Rural Class Struggles in Ambridge Fred Borage,1982 *Gender, Sex and Gossip in Ambridge* Cara Courage,Nicola Headlam,2019-04-05 The Archers Academics are joined by former The Archers editor Alison Hindell and actor Dr Charlotte Connor a k a Susan Carter to examine the power of gossip in Ambridge portrayals of love marriage motherhood female education and career expectations women s mental health and the hard won right of women to play cricket **Essays on the Political Economy of Rural Africa** Robert H. Bates,1987-04-20 The essays in this volume represent a dialogue between theory and data The theory is drawn from a branch of contemporary political economy which can also be labeled the collective choice school The data are drawn from Africa The book extends the methods of reasoning developed in collective choice from their original base the advanced industrial democracies to new territory the literature on rural Africa Such as extension challenges the power of this form of political economy It also enriches it for the central questions which motivate the contemporary study of political economy are often addressed with unique clarity in the scholarship on rural Africa *Rē Records Quarterly Magazine* ,1987 *Class, Conflict and Protest in the English Countryside, 1700-1880* Mick Reed,Roger Wells,2015-12-22 First Published in 1990 This is Volume IX in the Library of Peasant Studies series edited by Mick Reed and Roger Wells The contributors to this volume discuss the disparity between agricultural history and rural history despite the two becoming synonymous in academic discussion The editors state that exciting developments continue but it is clear that the simple accumulation of empirical detail will not on its own provide explanation and that exploration of the contents within these articles will inform positive change *Small Press Yearbook* ,1992 **Whitaker's Cumulative Book List** ,1983
