Subcommittee on International Organizations, 1978 **Christian Agnostic** Dustin Lawson, 2012-01-20 Could it be true that Jesus requires his followers to admit room for doubt in him According to this book yes The Bible realizes that faith and doubt are great enemies But the Bible also understands that faith loves doubt because faith thrives on its war with doubt and because doubt sustains faith's need to exist For this reason the Bible where maybe no other religious book does sees doubt as an ally because the Bible knows that if doubt could be eliminated and certainty attained then faith the resource that fuels the Bible's followers could not exist for there can be no faith where there is not doubt
