Running A Stables As A Business:

Running a Stables as a Business Janet W. Macdonald, 1999-09 Contains everything a prospective proprietor needs to know about finding and financing an establishment Topics covered include accounting taxation legal matters employing staff horses customers and publicity With helpful suggestions on how to cut losses and increase profits

Running a Stables as a Business Janet W. Macdonald, 1986 What It Really Takes to Start and Run a Horse Business Sheri Grunska, 2014-10-18 Revised edition as of March 2015 Building a large barn and starting a horse boarding business was my dream but it turned out to be a lot harder than I imagined What was even harder for me was learning to become the business owner I needed to be to run a successful boarding stable This book is about what it takes to work in the horse industry and what barn management is really all about This is the story of Vinland Stables in Neenah Wisconsin My name is Sheri Grunska and I wrote this book to show you how we built our barn from nothing and what it took to get our business off the ground It is really about what it takes to become the business person you need to be to run a boarding facility efficiently and with confidence This is the most honest total barn management book you will ever read and it is really two books in one The first few chapters of this book is about my family's journey of building our barn and all that it took to get the loan and get the barn up and open for business The reason I wrote the first part of the book is to help others that want to build a barn and show them all that goes with the building process both good and bad We made a lot of mistakes in the building process so now I hope to help others so they don't end up with the mess we did The rest of the book is about actually running a barn on a day to day basis with clients and horses It is the most complete barn management you will ever read In this book I will show you how to write a business plan if you are applying for a loan and give you examples of what our business plan looked like ten years ago and what it should look like now I will show you what my boarding contract looks like and what you should have in your contract Running a horse boarding facility is about so much more than feeding and cleaning stalls In fact that is the easy part In this book I will discuss subjects like herd management and the boarder What do you do when two horses don't get along and how do you know when it's time to move a horse How do you give a 30 day notice to a boarder When do you raise your rates and how much What are the boundaries between the barn owner and the client How to write a business plan for the equine industry Boarding contracts and barn rules No drama policy at the barn How to find the right trainer for your facility Are you willing to ask a boarder to leave barn hours and why they are important What do you do when a horse gets hurt on your property and the owner wants to blame someone Special request and when to say Sorry but we do not offer that here You will not find another book on the market that addresses these real situations in the horse business I will share with you what we have learned over the years through many trials and errors I will give you the tools to handle the most stressful situations If you feel sometimes like you are alone in running your farm and no one else would understand the problems you are having than read this book You will find out very quickly that what you are dealing with is very common in most barns Let

me teach you how to become a leader and take control of your business To this day I love going out to the barn every morning for work It wasn't like that the first couple of years Learning to become a barn owner and business person takes time and sometimes a few years I will share all that we have learned over the years with our business This book will educate and inspire you and I hope to help you in your day to day life of running your barn We made many mistakes in the beginning and it was because we didn't go to anyone for advice I tried to find the answers in books but was not able to Let me help you start off with the tools you need to become a successful business person in the equine industry It is a great life when I step into my office and hear nickers every morning It can be a great life for you too

The Family Business in Tourism and Hospitality Donald Getz, Jack Carlsen, Alison Morrison, 2004-04-16 The family business is a global phenomenon and is particularly prominent in tourism and hospitality In many cases the family business was developed for the purpose of facilitating personal and family goals For example in rural areas farmers can use tourism as a way to generate additional income thereby remaining in the area and retaining family property Running a bed and breakfast establishment is a way to mix family and work Lifestyle locational and autonomy motives are the norm but profit and growth oriented entrepreneurs are also found within family businesses This book is the first academic treatment of family business issues within the tourism and hospitality industry It provides comprehensive assessment of ownership management and family related concerns across the entire business and family life cycle Many new international case studies of real family businesses are used to illustrate key points The book will be of significant interest to researchers and students in tourism and hospitality small business and entrepreneurship studies as well as to owners and potential investors in family businesses *Standard Federal Tax Reporter* Commerce Clearing House, 1929 Includes legislation court decisions Tax Court cases rulings and current comments

