Mosley, 2019-12-30. Lee is a regular runner at Oceanside Park but on one particular morning she is running as fast as she can. In fact, she is running for her life. There is something on the other side of the bushes that is gaining on her, so she is desperately trying to catch up with her friends or anyone to get help. When she catches up with Mary and Roberta, whatever it is, she leaps out of the bushes and drags Roberta down the running path. Roberta mercifully passes out and the women are able to get help, but when the police start asking questions, no one can say if the attacker was man or beast. The police are befuddled and call animal control. Lee's Run is about friends supporting each other, meeting new friends, romance and trying to solve a mystery that seemingly has no answer.      *A Run Through the United States* Archibald Montgomery Maxwell, 1841      **The**
