**The Development Dictionary** Wolfgang Sachs,2009-11-26 In this classic collection some of the world s most eminent critics of development review the key concepts of the development discourse Each essay examines one concept from a historical and anthropological point of view highlights its particular bias and exposes its historical obsolescence and intellectual sterility The authors argue that a bidding farewell to the whole Eurocentric development idea is urgently needed in order to liberate people s minds in both North and South for bold responses to the environmental and ethical challenges now confronting humanity The combined result forms a must read invitation to experts grassroots movements and students of development to recognize the tainted glasses they put on whenever they participate in the development discourse

**Natures of Colonial Change** Jacob A. Tropp,2006-10-01 In this groundbreaking study Jacob A Tropp explores the interconnections between negotiations over the environment and an emerging colonial relationship in a particular South African context the Transkei subsequently the largest of the notorious homelands under apartheid In the late nineteenth century South Africa s Cape Colony completed its incorporation of the area beyond the Kei River known as the Transkei and began transforming the region into a labor reserve It simultaneously restructured popular access to local forests reserving those resources for the benefit of the white settler economy This placed new constraints on local Africans in accessing resources for agriculture livestock management hunting building materials fuel medicine and ritual practices Drawing from a diverse array of oral and written sources Tropp reveals how bargaining over resources between and among colonial officials

chiefs and headmen and local African men and women was interwoven with major changes in local political authority gendered economic relations and cultural practices as well as with intense struggles over the very meaning and scope of colonial rule itself *Natures of Colonial Change* sheds new light on the colonial era in the Transkei by looking at significant yet neglected dimensions of this history how both colonizing and colonized groups negotiated environmental access and how such negotiations helped shape the broader making and meaning of life in the new colonial order *A Survey of Agricultural Economics Literature* Lee R. Martin, 1992 **A.I.D. Research and Development Abstracts**, 1981 **Urban Dynamics in Black Africa** William J. Hanna, 2017-09-29 *Urban Dynamics in Black Africa* presents a succession of worlds where we can study the development and the crystallization of major social change The authors trace the development of former villages towns and colonial outposts into major cities within the international community Open air markets continue their trading beside modern department stores as individual Africans create contemporary lives from old and new William J and Judith L Hanna in this unique work introduce new data and the methods of dependency theory class and gender analysis they offer connections between Africa's internal dynamics its legacy of imperialism and the international political and economic arena At the same time the book provides a model for studying the evolution of political institutions *Urban Dynamics in Black Africa* illustrates how social classes modify and are modified by existing cultural forms The book examines Africa in its independence by contrasting development and dependency role adaptability and conflict in a powerful conceptual matrix Detailing the urban conditions that exist throughout Africa as well as their costs and benefits this work shows how contemporary political conflict in urban Africa is based upon both ethnic and non ethnic ties and how these ethnic and non ethnic ties serve as the bases of a system of political integration unique to poly ethnic communities As a synthesis of the relevant available knowledge on African towns and town dwellers this book is concerned primarily with the effects of external intervention and socioeconomic modernization upon the birth and development of Africa's new towns and the rapid expansion of its old ones It considers the impact of migration and town life upon Africans *Public Administration in English-speaking West Africa* Edward Seth Asiedu, 1977 *Rural Violence in Contemporary Nigeria* Usman A. Tar, Bashir Bala, 2023-04-14 The book explores the pressing problem of rural violence in contemporary Nigeria by assessing the changing patterns of conflict and response across the country Rural violence in Nigeria is becoming an increasingly pressing concern with cattle rustling banditry kidnapping and farmer herder conflicts putting immense pressure on the state's institutional preparedness and the response capacity of the government military and other security agencies Drawing from the expertise of a wide range of African development governance and security researchers and practitioners this book assesses the severity of the current problem of rural violence and provides a critical analysis of the various national and state responses to rural violence in Nigeria Ultimately the book aims to provide suggestions for restoring peace security and development in Nigeria This book will be of interest to scholars researchers and administrators across Political Science