Starting & Running Your Own Horse Business Mary Ashby McDonald, 2025-05-01 Turn your passion for horses into a successful business Full of proven techniques to help you maximize profits and minimize headaches this practical guide shows you how to create a viable business plan identify marketing opportunities and efficiently maintain your facilities With savvy tips on reducing veterinary and feed costs you'll learn how to make your operation self sufficient and keep it financially sustainable Whether you run a boarding stable or a riding camp you're sure to find the information you need to keep your business running smoothly

Out of the Clouds Linda Carroll, David Rosner, 2025-04-08 In the bestselling tradition of the *The Eighty Dollar Champion* the propulsive inspiring Cinderella story of Stymie an unwanted Thoroughbred and Hirsch Jacobs the once dirt poor trainer who bought the colt on the cheap and molded him into the most popular horse of his time and the richest racehorse the world had ever seen In the wake of World War II as turmoil and chaos were giving way to a spirit of optimism Americans were looking for inspiration and role models showing that it was possible to start from the bottom and work your way up to the top and they found it in Stymie the failed racehorse plucked from the discard heap by trainer Hirsch Jacobs Like Stymie Jacobs was a commoner in *The Sport of Kings* a dirt poor Brooklyn city slicker who forged

an unlikely career as racing s winningest trainer by buying cheap unsound nags and magically transforming them into winners The 1 500 pittance Jacobs paid to claim Stymie became history s biggest bargain as the ultimate iron horse went on to run a whopping 131 races and win 25 stakes becoming the first Thoroughbred ever to earn more than 900 000 The Cinderella champion nicknamed The People s Horse captivated the masses with his rousing charge from behind stretch runs his gritty blue collar work ethic and his rags to riches success story In a golden age when horse racing rivaled baseball and boxing as America s most popular pastime he was every bit as inspiring a sports hero as Joe DiMaggio and Joe Louis Taking readers on a crowd pleasing ride with Stymie and Jacobs Out of the Clouds the winner of the Dr Tony Ryan Book Award unwinds a real life Horatio Alger tale of a dauntless team and its working class fans who lived vicariously through the stouthearted little colt they embraced as their own **The Horseshoers' and Blacksmiths' Journal** ,1929 Rural Recreation, a New Family-farm Business United States. A Step by Step Guide to Starting and Running a Successful Horse Boarding Business Sheri Grunski,2018-03-26 This book will open your eyes to the world of horse boarding and all that it encompasses One of the most often asked questions I get from people who want to start a boarding business is Where do I start Great question Most people including myself usually start with a couple of horses and then progress into boarding This book is a step by step guide on what you need to do to get your barn or stable up and going and how to maintain a strong and healthy boarding business Whether you want to run a large facility or a small stable this book will cover everything you need to know to help you start off with a strong foundation for your business I have included a current business plan designed especially for the horse boarding industry boarding contract and barn rules which is only the beginning This book will walk you through every step and give you tasks lists and suggestions for every part of your business from designing your barn to seeking a loan This book includes designing a barn or stable your tack room horse stalls and riding arenas It covers extensive pages on herd management

turnout and paddocks and how to design them and what to think about before you put the first post in the ground It will include business insurance accounting and lawyers and what they mean to your business I discuss the financial part of business ownership throughout the book and how to streamline your chores and hire employees I discuss conflict resolution the barn manager's role and client relations and the intention of this book is to help you avoid some of the common pitfalls of barn management and business ownership and that is only the beginning The topics that are covered in this book are extensive and you won't find a more current book on running a boarding business This book will benefit any size boarding operation A large boarding barn equates to a large scale effort and risk A small boarding stable carries lower financial risk but requires the same planning to be successful and can have many of the same issues as a large facility Every area of the horse industry is impacted by the boarding stable and no matter the size each plays an integral part in the success and stability of the equine industry
