Running with the Demon Terry Brooks, 1998-05 In a sleepy steel mill town the ultimate battle between Good and Evil is about to begin The brewing conflict draws John Ross a Knight of the Word to town Nightmares tell him that an ancient horror is coming Caught between them is Nest Freemark a 14 year old girl with the gift Now the future of humanity depends upon a man haunted by his dreams and a gifted young girl two who will discover what survives when hope and innocence are Running Weblogs with Slash Chromatic, Brian Aker, Dave Krieger, 2002 This is written for system shattered forever administrators who may not have the time to learn about Slash by reading the source code It collects all the current Slash knowledge from the code Website and mailing lists and organizes it into a coherent package In It for the Long Run Scott Ludwig, Vanessa Stroud, 2012-09 Multiple races of marathon distance or greater in a month or perhaps in a weekend Several unsupported runs of 50 and 100 miles through the mountains and forests several times a year Have you ever considered running through a desert across a frozen tundra or over multiple mountain ranges Why not run for three days straight to see how many miles you can accrue Welcome to a place where no locale is too inhospitable and no distance impossible Welcome to the Darkside The Darkside Running Club established in 2002 is a place where runners meet to express their love for distance running and camaraderie by spending countless hours and miles committed to doing what they enjoy most They share a singular focus towards achieving goals far off in the distance both literally and figuratively With their dedication and commitment you may believe the Darksider to be a professional athlete or perhaps an Olympian But you would be wrong they are simply ordinary people doing extraordinary things in the sport they love running Highly competitive while never taking themselves too seriously they strive to shave off minutes or perhaps hours while adding a mile or two or twenty while pushing their limits further and further The impossible becomes possible dreams become reality They won t take no for an answer as they persevere to move beyond physical and emotional discomfort to finish what they started Excuses don t exist Their passion is contagious So reader be warned they re in it for the long run Searching for a Demon Steven M. Chermak, 2002 This provocative volume thoroughly examines the ways in which the media demonized militia groups following the devastating bombing of the Alfred F Murrah building in Oklahoma City Using quantitative and qualitative research methods Steven M Chermak offers a fresh perspective on how news coverage and popular entertainment transformed a largely overlooked movement into a symbol for this new threat of domestic terrorism and ignited a national panic over the militia menace Searching for a Demon describes the representation of the militia movement in the news media editorial cartoons films and television Chermak delves into such topics as the type and amount of coverage after the blast how social problems are constructed in the news the motivations and biases of authoritative or celebrity figures used as news sources and why images of militias were framed in specific ways Chermak balances his account with an in depth look at the philosophies activities and strategies of militia groups Drawing on extensive interviews he conducted at gun shows and

preparedness exhibitions the author compares and contrasts media depictions of militia life and ideology with the firsthand accounts of members and leaders themselves and he assesses how media coverage affected changes in the movement In conclusion Chermak discusses the parallels between media treatment of militias in the wake of the Oklahoma City bombing and the coverage of the al Qaeda terrorist network after the September 11 2001 attacks Solidly grounded in social constructionist theory Searching for a Demon fills a significant gap in the literature on terrorism as well as on the roles of the news media and popular culture in reshaping the public consciousness after dramatic crimes Seven Secrets #16 Tom Taylor, 2022-04-13 In the wake of an unthinkable tragedy the Seekers find themselves capturing more and more cases But with Eva struggling to cope with the loss of a trusted ally will The Order be able to stop the inevitable in time Chloe's Demon (An Epic Fantasy Tale) Harper Peace, 2014-07-30 If you love epic fantasy and sword and sorcery and like to see women wielding the swords don t miss this perilous exciting magical read Squire Chloe's Demon My name is Chloe I leave this record of the spirit so the Temple and the city will know how the demon came to the City of the Sun It s written that a demon takes three seals before it returns below the Abyss One it already has In the darkness of the sleeping city a squire defends a second The third seal would be mine From reviewers The most eloquent freebie I ve read in quite a while Squire Chloe's Demon is well worth a look Intriguing world building and a story full of promise Enjoyed reading this short tale of bravery fear and choices Chloe's bravery and final choice is something I wonder if everyone would do Read and make your own choice Chapter One The Purity of Wishes The Great Library stands silent and deserted awaiting the dawn The clay tablets sleep in their racks no one reads their histories no one sings their songs Better to let them sleep until they ve seen the morning sun for who knows what dreams they dream I was dreaming when the father woke me Something vivid but it s mostly slipped away now I was home and I m sure everyone was much younger We were playing hide and seek hiding behind glamours A loud shriek meant my sister had been found but I was still safe and waiting with that little thrill of anticipation The father sits beneath a fading reading light tottering piles of tablets to either side He s a young one with a full head of hair and no fathers belly yet He doesn t look up at my charm light and I m not going to disturb a father who s reading without a very good reason I stand in front of him and wait in a resting form It would be nice to able to sleep here like this until the dawn I ve used glamours for looking wide awake while secretly drowsing but I ve never heard of a charm for sleeping standing up That's a pity He looks up at me He's not too bad to look at though his nose is too big I take my moment and genuflect to him Father Kai I was woken I say I was asked to come to you in the library He flicks a glance up and down me like a man sometimes does with a woman he s just met and likes but that can t be his reason and anyway his face is too solemn One thing s for sure this father doesn t like what he s seeing I look down embarrassed What s your name he asks I you didn t ask for me father You he asks No squire I take it you are a squire It seems I m in need of a squire s help Yes father I m a squire My name is Chloe His face softens a little but I don t think it s for me I ve seen that look before when I say my

format for such extended narratives a careful examination reveals The Three Sui is an arrangement of self contained vernacular stories No story bears an intrinsic relationship to any other story And because the integrity of the various stories has been so remarkably preserved The Three Sui is a vernacular novel in which the vernacular story reigns supreme Although the Wang Ze rebellion took place during the Northern Song dynasty 960 1127 ultimately The Three Sui is the story of the Ming dynasty 1368 1644 in Song masquerade It calls attention to the social unrest even anarchy caused by the rising power and influence of movements like The White Lotus Society and warns of the Ming s downfall unless such groups are contained In this the novel proved to be a prescient voice The Ming collapsed as the result of a central authority weakened by mass sectarian uprisings The Three Sui has been little known and sadly overlooked by scholars of Chinese literature and history Now this vibrant translation and insightful interpretive essay make this early example of Chinese vernacular fiction available to a broad audience interested in comparative literature and fiction I Dream of Angels...
