Russia As A Great Power Dimensions Of Security Under Putin

Gareth Dale

Russia As A Great Power Dimensions Of Security Under Putin:

Russia as a Great Power Jakob Hedenskog, Vilhelm Konnander, Bertil Nygren, Ingmar Oldberg, Christer Pursiainen, 2013-07-04 After a period of relative weakness and isolation during most of the 1990s Russia is again appearing as a major security player in world politics This book provides a comprehensive assessment of Russia's current security situation addressing such questions as What kind of player is Russia in the field of security What is the essence of its security policy What are the sources capabilities and priorities of its security policy What are the prospects for the future One important conclusion to emerge is that while Russian foreign policy under Putin has become more pragmatic and responsive to both problems and opportunities the growing lack of checks and balances in domestic politics makes political integration with the West difficult and gives the president great freedom in applying Russia's growing power abroad *Russia's Security Policy under Putin* Aglaya Snetkov, 2014-11-27 This book examines the evolution of Russia's security policy under Putin in the 21st century using a critical security studies approach Drawing on critical approaches to security the book investigates the interrelationship between the internal external nexus and the politics of in security and regime building in Putin's Russia In so doing it evaluates the way that this evolving relationship between state identities and security discourses framed the construction of individual security policies and how in turn individual issues can impact on the meta discourses of state and security agendas To this end the de securitisation discourses and practices towards the issue of Chechnya are examined as a case study In so doing this study has wider implications for how we read Russia as a security actor through an approach that emphasises the importance of taking into account its security culture the interconnection between internal external security priorities and the dramatic changes that have taken place in Russia's conceptions of itself national and security priorities and conceptualisation of key security issues in this case Chechnya These aspects of Russia's security agenda remain somewhat of a neglected area of research but as argued in this book offer structuring and framing implications for how we understand Russia's position towards security issues and perhaps those of rising powers more broadly This book will be of much interest to students of Russian security critical security studies and IR *The Great Power (mis)Management* Assoc Prof Alexander Astrov, 2013-03-28 Drawing on the empirical case of the Russian Georgian war of 2008 the book explores the theoretical underpinnings of the idea of great power management first articulated within the English School of International Relations The contributors to the volume approach this idea from a variety of theoretical perspectives ranging from policy analysis to critical theory but all of them are addressing the same question What does the Russian Georgian war of 2008 tell us about great power management as an institution of international society *Russia and the World* Natasha Kuhrt, 2014-10-14 This volume brings together analyses of key domestic foreign and security policy issues during the Putin and Medvedev administrations Indeed the chapters demonstrate the extent to which domestic and foreign policy issues are inextricably linked in particular in the domain of security whether hard or soft Internal debates regarding

Russia's trajectory including issues of national identity economic modernisation human rights and democracy continue to be at the forefront of concern Moreover these debates are intimately connected to Russia's self image and the image therefore that it wishes to project in the wider world The debates focus on Russia as energy superpower as one of the BRICS as an Eurasian landbridge or a window on the Asia Pacific Such debates are a constant reminder of the uncertainty surrounding Russia's future path This book expresses these uncertainties which range from the role of nuclear weapons and energy to critiques of Russia's approach to concepts such as sovereignty and self determination the fight against terrorism insurgency and the role of Islam within and without Russia may have left the chaos of the Yeltsin years behind but as we move into Putin 3 0 the concerns of these chapters will remain critical both to Russia itself and to Russia's relations with the wider world This book was published as a special issue of Europe Asia Studies

Russian Foreign Policy Jeffrey Mankoff, 2011-10-16 Now thoroughly updated this widely praised book provides a thoughtful and balanced examination of the development of Russian foreign policy since the end of the Cold War This edition also places developments of the past two decades into the broader sweep of Russian history Jeffrey Mankoff argues that Russia's more assertive behavior since Vladimir Putin became president in 2000 has resulted from both a deep seated consensus among its elite about Russia's identity and interests as well as a favorable convergence of events including the persistence of high energy prices and the check on U S power resulting from the wars in Iraq and Afghanistan Because these factors are the result of long term trends the author argues that there is little reason to expect that the election of Dmitry Medvedev will fundamentally alter Russian foreign policy behavior Presenting an evenhanded treatment of controversial issues Mankoff analyzes Russia's interactions with major global actors including the United States the European Union the Commonwealth of Independent States and China Despite Moscow's often harsh rhetoric and the deployment of Russian forces against Georgia in 2008 the author convincingly demonstrates that there is little reason to fear a return to a Cold War like standoff with the West Instead he argues today's Russia is more interested in restoring what its leaders consider to be its rightful place among the world's major powers rather than in directly challenging the West Thoroughly researched and knowledgeable this book will be invaluable for all readers interested in Russia

