Perspectives on the right to development Carol C Ngang,Serges Djoyou Kamga,Vusi Gumede,2018-01-01 The last

couple of decades has not only witnessed an increased convergence between human rights and development but also a significant shift towards rights based approaches to development including especially responsiveness to the fact that development in itself is a human right guaranteed to be enjoyed by all peoples This edited volume of peer reviewed papers constitutes the first product resulting from the annual international conference series on the right to development organised by the Centre for Human Rights University of Pretoria and the Thabo Mbeki African Leadership Institute at the University of South Africa It explores the complex nature of the right to development from a diversified perspective including from a conceptual thematic country and regional points of view Conceived with the purpose to overshadow dominant economic growth approaches to development the perspectives on the right to development articulated in this publication seek to locate the developmentalist discourse within the framework of accountability and people centred development programming necessitating appropriate policy formulation to ensure the constant improvement in human well being The book is written with the aim to reach out to researchers academics practitioners and policy makers who desire an in depth understanding of the right to development as it applies universally

Developing the Underdeveloped A. K. Sharma, 1989 Examine some aspects of rural poverty theoretically and empirically It presents the various concepts and theories of poverty and development and develops a synthetic perspective The data is obtained on three most important strategies of development in contemporary India viz loaning health and family welfare and education This book presents the theoretical framework method and procedure analysis of data major findings and policy implications Finally it raises some philosophical issues involved in planning for poverty removal and a D P S from the International Institute of Population Studies

The Right to Development in Africa Carol Chi Ngang, 2021-10-18 In The Right to Development in Africa Carol Chi Ngang provides a conceptual analysis of the human right to development with a decolonial critique of the requirement to have recourse to development cooperation as a mechanism for its realisation In his argumentation the setbacks to development in Africa are not necessarily caused by the absence of development assistance but principally as a result of the lack of an operational model to steer the processes for development towards the highest attainable standard of living for the peoples of Africa Basing on the decolonial and capability theories he posits for a shift in development thinking from dependence on development assistance to an alternative model suited to Africa which he defines as the right to development governance

Adopting the Track of Appearance: An Emotional Symphony within **Rural Development Principles Policies And Management**

In a world used by screens and the ceaseless chatter of instantaneous conversation, the melodic splendor and emotional symphony produced by the published term usually diminish into the back ground, eclipsed by the persistent sound and disturbances that permeate our lives. However, situated within the pages of **Rural Development Principles Policies And Management** an enchanting literary value filled with natural feelings, lies an immersive symphony waiting to be embraced. Constructed by an outstanding composer of language, that interesting masterpiece conducts readers on an emotional journey, skillfully unraveling the hidden melodies and profound affect resonating within each carefully constructed phrase. Within the depths of this moving assessment, we shall explore the book's central harmonies, analyze its enthralling writing design, and submit ourselves to the profound resonance that echoes in the depths of readers' souls.
