Running On Empty Contemplative Spirituality For Overachievers:

Running on Empty Fil Anderson, 2009-06-10 Learn to live with God instead of for God In this candid and achingly authentic book Fil Anderson shares the healing insights that restored his spiritual compass and guided him back to God the God who specializes in filling empty souls Fil Anderson had accomplished more for God than most of his contemporaries but his worn out body housed an empty soul His frenetic pace of ministry had earned him just one thing greater pressure to do even more He had fallen for the soul killing lie that doing more for God would give his life meaning Then the godly admonition of a spiritual director set this burned out believer on a life saving spiritual path Sometimes the only way to get a new life is by running your old one completely into the ground This powerful story of a reawakened soul can be the story of every person who has pursued spiritual productivity over intimacy with God and come up empty It s the story of reclaiming your soul and finding a home in the center of God s relentless love It s the journey from self importance to God importance To the harried and the unharried I pray that this book will minister to your heart in the profound way that it has blessed mine

Breaking the Rules Fil Anderson, 2011-03-16 After years of living with a set of religious demands that he could never live up to Fil Anderson found himself spiritually bankrupt and emotionally drained Following a crash and burn in professional ministry he experienced relief in learning to be with God rather than doing for God Instead of desperation he found healing and a rich new life with God In Breaking the Rules Fil invites us to explore what happens when good religion turns bad At such times we are weighed down with expectations of what it takes to be right with God whether it is the expectations of others holding up under pressure fixing what's wrong or accomplishing big things for God When we set aside this false agenda we find the courage to confess our fears and insecurities We taste the depths of God's love for us Here is an opportunity to quit trusting in your own ability to live for God and simply trust in God instead **Little Mercies** Lynn Coulter, 2011 Acclaimed essayist Lynn Coulter Family Circle Southern Living helps weary souls learn to experience the