Conflict in the Former USSR Matthew Sussex, 2012-10-04 Since the collapse of the Soviet Union conflict in the former USSR has been a key concern in international security This book fills a gap in the literature on violent conflict evaluating a region that contains all the modern ingredients for instability and aggression Bringing together leading experts on war and security the book addresses current debates in international relations about power interests globalisation and the politics of identity as major drivers of contemporary war Incidents such as the 2008 Russo Georgian conflict the wars in Chechnya and Russia's struggles over national identity and resources with former communist states are all thoroughly examined With new issues like energy security terrorism and transnational crime and older tensions between East and West threatening to deepen once more this is an important contribution to the international security literature

The SAGE

Handbook of European Foreign Policy Knud Erik Jorgensen, Aasne Kalland Aarstad, Edith Drieskens, Katie Laatikainen, Ben Tonra, 2015-04-30 During the last two decades the study of European foreign policy has experienced remarkable growth presumably reflecting a more significant international role of the European Union The Union has significantly expanded its policy portfolio and though empty symbolic politics still exists the Union's international relations have become more substantial and its foreign policy more focused European foreign policy has become a dynamic policy area being adapted to changing challenges and environments such as the Arab Spring new emerging economies powers the crisis of multilateralism and much more The SAGE Handbook of European Foreign Policy Two Volume set is a major reference work for Foreign Policy Programmes around the world The Handbook is designed to be accessible to graduate and postgraduate students in a wide variety of disciplines across the humanities and social sciences Both volumes are structured to address areas of critical concern to scholars at the cutting edge of all major dimensions of foreign policy The volumes are composed of original chapters written specifically to the following themes Research traditions and historical experience Theoretical perspectives EU actors State actors Societal actors The politics of European foreign policy Bilateral relations Relations with multilateral institutions Individual policies Transnational challenges The Handbook will be an essential reference for both advanced students and scholars

Status and the Challenge of Rising Powers Steven Ward, 2017-11-16 The rise of China and other great powers raises important questions about the persistence and stability of the liberal international order This book provides a new perspective on these questions by offering a novel theory of revisionist challenges to international order It argues that rising powers sometimes seem to face the condition of status immobility which activates social psychological and domestic political forces that push them toward lashing out in protest against status quo rules norms and institutions Ward shows that status immobility theory illuminates important but often overlooked dynamics that contributed to the most significant revisionist challenges in modern history The book highlights the importance of status in world politics and further advances a new understanding of this important concept's role in foreign policy This book will be of interest to researchers in international politics and security especially those interested in great power politics status power transitions revisionism and order

Russia, the West, and the Ukraine Crisis Elias Götz, 2018-12-07 This book examines the causes and consequences of the Ukraine crisis with a special focus on Russia's relations with the West Towards that end it brings together international relations scholars and area specialists Issues covered include the evolution of EU Russia and US Russia relations the role of strategic culture and ontological insecurities in the formation of Russian foreign policy the role of hybrid warfare in Russian military policy the geopolitical drivers of Russia's Ukraine policy and a discussion of the decision making dynamics that led to Russia's intervention in eastern Ukraine The contributors employ different theoretical approaches and offer partly complementary and partly competing analyses In so doing this book seeks to stimulate dialogue between different positions and advance our understanding of a topic that will shape the European security order for many years to come This book was

