spiritual path Sometimes the only way to get a new life is by running your old one completely into the ground This powerful story of a reawakened soul can be the story of every person who has pursued spiritual productivity over intimacy with God and come up empty It s the story of reclaiming your soul and finding a home in the center of God s relentless love It s the journey from self importance to God importance To the harried and the unharried I pray that this book will minister to your heart in the profound way that it has blessed mine Brennan Manning *Running through Life* Tommy Bresson,2014-04 Running through Life explores twenty six different characteristics that speak to the emotions and thoughts of marathon runners In each chapter author Tommy Bresson explores a characteristic that relates specifically to a certain mile in the marathon or to training in general Using stories from his own life and examples from the Bible Bresson illustrates the importance of these characteristics not just while running the marathon but in life itself Whether you are training for your seventeenth marathon or just curious about the sport you will enjoy and be encouraged by the lessons Bresson shares As you gain a clearer picture of who God is and how his character is revealed through stories in the Bible you will find yourself challenged to reflect on how these various characteristics manifest themselves in your own life **Running From The Devil** C David Cash,2022-08-30 I will never be an alcoholic or do drugs I want to be like my father respected For over a year I have been praying for wisdom like Solomon in the Bible Be careful what you pray for At the age of seventeen I broke my neck diving off a seawall I should have drowned My doctor as well as another respected surgeon stated David is paralyzed from the neck down No chance of recovery Within eight months of my stay in two hospitals the insurance money ran out I could walk I could not use my right hand I left the first hospital a drug addict because of a massive amount of morphine Dosages were fairly unregulated in 1969 This is a wonderful true story of my life up to thirty years old I quit a fantastic job making plenty of money in management I was mentally and financially broke when I drove to California arrived with little money stayed for five months worked enjoyed life and felt restored I flew to Oahu with everything I owned in a backpack along with 260 I camped next to the ocean for five months built a small business at Sunset Beach bought a car and rented a house on the beach A spellbinding story I promise you will feel like you are right there with me on the North Shore of Oahu back in 1977 when I was about to be murdered by six Samoans while hiking deep in the palm jungle with a friend Imagine the power of the waves when you first learn to surf and the many ways to have fun all around Laguna Beach This is my fascinating story very unique and captivating *Running with God* Kenneth Rolheiser,2006-07 Picture this God is waiting for you with open and loving arms The quickest way into them Run says Ken Rolheiser Here he invites readers to run with him as he makes his way through the seasons of life with the ultimate goal of reaching those outstretched arms He encourages readers to recognize the touch and presence of God in ordinary life and to always keep the eternal goal in mind From the moment of our birth he writes we move inexorably toward the day when we will be born to eternal life

Outline Lessons for Junior Classes on the Life of Our Lord Annie B-,1884 **RUNNING YOUR RACE** Donald E. Hawkins,2023-02-09 Running Your Race is designed to help Christians learn about God and how to know God better how God expects them to act and how they are supposed to live The book explains that God loves us His children and wants to bless us It tells us how to trust God and follow His leading God requires that His children live by faith and the Bible is the means for us to acquire the faith that we need to live for God It tells about God s forgiveness of our sins when we fail to obey God s word How God does not even remember our sins that Jesus Christ came to save us and not to condemn us God s word is absolutely true and we can trust it with our lives He has given us His Holy Spirit to live in us and to teach us and guide us into all the truth We discover how to find out the will of God and how to pray in accordance with His will All believers in Christ are members of the body of Christ and God has given each one a place in the body It is our responsibility to seek God and ask Him what He wants us to do with our lives God calls us His sons As sons of God we have the responsibility of reconciling the world to God We are ambassadors for Christ and we need to take this responsibility seriously The Holy Spirit has given the author many poems about various scriptural subjects some of which are included at the end of each topic

Running with the Horses Larry Taylor, Ph.D.,2013-10 We all have great intentions when it comes to raising our children We want them to succeed and above all to surrender their lives to the lordship of Christ As a father of four boys and a twenty five year veteran of school administration I understand these goals I also understand the busyness of daily life how days merge into weeks as hurried lifestyles spin out of control leaving us wondering how our toddlers became teenagers This book introduces you to a simple biblically based plan for raising servant leaders for Christ Whether your child is eighteen months or eighteen years old this book will guide you through the process of preparation for the race that awaits him in this world We will walk through specific and practical things you can do to build a family plan Being deliberate and focusing on creating depth in your child s faith is the first step to preparing him or her to run with the horses If you have run with footmen and they have tired you out then how can you compete with horses If you fall down in a land of peace how will you do in the thicket of the Jordan Jeremiah 12 5 Now You Can Stop Running Terry Crist,2025-06-03 You can find the deep peace you ve been longing for and that God has promised Because of spiritual brokenness we humans run We seek to escape fear disappointment unresolved trauma and unhealed wounds of the past but no matter how hard we try we can t seem to run far enough or fast enough to finally be free yet we keep running anyway But God wants so much more for us Pastor speaker and author Terry Crist has spent much of his life running from the pain of past trauma and toward the empty promises of what he thought would satisfy his soul In Now You Can Stop Running he leads you on a journey toward sanctuary where you will find not just respite but transformation not just shelter but home as you learn how to find authentic rest and spiritual wholeness

in the boundless love of God With rich wisdom and profound pastoral insights Crist helps us Understand our own stories why we run what we re running from and who or what we re running toward Discern between the false promises of the world that create chaos and true refuge in the God who offers peace Encounter God through freshly told stories of faithful believers in the Bible who also ran for their lives Engage spiritual practices that will guide us through our past pain give meaning to our present struggles and illuminate our path forward with hope The same God who loved and guided Jacob Moses Hagar and David walks alongside us today His rest is genuine and the refuge he promises is safe and secure

Running With The Horses: Living The Gospel William Mitchell,2014-11-13 This is a book for practicing Christians those who want to be doers of the word and not hearers only Its working thesis is that Jesus intended not merely to inform us of a new life but also to exemplify and encourage and lead and command us to live it Too often we have merely run with the footmen and even so we have been weary Jesus calls us to run with the horses All Scripture teaches how Let us seek and find

Running The Race To Win DARREN T. CARTER,2012-04-18 Running The Race To Win is a book about developing a deeper understanding of discipleship and developing a deeper relationship with Christ It does not matter if you are a businessperson schoolteacher nurse athlete computer technician student etc you are called to be a disciple and to make disciples The contemporary church has many times neglected the original command laid down by Christ Himself and for this reason discipleship seems to be a radical message However for the church to fulfill its mission we must once again return to this radical call The word radical comes from the Latin word radix meaning the root of things Radical discipleship is simply a call to return to biblical foundations Biblical foundations are at the root of discipleship since a disciple is one who has been instructed in the foundational teachings of Christ
