**Dust and Other Stories** T'aejun Yi,2018-04-24 Yi T'aejun was one of twentieth century Korea s true masters of the short story and a man who in 1946 stunned his contemporaries by moving to the Soviet occupied northern zone of his country In South Korea where he is known today as one who went north Yi s work was banned until 1988 His momentous decision did not lead him to a safe haven however though initially welcomed into the literary establishment North Korea sent him into internal exile in the 1950s and little is known of his fate *Dust and Other Stories* offers a selection of Yi s stories across time and place showcasing a superb stylist

caught up in the midst of his era's most urgent ideological and aesthetic divides. This collection unites his earlier modernist masterpieces from the colonial era with his little known work penned during North Korea's founding years offering a rare glimpse into the making and crossing of the border between south and north. During the turbulent final years of Japanese rule, Yi's elegant yet subdued stories championed both his native tongue and the belief in the capacity of art. In the heavily politicized environment of the North, his later works maintain a faith in the art of storytelling and a concern for the disappearance of customs in the throes of modernization. Throughout both eras, Yi focused on ordinary people: old men struggling to understand a changing world, lovers meeting up among ancient ruins, a lively widow targeted by a literacy campaign, a bourgeois couple trying to sustain themselves during the war by breeding rabbits, and more. Magnificently translated by Janet Poole, Yi's work bears witness to global turmoil with a melancholic sense of enduring beauty. **The**

**Winter's Night and Other Stories** Premchand, 2007-04-17. Ten classic stories from the master of Hindi literature. Nearly a century after they were written, Premchand's numerous short stories, novels, and plays, written both in Hindi and Urdu, continue to be a mirror to Indian society and its traditions. *A Winter's Night and Other Stories* brings together for young readers some of his most powerful short stories. This is a world inhabited by people like Halku, forced to spend the bitterly cold winter night in the open without a blanket; Kaki, the old invalid aunt ill-treated by her own relatives; and Shankar, reduced to being a bonded labourer for the sake of a handful of wheat. Premchand describes their plights with unflinching honesty. Yet all is not hopeless in this world. There is also little Hamid, who buys tongs for his old grandmother rather than toys for himself; Ladli, who saves her share of puris for her blind aunt; and Big Brother, trying in vain to remember the strange names of English kings and queens. Greed, dishonesty, cruelty abound in this world, as do kindness, bravery, and humour. These ten stories are an ideal introduction to Premchand and his concerns and ideas that remain relevant to this day. **Stories, Time**