originally published as a special issue of Contemporary Politics *The Decline of Regionalism in Putin's Russia* J. Paul Goode, 2011-05-11 This book reassesses Putin's attempt to reverse the decentralization of power that characterised centre regional relations in the 1990s focusing on regional responses to Putin's federal reforms It explains the decline of regionalism after 2000 in terms of the dynamics of regional boundaries understood as the juridical boundaries which demarcate a region's territorial extent and its resources institutional boundaries that sustain regional differences and cultural boundaries that define the ethnic or technocratic principles on which a region could claim legitimate existence The book questions the conventional wisdom regarding the success of Putin's regime It shows how regional governors responded not by attempting to deflect the reforms with outright resistance but by mimicking Putin's centralisation of power at the regional level In turn this facilitated the homogenisation of regional political regimes and regional mergers The book demonstrates how the reordering of regions advanced sporadically how pockets of resistance persist and how the potential for the revival of regionalism continues *Russia* R. Kanet, 2007-06-28 The authors argue that Vladimir Putin and his advisors are committed to re-establishing Russia as a great power and that the existence of nuclear weapons and the revival of the Russian economy have provided the foundations for an expanded Russian role in global affairs NATO and the War in Ukraine Jan Eichler, 2024-10-29 This book presents a fresh perspective on the geopolitical landscape surrounding NATO's enlargement aptly termed expansion by invitation Looking beyond conventional narratives it unravels the multifaceted outcomes of this process extending beyond the initial optimism While acknowledging the merits of NATO's expansion the book scrutinizes its contentious side effects notably the escalating militarization of the Baltic and Black Sea regions heightened military expenditure shifts toward offensive doctrines and the surge in military exercises and incidents between NATO and Russia In a world witnessing a renewed bipolarization akin to the Cold War era the book underscores the need for NATO and Russia to de-escalate tensions and strive towards a transition from contemporary negative peace to a more constructive positive peace Devoid of bias this book refrains from condemning the expansion process but rather calls for an acknowledgment of its consequences It is an indispensable resource for academics seeking a nuanced understanding of NATO's expansion challenging prevailing terminologies and offering insights into the complex dynamics of international security in Europe **First the Transition, then the Crash** Gareth Dale, 2011-09-12 The 1989-91 upheavals in Eastern Europe sparked a turbulent process of social and economic transition Two decades on with the global economic crisis of 2008-10 a new phase has begun This book explores the scale and trajectory of the crisis through case studies of the Czech Republic Hungary Latvia Poland Russia Ukraine and the former Yugoslavia The contributors focus upon the relationships between geopolitics the world economy and class restructuring The book covers the changing relationship between business and states foreign capital flows financialisation and asset price bubbles austerity and privatisation and societal responses in the form of reactionary populism and progressive social movements Challenging neoliberal interpretations that envisage the

transition as a process of unfolding liberty the dialectic charted in these pages reveals uneven development attenuated freedoms and social polarisation

Television and Culture in Putin's Russia Stephen Hutchings, Natalia Rulyova, 2009-06-02 This book examines television culture in Russia under the government of Vladimir Putin In recent years the growing influx into Russian television of globally mediated genres and formats has coincided with a decline in media freedom and a ratcheting up of government control over the content style of television programmes All three national channels First Russia NTV have fallen victim to Putin's power obsessed regime Journalists critical of his Chechnya policy have been subject to harassment and arrest programmes courting political controversy such as Savik Shuster's Freedom of Speech Svoboda slova have been taken off the air coverage of national holidays like Victory Day has witnessed a return of Soviet style bombast and reporting on crises such as the Beslan tragedy is severely curtailed The book demonstrates how broadcasters have been enlisted in support of a transparent effort to install a latter day version of imperial pride in Russian military achievements at the centre of a national identity project over which from the depths of the Kremlin Putin's government exerts a form of remote control However central to the book's argument is the notion that because of the changes wrought upon Russian society after 1985 a blanket return to the totalitarianism of the Soviet media has notwithstanding the tenor of much western reporting on the issue not occurred Despite the fact that television is nominally under state control that control remains remote and less than wholly effective as amply demonstrated in the audience research conducted for the book and in analysis of contradictions at the textual level Overall this book provides a fascinating account of the role of television under President Putin and will be of interest to all those wishing to understand contemporary Russian society

The European Union, Russia and the Shared Neighbourhood Jackie Gower, Graham Timmins, 2013-09-13 The conflict in South Ossetia in the summer of 2008 and the Ukrainian energy crisis in early 2009 served to highlight the tensions that continue to influence EU Russia relations in regard to the region comprising the former republics of the Soviet Union or the shared neighbourhood This book draws together research which examines the objectives of EU and Russian foreign policy and the complexities of the security challenges in this region Although both actors have a shared interest in cooperating to create conditions of peace and stability we have in recent years observed the development of growing competition between the EU and Russian foreign policy agendas This book was based on a special issue of Europe Asia Studies

The Rebuilding of Greater Russia Bertil Nygren, 2007-10-26 This book describes the strategies used by President Putin from 2000 onwards to recreate Greater Russia that is a Russia that controls most of the territory of the former Soviet Union It shows the subtlety of the means of control often through creating economic dependencies in the near abroad including exploiting energy dependency through prolonging other political and military dependencies and sometimes through traditional power politics Bertil Nygren argues that after seven years in power the results of this strategy are beginning to show providing comprehensive coverage of Russia's relations to the former Soviet territories of the CIS countries including Ukraine and Putin's role in the events

surrounding the Orange Revolution Belarus and the attempts to form a union the Caucasus and Russia's role in the various conflicts Moldova including the Transdniestrian conflict and Central Asia This is an important subject for Russian studies experts and international relations scholars in general Russian Energy Policy and Military Power Pavel K.

