Running Dog Paper Tiger:

Running Dog, Paper Tiger Simon Johnston, Playwrights Union of Canada, 1997 **Cry Havoc** Simon Mann, 2011-10-27

On 7th March 2004 former SAS soldier and mercenary Simon Mann prepared to take off from Harare International Airport with an aeroplane full of heavy weaponry and guns for hire Their destination the former Spanish colony of Equatorial Guinea Their mission to remove one of the most brutal dictators in Africa in a privately organised coup d etat The plot had the tacit approval of Western intelligence agencies and according to Mann the backing of a European government Simon Mann had personally planned overseen and won two wars in Angola and Sierra Leone Everything should have gone right Why then did it go so wrong When Simon was released from five years incarceration in two of Africa s toughest prisons he made worldwide headlines Since then he has spoken to nobody about his experiences Now he is telling everything including His belief that the CIA deliberately compromised the coup to court favour with Equatorial Guinea s President Obiang in return for access to the country s vast oil resources How the British government approached Simon in the months preceeding the Iraq war asking him to suggest ways in which a justified invasion of Iraq could be engineered The real story behind the involvement of Mark Thatcher in the coup plot Simon will also tell of his pain when he had to tell his wife Amanda who gave birth to their fourth child while he was incarcerated that he believed he would never be freed This is Simon s remarkable first hand account of his life an account that will read like a thriller as it takes us into the world of mercenaries and spooks of murky international politics big oil and big bucks of action danger love despair and betrayal

readers of thrillers **Give War a Chance** P. J. O'Rourke, 2018-09-01 The 1 New York Times bestseller from one of America's most hilarious and provocative writers a volatile brew of one liners and vitriol Time Renowned for his cranky conservative humor P J O Rourke runs hilariously amok in this book tackling the death of communism his frustration with sanctimonious liberals and Saddam Hussein in a series of classic dispatches from his coverage of the 1991 Gulf War On Kuwait City after the war he comments It looked like all the worst rock bands in the world had stayed there at the same time On Saddam Hussein O Rourke muses He s got chemical weapons filled with chemicals Maybe he s got The Bomb And missiles that can reach Riyadh Tel Aviv Spokane Stock up on nonperishable foodstuffs Grab those Diet Coke cans you were supposed to take to the recycling center and fill them with home heating oil Bury the Hummel figurines in the yard We re all going to die Details at eleven And on the plague of celebrity culture he notes You can t shame or humiliate modern celebrities What used to be called shame and humiliation is now called publicity Mordant and utterly irreverent this is a modern classic from one of our great political satirists described by Christopher Buckley as being like S J Perelman on acid Mocking on the surface but serious beneath When it comes to scouting the world for world class absurdities O Rourke is the right man for the job Los Angeles Times Book Review The funniest writer in America The Wall Street Journal *East Wind* Tom Buchanan, 2012-04-19 *East Wind* offers the first complete archive based account of the relationship between China and the British Left from the rise of modern Chinese nationalism to the death of Mao Tse tung Beginning with the Hands Off China movement of the mid 1920s Tom Buchanan charts the mobilisation of British opinion in defence of China against Japanese aggression 1931 1945 and the role of the British left in relations with the People s Republic of China after 1949 He shows how this relationship was placed under stress by the growing unpredictability of Communist China above all by the Sino Soviet dispute and the Cultural Revolution which meant that by the 1960s China was actively supported only by a dwindling group of enthusiasts The impact of the suppression of the student protests in Tiananmen Square June 1989 is addressed as an epilogue *East Wind* argues that the significance of the left s relationship with China has been unjustly overlooked There were many occasions such as the mid 1920s the late 1930s and the early 1950s when China demanded the full attention of the British left It also argues that there is nothing new in the current fascination with China s emergence as an economic power Throughout these decades the British left was aware of the immense unrealised potential of the Chinese economy and of how China s economic growth could transform the world In addition to analysing the role of the political parties and pressure groups of the left Buchanan sheds new light on the activities of many well known figures in support of China including intellectuals such as Bertrand Russell R H Tawney and Joseph Needham Many other interesting stories emerge concerning less well known figures which show the complexity of personal links between Britain and China during the twentieth century *Dexter by Design* Jeff Lindsay, 2010-08-24 NATIONAL BESTSELLER The Dexter series continues with Dexter s deadliest case yet The Killer Character That Inspired the Hit Showtime Series Dexter After his surprisingly glorious honeymoon in Paris life is almost

normal for Dexter Morgan Married life seems to agree with him he s devoted to his bride his stomach is full and his homicidal hobbies are nicely under control But old habits die hard and Dexter s work as a blood spatter analyst never fails to offer new temptations that appeal to his offbeat sense of justice Not to mention that his Dark Passenger still waits to hunt with him in the moonlight The discovery of a corpse artfully displayed as a sunbather relaxing on a Miami beach chair naturally piques Dexter s curiosity and Miami s finest realize they ve got a terrifying new serial killer on the loose And Dexter of course is back in business
