Booklist starred review Strongly recommended a transformative work SFRevu **One Nation, Under Attack** Grant R. Jeffrey,2012-10-09 Prepare Now for America's Fall The enemies of free market capitalism have launched their final attack History's most powerful nation soon will be reduced to an isolated impoverished country with no influence over international affairs A close reading of prophecy reveals no mention of the United States The wealthiest and most powerful nation in history will play no visible role in the culminating events of this age Prophecy expert Grant R Jeffrey has exposed the hidden causes behind the rapid disappearance of America as we know it No longer will other nations count on America to come to their aid Aggressor nations will not have to fear the possibility of U S retaliation because very soon America will be too weak to take action And just at the time when the United States is weakened nearly beyond recognition the Antichrist will unleash his evil rule over the world When America falls the collapse will come rapidly It is to your advantage to know in advance what to look for In *One Nation Under Attack* you will find a workable plan to help you protect your family and your future from the far reaching economic devastation to come *ARMAGEDDON's SONG 'THE LONGEST NIGHT'* ANDY FARMAN,2015-02-10 The war in Europe has reached critical mass and it is a race between the Red Army and the newly arrived US and Canadian 4 Corps The winner owns Europe Just one last push by the New Warsaw Pact will clear away SACEUR's gambit and the last division standing between the Red Army and the Channel Ports It is the Longest Night for everyone and the last night for many *ARMAGEDDON's SONG 1 'STAND - TO'* ANDY FARMAN,2014-07-03 Volume 1 of a 5 Volume story the best selling Armageddon's Song series now with map illustrations Did the Cold War really end No matter it is about to get hot anyway Espionage subterfuge corruption in high places and a nuclear plot are uncovered by a beautiful spy more used to shedding her clothes to discover secrets than she is of keeping them Will duty bind her to silence or will conscience win her over Stand To is the first book in the Armageddon's Song series and it puts you in the seat of a Sea Harrier dog fighting over the Pacific in the control room of a submarine during a torpedo attack in the Atlantic looking down the sights of a sniper rifle on the north German Plain and at the side of a Russian paratrooper General who leads from the front Encompassing not just a story from a US point of view but also through the eyes and deeds of the other combatants on both sides of the conflict

ARMAGEDDON's SONG 'CROSSING THE RUBICON' ANDY FARMAN,2015-02-10 The European war is a long way from the fighting that is consuming the Pacific The ANZACs and the US 5TH Mechanised Division are too few in number to defend Australia's coastline Fear of China's nuclear arsenal has left the allies with limited friends and there is trouble at home in the West Now that war in Europe has reached its bloody end and the men came home to less than gratitude from the politicians In the Pacific all eyes are on the Spratly Islands as the Allies combat the Chinese 3rd and 6th Armies The aftermath in Europe may have left the US and the ANZACs standing alone or has it Soldiers have more honour than politicians at the end of the day A reckoning is coming *ARMAGEDDON's SONG 3 'FIGHT THROUGH'* ANDY FARMAN,2015-02-12 The world is at war from the steamy jungles of South America to the high ice of mountain glaciers This is the third of a five part

tale of global war and the people under arms on both sides of the conflict NATO won the Battle of the Atlantic at terrible cost and not only in men women and material but to the planet also In Europe the NATO army is close to exhaustion grimly holding its ground along the Elbe and Saale rivers buying time for the US and Canadian 4 Corps to arrive but their grit and determination are frustrating an enemy becoming ever more desperate and a finger hovers over a button marked Nuclear Release

ARMAGEDDON's SONG 2 'ADVANCE TO CONTACT' Andy Farman,2015-02-08 Volume 2 of a 4 part series that goes further than even Tom Clancy's classic in a tale of truly global world war Washington DC Taipei NATO's North Cape naval picket and two carrier combat groups have been destroyed by nuclear weapons NATO is on the back foot and her potential allies are thinning out as China shows no hesitation in levelling entire cities Major Bedonavich and Svetlana Vorsoff are our spies with a conscience and now they are in from the cold but someone will go to any lengths to exact revenge Perhaps baiting the Bear in his lair is their only hope of survival The NATO army in Europe with the battered but defiant Coldstream Guards and US 82nd are holding the line Vital supplies are enroute from America but the determination of those in the convoys and escorts is matched by those charged with sinking them NATO needs to level the playing field and then tilt it in their favour

ARMAGEDDON'S SONG 6 'SHAW - LT: USMC' Andy Farman,2016-04-13 The first of two prequels featuring Henry Shaw USMC Terry Jones CIA and Peter Dawnosh Royal Marine Commandos In the WW3 series Henry was Chairman of the Joint Chiefs Terry was Director of the CIA and Peter Dawnosh was Prime Minister of Great Britain but in 1963 they are in a place that few Americans had ever heard of Vietnam The country is under attack from the communist North but within its borders it is a cauldron of dissent due to corruption and religious persecution With surplus equipment and a shoe string budget US advisors are attempting to train and equip the South Vietnamese armed forces to defend themselves in order that the USA can withdraw Small unit actions firefights on jungle trails and The Alamo re enacted on a lonely hilltop far from home These are combined with a tale of political corruption and the murky world of espionage in 1960s SE Asia

