journey **Yellow Bear and Silver Shoes** Buddy Johnson, 2017-11-08 Atop the Unaka Mountain overlooking the many ridges and valleys looking out across the vast expanse from east to west I became aware of distant mountains that my father could name without a moments hesitation and point out the lay of the old trace of the old Wagon Road Years upon years ago many events occurred and some of them were formed into stories that were told to children around the campfire when they camped along the old trails As time changed the children into old men a few stories were told over and over until they became woven into the fabric of folklore Now I cannot name but a few of the mountains and my father is gone No doubt most of the Indian tales are gone too lost in the pages of time Aided with folklore and imagination maybe we can unweave one or two stories that otherwise might have been lost When I was but a lad many were the old stories I heard One of those was most fascinating the story of a lost mine Lost Treasure of Long Ago and another was one called Bear Wallow a little flat at the head of a long valley where bears were seen that were eerie looking because of the yellow mudholes that they wallowed in Perhaps the story of Yellow Bear and his horse that wore silver shoes is one of those tales that has been uncovered from the lost pages of time **The Siege of Petersburg** John Horn, 2014-08-19 A revised and expanded tactical study General Grant s Fourth Offensive during the American Civil War The nine month siege of Petersburg was the longest continuous operation of the American Civil War A series of large scale Union offensives grand maneuvers that triggered some of the fiercest battles of the war broke the monotony of static trench warfare Grant s Fourth Offensive August 14 25 the longest and bloodiest operation of the campaign is the subject of John Horn s revised and updated Sesquicentennial edition of The Siege of Petersburg The Battles for the Weldon Railroad August 1864 Frustrated by his inability to break through the Southern front General Grant devised a two punch combination strategy to sever the crucial Weldon Railroad and stretch General Lee s lines The plan called for Winfield Hancock s II Corps with X Corps to move against Deep Bottom north of the James River to occupy Confederate attention while Warren s V Corps supported by elements of IX Corps marched south and west below Petersburg toward Globe Tavern on the Weldon Railroad The move triggered the battles of Second Deep Bottom Globe Tavern and Second Reams Station bitter fighting that witnessed fierce Confederate counterattacks and additional Union operations against the railroad before Grant s troops dug in and secured their hold on Globe Tavern The result was nearly 15 000 killed wounded and missing the severing of the railroad and the jump off point for what would be Grant s Fifth Offensive in late September Revised and updated for this special edition Horn s outstanding tactical battle study emphasizes the context and consequences of every action and is supported by numerous maps and grounded in hundreds of primary sources Unlike many battle accounts Horn puts Grant s Fourth Offensive into its proper perspective not only in the context of the Petersburg Campaign and the war but in the context of the history of warfare A superior piece of Civil War scholarship Edwin C Bearss former Chief Historian of the National Park Service and award winning author of The Petersburg Campaign Volume 1 The Eastern Front Battles and Volume 2 The Western Front Battles It s great to have John Horn s fine study of August 1864

combat actions Richmond Petersburg style back in print covering actions on both sides of the James River with sections on Deep Bottom Globe Tavern and Reams Station Utilizing manuscript and published sources Horn untangles a complicated tale of plans gone awry and soldiers unexpectedly thrust into harm s way This new edition upgrades the maps and adds some fresh material Good battle detail solid analysis and strong characterizations make this a welcome addition to the Petersburg bookshelf Noah Andre Trudeau author of The Last Citadel Petersburg June 1864 April 1865 Arcana Coelestia. Coe,2009-01-20 David B Coe created a richly textured unique world in his Winds of the Forelands and topped himself with The Sorcerer s Plague his first novel set in the Southlands of the same world Divided by clan rivalries and ancient feuds suspicious of magics wielded by longtime enemies the folk of the South have lived in a state of truce for generations But peace is shattered when a woman looses a deadly plague on the magical Qirsi people While some people seek to prevent the spread of the plague others see in this disaster a unique opportunity With the magical folk weakened by the decimation of the plague their unmagical enemies might be able to defeat them and take back lands lost in an ancient war Haunted by the specter of what would be a tragic and devastating new war the Southlands are aflame with rumors of violence pestilence and treachery Coe weaves together engagingly complex characters unique unusual magic political intrigue and a compelling unpredictable story into a captivating epic that will enthrall fantasy readers A potent brew conjured by a masterful storyteller
