**The Marathon of Life** Timothy-Christian,2019-05-20 The Marathon of Life is the spiritual journey that we all take on our own as individuals a race that we all run each day with God toward destiny Some of us are aware of that journey early on Others awaken to it later But each of us has opportunities throughout our lifetime to be transformed from what we thought we were into all that we know we are and will become again It s also the single biggest project that you will ever have the privilege of participating in So why not treat it as such Why not define its scope and build on the foundation that s already inside you Why not invest in it enough to rediscover all that you already know about yourself Because isn t that why you re here To live your purpose and consciously create the life that you know you were born to manifest Will it require a lot of hard work along the way A lot of training endurance and discipline Absolutely All of that and more for sure But LifeChampions c know what it takes to fulfill their spiritual destiny They know how to run their own race and they do whatever s necessary to claim the prize that awaits them So I ask you today Do you have what it takes to run the race marked out for you Are you willing to commit to those first steps of faith toward all that you love even if you don t quite know where they ll take you If so then you re ready And that s really all that matters right now Everything else will come in time

Marathon fever has descended on Middle Island Where some folks like to idle and savour the roadside flowers others like to run All in a good cause too raising the funds for a new scanner at the Bonville and District Hospital But for Chief Halstead and Officer Pete Jakes the run is shaping up to be a major headache taking police man hours away from their investigation into a rash of equipment robberies that might be connected to an international thieving ring The influx of tourists may be good for Island business but its difficult to patrol local roads that are busy with runners practising for the event Especially when bodies start to appear on the Marathon route and it seems that some people are literally dying to run
