Rushdie Affair:

The Rushdie Affair Daniel Pipes, The publication in 1988 of Salman Rushdie's novel *The Satanic Verses* triggered a furor that pitted much of the Islamic world against the West over issues of blasphemy and freedom of expression. The controversy soon took on the aspect of a confrontation of civilizations provoking powerful emotions on a global level. It involved censorship, protests, riots, a break in diplomatic relations culminating in the notorious Iranian edict calling for the death of the novelist. In *The Rushdie Affair* Daniel Pipes explains why the publication of *The Satanic Verses* became a cataclysmic event with far-reaching political and social consequences. Pipes looks at the Rushdie affair in both its political and cultural aspects and shows in considerable detail what the fundamentalists perceived as so offensive in *The Satanic Verses* as against what Rushdie's novel actually said. Pipes explains how the book created a new crisis between Iran and the West at the time, disrupting international diplomacy, billions of dollars in trade and prospects for the release of Western hostages in Lebanon. Pipes maps out the long-term implications of the crisis: If the Ayatollah so easily intimidated the West, can others do the same? Can millions of fundamentalist Muslims now living in the United States and Europe possibly be assimilated into a culture so alien to them? Insightful and brilliantly written, this volume provides a full understanding of one of the most significant events in recent years. Koenraad Elst's postscript reviews the enduring impact of the Rushdie affair. *The Rushdie Affair* is a lucid, balanced, often startling and ultimately convincing analysis, scrupulously fair, respectful of Islam yet unintimidated by the flood of threats and invective. Mark Caldwell, Philadelphia Inquirer. A work of impeccable scholarship, Pipes offers a number of conclusions that merit attention at all levels. Amir Tahiri, Los Angeles Times. Daniel Pipes is director of the Middle East Forum and a columnist for the New York Post and the Jerusalem Post. Among his books are *The Long Shadow: Culture and Politics in the Middle East*, *In the Path of God: Islam and Political Power*, both published by Transaction. Greater Syria: The History of an Ambition and *Friendly Tyrants: An American Dilemma*. Koenraad Elst is a Belgium-based writer on comparative religion, Indian history and Hindu-Muslim relations. Very highly recommended for anyone seeking a better understanding of contemporary Islam in general and this defining controversy in particular. Wisconsin Bookwatch. **Postmodernism and Islam** Akbar S. Ahmed, 1992. If you have been puzzled and bewildered by the mixed messages abounding in the relations between Islam and the western world, this is the book for you. A marvellous and accessible guide to one of the great issues in the world today.

Iran at the Crossroads Miron Rezun, 2019-03-19. The chapters in this book were written by me or solicited from renowned experts to produce a work that anticipated an imminent post-Khomeini period in Iranian history. The first draft was not ready until June 1989, practically coinciding with the death of Khomeini and the tenth anniversary of the Iranian Revolution, an important milestone after a decade of turmoil. The book you are about to read took some time to put together. Based on extensive research, the project was undertaken in early 1988 and ended about the spring of 1990. A sincere debt of gratitude is naturally owed to all of my contributors. But the preparation of any book does not take place in a financial void. My

gratitude is especially extended to the academic vice president of my university Dr Robert Burridge for granting me the seed money from the university's Development Fund. Substantial financial assistance to cover the bulk of the logistical expenses was offered by the Canadian Institute of International Peace and Security in Ottawa and by the Social Sciences and Humanities Research Council of Canada through its program of aid to scholarly conferences.

Diaspora and Multiculturalism, 2021-12-28 In postcolonial theory we have now reached a new stage in the succession of key concepts. After the celebrations of hybridity in the work of Homi Bhabha and Gayatri Spivak it is now the concept of diaspora that has sparked animated debates among postcolonial critics. This collection intervenes in the current discussion about the new diaspora by placing the rise of diaspora within the politics of multiculturalism and its supersession by a politics of difference and cultural rights theory. The essays present recent developments in Jewish negotiations of diasporic tradition and experience, discussing the reinterpretation of concepts of the old diaspora in late twentieth-century British and American Jewish literature. The second part of the volume comprises theoretical and critical essays on the South Asian diaspora and on multicultural settings between Australia, Africa, the Caribbean, and North America. The South Asian and Caribbean diasporas are compared to the Jewish prototype and contrasted with the Turkish diaspora in Germany. All essays deal with literary reflections on and thematizations of the diasporic predicament.
