offer basic editing capabilities. **How do I convert a Rumsfeld A Personal Portrait PDF to another file format?** There are multiple ways to convert a PDF to another format: Use online converters like Smallpdf, Zamzar, or Adobe Acrobats export feature to convert PDFs to formats like Word, Excel, JPEG, etc. Software like Adobe Acrobat, Microsoft Word, or other PDF editors may have options to export or save PDFs in different formats. **How do I password-protect a Rumsfeld A Personal Portrait PDF?** Most PDF editing software allows you to add password protection. In Adobe Acrobat, for instance, you can go to "File" -> "Properties" -> "Security" to set a password to restrict access or editing capabilities. Are there any free alternatives to Adobe Acrobat for working with PDFs? Yes, there are many free alternatives for working with PDFs, such as: LibreOffice: Offers PDF editing features. PDFsam: Allows splitting, merging, and editing PDFs. Foxit Reader: Provides basic PDF viewing and editing capabilities. How do I compress a PDF file? You can use online tools like Smallpdf, ILovePDF, or desktop software like Adobe Acrobat to compress PDF files without significant quality loss. Compression reduces the file size, making it easier to share and download. Can I fill out forms in a PDF file? Yes, most PDF viewers/editors like Adobe Acrobat, Preview (on Mac), or various online tools allow you to fill out forms in PDF files by selecting text fields and entering information. Are there any restrictions when working with PDFs? Some PDFs might have restrictions set by their creator, such as password protection, editing restrictions, or print restrictions. Breaking these restrictions might require specific software or tools, which may or may not be legal depending on the circumstances and local laws.
