Running Crazy - Imagine Running a Marathon. Now Imagine Running Over 100 of Them. Incredible True Stories from the World's Most Fanatical Runners Helen

Summer, 2012-03-05 Pheidippides did it once and became a legend Brian Mills did it over 800 times but you might be forgiven for not knowing who he is He is a runner and it is the marathon all 26 miles and 385 yards of it and for some people once is not enough Brian Mills is rumoured to have a butterfly tattoo for each of his 800 plus efforts And Brian is not the only one who has notched up three digits of gruelling athletic endeavour The 100 Marathon Club also known as the Hell s Angels of Running and Running Sluts running one race whilst thinking of another is growing in number every year This is a club with no prejudices and only one prerequisite for membership the completion of 100 marathons It is full of colourful contrasting characters with idiosyncratic personalities and diverse lifestyles They make up a gargantuan melting pot of humanity linked by one common desire to run and run and run But who would want to run 100 marathons or more And why How do they find the time the money the energy Are they crazy Find out by reading their stories Some will make you laugh others will make you cry some may even inspire you to run a marathon Believe it or not these are ordinary everyday people like you Although when you have finished laughing and crying you may still not be sure whether they are crazy or passionate But you as they do when they run will have a lot of fun along the way

Haile Gebrselassie - The Greatest Runner of All Time Klaus Weidt, 2011 The author of this book has been meeting up with the world s best marathon runner since 2005

following his world record runs at first hand and visiting him several times in Addis Abeaba He has traced his background travelled the length and breadth of the African highlands unearthed interesting Ethiopian running stories and with Haile Gebrselassie s help got a school project in a remote village off the ground We discover the life story of a wonder runner from his childhood onwards we relive his two Olympic 10K victories as well as his Berlin Marathon world records The life story of this exceptional perennially smiling athlete is packed with training information personal encounters and impressions from his beloved homeland that he represents all over the world as UN honorary ambassador

Running Times, 2006-03 Running Times magazine explores training from the perspective of top athletes coaches and scientists rates and profiles elite runners and provides stories and commentary reflecting the dedicated runner s worldview

Humor in Contemporary Native

North American Literature Eva Gruber, 2008 Encompassing view of humor in recent Native North American literature with particular focus on Native self image and identity In contrast to the popular cliché of the stoic Indian humor has always been important in Native North American cultures Recent Native literature testifies to the centrality of this tradition Yet literary criticism has so far largely neglected these humorous aspects instead frequently choosing to concentrate on representations of trauma and cultural disruption at the risk of reducing Native characters and Native cultures to the position of the

tragicvictim This first comprehensive study explores the use of humor in today's Native writing focusing on a wide variety of texts spanning all genres It combines concepts from cultural studies and humor studies with approaches by Native thinkers and critics analyzing the possible effects of humorous forms of representation on the self image and identity formation of Native individuals and Native cultures Humor emerges as an indispensable tool for engaging with existing stereotypes Native writers subvert degrading clichés of the Indian from within reimagining Nateness in a celebration of laughing survivors decolonizing the minds of both Native and non native readers and contributing to a renewal of Native cultural identity This book will be of interest to scholars and students of Native Studies both literary and cultural Due to its encompassing approach it will also provide a point of entry for the wider readership interested in contemporary Native writing Eva Gruber is Assistant Professor in the American Studies section of the Department of Literature at the University of Konstanz Germany