ARMAGEDDON's SONG 4 'THE LONGEST NIGHT' & 'CROSSING THE RUBICON' Andy Farman,2015-02-09 Volume 4 Two distinct parts of the story Book 1 The Longest Night is set between 8pm and 8am the critical night battle in Germany between NATO and the New Red Army The war in Europe has reached critical mass and it is a race between the Red Army and the newly arrived US and Canadian 4 Corps The winner owns Europe Just one last push by the New Warsaw Pact will clear away SACEUR's gambit and the last division standing between the Red Army and the Channel Ports It is the Longest Night for everyone and the last night for many Book 2 Crossing the Rubicon The war in Europe has reached its bloody end and the troops came home to less than gratitude from the politicians In the Pacific all eyes are on the Spratly Islands as the Allies combat the Chinese 3rd and 6th Armies but the aftermath in Europe may have left the US and the ANZACs standing alone or has it Soldiers have more honour than politicians at the end of the day

In Armageddon's Shadow Greg Marquis,2000 The United States had important ties with Canada's Maritime Provinces that were profoundly

shaken by the American Civil War Drawing extensively on newspaper reports personal papers and local histories Greg Marquis captures the drama of the times effectively putting the reader into the thick of the action In *Armageddon's Shadow* highlights Maritime support for the beleaguered Confederacy and the grave implications this had on race relations in Canada Marquis details the involvement of maritimers in running blockades and recounts the experiences of some of the thousands of men from Nova Scotia New Brunswick and Prince Edward Island who served in America's bloodiest conflict Book jacket

Armageddon's Glorious End David R. Manzano, 2017-12-12 This latest contribution to the understanding of the Bible's final book will be a welcomed addition to anyone's personal library The author is quick to admit that Revelation has many strange images and perplexing elements However he is just as quick to stress that these images and elements are not the focus The Apostle John in writing this apocalyptic volume centers the attention on Jesus Christ the only hope for those who have accepted Him as Lord and Savior as well as those who still need to Many people know Revelation for its striking confusing symbolism Many of these people would experience less confusion if they realized that most of these symbols are borrowed by the beloved disciple from other parts of the Bible Manzano is faithful and responsible in allowing the Bible to interpret itself and establishing the Old Testament especially the book of Daniel as the foundation for decoding Revelation's mysteries As Bible prophecy continues to unfold and this world continues to unravel like a cheap sweater the frustration and turmoil that ensues will dissipate by the encouraging tone of this book Readers are subsequently prompted to dive into Revelation and study afresh to reconnect with the Lamb King around whom its messages revolve *The Cumulative Book Index*, 1989 A world list of books in the English language **Saving Neverland** Abi Elphinstone, 2023-01-05 A wonderful

whirlwind of magic and adventure and every bit as enchanting as the original Peter Pan I absolutely loved it Catherine Doyle Number 14 Darlington Road looks like a perfectly ordinary townhouse at first glance anyway but magic is good at hiding when it's waiting for the right person to discover it Martha Pennydrop is ten and desperate to grow up But growing up is a tricky business It means turning your back on imagination fun and magic because those were the things that led to the Terrible Day when something awful nearly happened to Martha's younger brother Scruff which would have been All Her Fault But when Martha and Scruff discover a drawer full of mysterious gold dust in the bedroom of their new house along with a window that's seemingly impossible to close it's the start of an incredible adventure to a magical world Neverland The Pennydrop's new house used to belong to another family the Darlings who once visited this world themselves Now Peter Pan is back and in need of their help Neverland is in the icy grip of a terrible curse cast long ago by Captain Hook And only Martha and Scruff can save it A reluctant Martha and excited Scruff are swept off to Neverland and into the company of the Lost Kids But when Scruff is kidnapped Martha must rediscover all the imagination magic and belief she has buried deep inside herself for so long to save him and Neverland itself Praise for *Saving Neverland* Abi Elphinstone's imagination is as colourful and enticing as a sweetshop In reimagining Peter Pan she blows fairy dust over the classic tale and makes it fly the

perfect bedtime story for children of all ages M G Leonard Saving Neverland soars with Joy Piers Torday An awfully big new adventure in Neverland that s icy dicey delightful and dazzling in equal measure Peter Bunzl Full of wit wonder and high stakes action with the most brilliant cast of characters a true classic and Abi Elphinstone s best book yet Emma Carroll
