Run Scared:

bradyspowers Robert Mickey,2018-08-03 There is no easy way to say this so I am just going to say it Your son has cancer With those words we instantly became members of a club no parent wants to belong too The club of Parents who have a Child with Cancer However over the course of our family s journey fighting this disease we came to realize what a special club we had become a part of and how many wonderful people are associated with it We experienced wonderful days and scary days Days filled with tears of joy and laughter and days filled with tears of fear and sadness Along the way though we grew as a family and learned to treasure each moment that God gives us and to do our best to live in that moment We learned to trust in God and His plan for us and to lean on His will and not our own We took care of each other friends and family and life went on as we fought the terrible illness that had attacked our son and our family bradyspowers is a record of that journey and fight Through it all the Mickey Family never quits and each day ends with To be continued because nothing ever really ends and there is always the next new dawn Therefore do not worry about tomorrow for tomorrow will worry about itself Each day has enough trouble of its own Matthew 6 34