Necessary Targets Eve Ensler, 2003 THE STORY In NECESSARY TARGETS two American women a Park Avenue psychiatrist and an ambitious young writer travel to Bosnia to help women refugees confront their memories of war Though the two have little in common beyond the methods they use Jimmy's Boy - Devils, Angels and Miracles Robert T. Walsh, 2013-11-08 Jimmy's Boy Devils Angels and Miracles is a first hand account a true story describing the amazing often terrifying early life experiences of a child blessed by God from birth with the extraordinary spiritual gifts of healing visions and the ability to recognize the presence and work of demons Unfortunately for this child Satan was also aware of how God had blessed this child And so a fierce demonic creature was dispatched from hell to pursue and torment this child in order to impede God's plan and to consume the child's soul in the process His remarkable journey began in infancy and continues to this day Throughout his childhood he displayed an extraordinary understanding of spiritual things and spoke of bright lights and evil things This book chronicles the true story of the demonic torments and the miraculous events experienced by this child exactly as they happened I know because I am that blessed child the author of Jimmy's Boy **Shaving the Beasts** John Hartigan Jr., 2020-11-17 A vivid first person study of a notorious equine ritual from the perspective of the wild horses who are its targets Wild horses still roam the mountains of Galicia Spain But each year in a ritual dating to the 1500s called rapa das bestas villagers herd these beasts together and shave their manes and tails Shaving the Beasts is a firsthand account of how the horses experience this traumatic rite producing a profound revelation about the durability of sociality in the face of violent domination John Hartigan Jr constructs an engrossing day by day narrative chronicling the complex nuanced social lives of wild horses and the impact of their traumatic ritual shearing every summer His story generates intimate individual portraits of these creatures while analyzing the social practices like grazing and grooming that are the building blocks of equine society Shaving the Beasts culminates in a searing portrayal of the inspiring resilience these creatures display as they endure and recover from rapa das bestas Turning away from thick description to thin Hartigan moves toward a more observational form of study focusing on behaviors over interpretations This vivid approach provides

new and important contributions to the study of animal behavior Ultimately he comes away with profound penetrating insights into multispecies interactions and a strong alternative to humancentric ethnographic practices **Blossom** Queen Pen,2007-05 Hip hop artist Queen Pen s powerful debut novel is a love story of ultimate passion and desperate measures set on the tough streets of Brooklyn **CHRYsalis AND HER MONSTERS** Charlotte "Lottie" Brown,2024-12-03 She stays busy hanging out with her large extended family Lottie is excited to share her first book and is currently working on a second

Hypocrites and Mirrors Caleb Masaji Yamanaka,2001-08-27 Kyle Lynch believes in true love The summer of 1997 and everything has turned to shit School is over and every person Kyle knows is going out into the new world Like a group of Columbus searching for their own new definition One in which truth justice and love all co exists amongst that which is modern American society Its 221 years of propaganda 70 years since the lost generation 35 years since the beats and everything else in between One can only figure it out for himself So Kyle sets out first to find himself and then to find something to live for The search for Mr Cassady and guy named Raul An idealist with no actual intellect but a genuine heart Kyle travels from L A to home back to L A and then upon a road trip that leads nowhere except into the very depths of his own mind Kyle When you sit down and take a look back at yourself sometimes the initial image is quite appealing Filled with ideals convictions beliefs and a knack for excitement You or in the case of myself you lament the good times past That hot red head in San Diego that could suck a dick like it had been her pacifier all her life Its all glitz and glamour Looking back you feel old and haggard Tired and unfulfilled so you lunge harder into your new life that cant by any means live up to the life youve already lived Its always the search Life has to be lived and level by level we search to grow Following the rutted path makes no sense when only the exploration means anything So we embark with no map and no star to guide us through our travails No understanding of love No understanding of right No wrong Just life Left or right no middle And so it begins

Running Into Yourself Jean-Paul Bédard, 2016-06-15 The power of running to alleviate our suffering and frailties Whether you're a novice runner making your way from the couch to your first 5K race or an elite runner toeing the line at the start of the Olympic marathon you soon discover that within the beauty of movement there comes a point where you arrive at a mysterious boundary the border where one valiantly tries to quiet the mind while allaying incapacitating doubts and fears This subtle negotiation this dance with discomfort is the birthplace of an inner fortitude and it demands we keep moving when everything inside us is screaming for us to quit Jean Paul Bédard explores running's ability to nurture inner resilience and build community and how it can help us work through the traumas of addiction depression abuse or anxiety This book is a message strength and hope

Enjoying the Melody of Appearance: An Emotional Symphony within **Running Crazy**

In a world taken by screens and the ceaseless chatter of immediate connection, the melodic elegance and mental symphony created by the written term frequently fade in to the background, eclipsed by the constant sound and distractions that permeate our lives. However, situated within the pages of **Running Crazy** an enchanting fictional value filled with organic feelings, lies an immersive symphony waiting to be embraced. Constructed by a masterful musician of language, this captivating masterpiece conducts readers on a mental journey, skillfully unraveling the hidden melodies and profound influence resonating within each cautiously constructed phrase. Within the depths of the emotional assessment, we can explore the book's key harmonies, analyze their enthralling writing fashion, and surrender ourselves to the profound resonance that echoes in the depths of readers' souls.
