**Adolescence** ,2007 *Contemporary Sociology* American Sociological Association,1976 **At-Risk Children & Youth** Niall Mcelwee,2013-05-13 What assistance can be provided to disadvantaged youngsters to help them conquer the many

challenges they face while growing up At Risk Children Youth Resiliency Explored analyzes the results from accumulated research on the risk and resiliency of children and youth in Ireland Author Niall McElwee explains many of the challenges faced by children including poor literacy and numeracy skills poverty distrust and other difficult issues Practical strategies are presented to help disadvantaged children and youth to overcome societal and self imposed barriers for improvement A detailed review and assessment is provided on the efficacy of Ireland s Youth Encounter Projects This important resource focuses on what works and what does not in youth services At Risk Children Youth Resiliency Explored closely examines risk factors and what it specifically means to be at risk Going further beyond the standard risk factors usually considered such as drug use or dropping out of school this probing text explores the full range of factors and coping and healing mechanisms The author challenges several of the views and beliefs about risk and resiliency generally held by many in child and youth services and in society This book is extensively referenced and includes helpful figures tables to clearly present information Topics in At Risk Children Youth Resiliency Explored include A breakdown of terms for risk behaviors and predictors of risk Issues of social class and social exclusion The impact of school difficulties on students including truancy and poor academic standing Strategies to build on student strengths The quality of the entirety of the school experience as a determination of success Strategies for intervention A review of literature on risk and resiliency A relational research model including methodology and ethical issues Description and functions of Youth Encounter Projects and an assessment of their value Results of risk studies over the past decade Recommended changes in policies At Risk Children Youth Resiliency Explored is a valuable addition to the libraries of educators students and child and youth service providers everywhere

*Homelessness among Young People in Prague* Marie Vágnerová, Ladislav Csémy, Jakub Marek, 2014-11-11 The chronically homeless face a stark reality lack of access to support systems adequate shelter and sustenance with little hope for something better For young people however life on the street may be merely a temporary stage in their lives This book tells of homelessness among young people the causes and their attitudes to the various problems they face Young homeless people describe a life in which they lose their privacy the possibility to satisfy their basic needs and often their self respect in order to survive The latter half of the book considers what happens when these young people return to society and how they navigate difficulties as they attempt to leave their past behind Often the struggle is not solely one of coping with the stigma of their experience rather they must face the legacies that linger long after their lives have turned a corner drug addiction criminal records and accumulated debt Based on interviews with homeless people in Prague *Homelessness as an Alternative Existence of Young People* paints an authentic picture of this social group and documents the often unseen social consequences of the transformation to capitalism from communism

American Book Publishing Record ,1997 **Nowhere to Grow** Les B. Whitbeck, 2017-07-05 Les B Whitbeck and Dan R Hoyt begin their report on street children in the Midwest with the statement If you live in or have visited even a medium sized city recently you have seen runaway and homeless young people They

congregate in certain downtown areas and hang out in malls during inclement weather. Mostly they look like the other kids. The difference is that they won't be going home tonight. This book draws on a study of over six hundred runaway and homeless adolescents and over two hundred of their caretakers from cities in four Midwestern states. It focuses on the family histories of these young people and on the developmental impact of early independence. Street social networks, subsistence strategies, sexuality and street victimization are all considered as well as their effect on adolescent behaviors and emotional health. Relying on interviews and data from survey research and working in partnership with street outreach agencies, Whitbeck and Hoyt lead the reader through the various risk factors associated with precocious independence beginning in the family and extending to external environments and behaviors. *Nowhere to Grow* is an emotional account of the cumulative consequences for young people with few good options at the outset and even fewer once they are on their own. **Be Queer ... But Not Here! : Queer and Transgender Youth, the Castro 'mecca', and Spatial Gay Politics** Jennifer Reck, 2005

**Child Maltreatment and Psychological Distress Among Urban Homeless Youth** Lisa Russell, 2019-01-04 This book describes a secondary analysis of survey data collected from a modified snowball sample of 96 homeless and runaway youth. The sample contains youth from selected street and social service sites located within a geographically defined region of Los Angeles. The analysis examines the area of inquiry defined by the intersection of three somewhat disparate fields of research. These fields include the literatures on homeless and runaway youth, child maltreatment and stress coping and resiliency. First published in 1999, Routledge is an imprint of Taylor & Francis, an information company. **Forthcoming Books** Rose Arny, 1997-04 **Research Awards Index**, 1977 The British National Bibliography Arthur James Wells, 1998

Biomedical Index to PHS-supported Research: pt. A. Subject access A-H, 1992 *The Handbook of Child and Adolescent Clinical Psychology* Alan Carr, 2013-01-11 This second edition of the hugely successful *Handbook of Child and Adolescent Clinical Psychology* incorporates important advances in the field to provide a reliable and accessible source of practical advice. Beginning with a set of general conceptual frameworks for practice, the book gives specific guidance on the management of problems commonly encountered in clinical work with children and adolescents, drawing on best practice in the fields of clinical psychology and family therapy. In six sections, thorough and comprehensive coverage of the following areas is provided: frameworks for practice, problems of infancy and early childhood, problems of middle childhood, problems in adolescence, child abuse, adjustment to major life transitions. Each chapter dealing with specific clinical problems includes detailed discussion of diagnosis, classification, epidemiology and clinical features as well as illustrative case examples. This book will be invaluable both as a reference work for experienced practitioners and an up-to-date evidence-based practice manual for clinical psychologists in training. *The Handbook of Child and Adolescent Clinical Psychology* is one of a set of three handbooks published by Routledge which includes *The Handbook of Adult Clinical Psychology* Edited by Alan Carr, Muireann McNulty and *The Handbook of Intellectual Disability and Clinical Psychology Practice* Edited by Alan Carr, Gary O.
