K. Singh,2002 The book presents a comprehensive picture of the rural development programmes in chronological order since first five year plan to the eighth five year plan Attempt has been made to present the temporal dimensions of policies and objectives being adopted extended and or modified after reviewing the needs of identified target area and or target groups Also analyses the trend of rural development programmes being implemented in the region with their changing philosophy and composition from Community Development Programme CDP Small Farmers Development Agencies SFDA to Integrated Rural Development Programme IRDP The third part gives first hand information on the basis of village and household questionnaires especially developed for the purpose not only have helped in evaluating the impact of various rural development programmes but also in assessing the participation of beneficiaries and that of the implementing agencies Emerging Pattern of Rural Women Leadership in India A. Celine Rani,2002 73rd Amendment to the Constitution of India has created a legitimate political space from women to establish governance at the grassroots for the purpose of achieving economic development and administering social justice Occupying the space by the rustic women folk is not an easy task though it is legitimate for them This work focuses its attention on the process of recruitment of the women to the various panchayat positions It seeks to analyse the pattern of their emergence This study captures the bases of power that

operates at the micro level The whole analysis is based on the scientific application of Positional Reputational and Decision making approaches and the integration of all the three approaches Tribal Economy, Culture and Society in India
Nilakantha Panigrahi,2019-01-01 This book is a felicitation volume contains 24 chapters arranged under three different theme representing different parts of India The first theme Development plans execution and ramification covers twelve research papers representing five States The second theme Bio social dimensions of tribal development carries six research papers representing five States while the third theme Resources Management and Socio cultural Changes covers six research papers representing four States of India The book reflects the ground realities of different regions and communities of India will be a knowledge source for the policy makers people s representatives researchers and academicians for the use to formulate solutions to human problems more pragmatically INCLUSIVE GOVERNANCE FOR RURAL DEVELOPMENT
R. Venkata Ravi, S. Vellimalayan,2019-06-01 CONTENTS Chapter 1 Introduction Chapter 2 Socio Economic Profile Chapter 3 Political and Organizational Profile Chapter 4 Needs and Priorities Chapter 5 Case Studies Chapter 6 Findings and Conclusions PREFACE Decentralized development in rural area requires networking or partnership among the grassroots organizations The village level panchayats are local self government institutions responsible for the planning and implementation of various activities for socio economic development in rural areas The NGOs are working for the development of rural areas by executing various development programmes of the government and non government agencies The CBOs as Users Groups have been working to protect their interest through participatory management of the resources In context of convergence approach these organizations are expected to work together for the cause of development In the case of these organizations nature and origin differ from each other but they have a common goal of development and of their own interest The PRIs are local self government with Constitutional authority the NGOs are registered societies working as development catalyst and CBOs are association of users of various resources and services Socio-cultural History of an Indian Caste C. Dwarakanath Gupta,1999 On the Vaisyas caste of Andhra Pradesh India