Baev, 2012-12-06 This book examines the interplay between energy policy and security policy under Vladimir Putin and his drive to re-establish Russia's greatness Assessing the internal contradictions of this policy the book argues that Russia's desire to strengthen its role of energy security provider is undermined by its inability to secure growth in production of oil and gas Further the pressing demand to channel more resources into the military industrial complex clashes with the growing need to invest in the energy complex and the priority granted to strategic forces deprives the conventional forces of strike power and strategic mobility In conclusion the author anticipates how these contradictions could be resolved and suggests three short scenarios for Russia's continuing transition in the next decade This book will be of interest to students of Russian politics European politics and international security **Russia's Cultural Statecraft** Tuomas Forsberg, Sirke Mäkinen, 2021-11-04 This book focusses on Russia's cultural statecraft in dealing with a number of institutional cultural domains such as education museums and monuments high arts and sport It analyses to what extent Russia's cultural activities abroad have been used for foreign policy purposes and perceived as having a political dimension Building on the concept of cultural statecraft the authors present a broad and nuanced view of how Russia sees the role of culture in its external relations how this shapes the image of Russia and the ways in which this cultural statecraft is received by foreign audiences The expert team of contributors consider what choices are made in fostering this agenda how Russian state authorities see the purpose and limits of various cultural instruments to what extent can the authorities shape these instruments what domains have received more attention and become more politicised and what fields have remained more autonomous The methodological research design of the book as a whole is a comparative case study comparing the nature of Russian cultural statecraft across time target countries and diverse cultural domains It will be of interest to scholars and students of Russian foreign policy and external relations and those working on the role of culture in world politics **Russia and its Near Neighbours** M. Freire, R. Kanet, 2012-05-15 Russia has recently re-emerged as the dominant political economic and military actor in former Soviet nations Kanet and Freire bring together a stellar cast of contributors to consider Russia's recent return as a major regional and international actor and its likely future policy toward its neighbours Routledge Handbook of Russian Security Roger E. Kanet, 2019-01-15 The Routledge Handbook of Russian Security offers a comprehensive collection of essays on all aspects of Russian security and foreign policy by international scholars from across the world The volume identifies key contemporary topics of research and debate and takes into account the changes that have occurred in the study of Russian security strategy since the end of the Cold War The handbook is organised into five sections The theory and nature of Russian security policy The domestic and foreign policy nexus Instruments used by Russia

in pursuing its security Global and regional aspects of Russian security and foreign policy Case studies of Russian involvement in a series of security conflicts The book concludes with case studies of the major examples of Russian involvement and operations in a series of security conflicts including that in Georgia the intervention in Ukraine and occupation of Crimea and the ongoing Civil War in Syria This volume will be of great interest to students of Russian security strategic studies foreign policy European politics and International Relations in general

This is likewise one of the factors by obtaining the soft documents of this **Russia As A Great Power Dimensions Of Security Under Putin** by online. You might not require more get older to spend to go to the books opening as skillfully as search for them. In some cases, you likewise do not discover the message Russia As A Great Power Dimensions Of Security Under Putin that you are looking for. It will unquestionably squander the time.

However below, afterward you visit this web page, it will be in view of that utterly simple to acquire as capably as download guide Russia As A Great Power Dimensions Of Security Under Putin

It will not give a positive response many grow old as we tell before. You can pull off it even if affect something else at home and even in your workplace. as a result easy! So, are you question? Just exercise just what we allow below as without difficulty as evaluation **Russia As A Great Power Dimensions Of Security Under Putin** what you following to read!

Russia As A Great Power Dimensions Of Security Under Putin Introduction

In today's digital age, the availability of Russia As A Great Power Dimensions Of Security Under Putin books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Russia As A Great Power Dimensions Of Security Under Putin books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Russia As A Great Power Dimensions Of Security Under Putin books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Russia As A Great Power Dimensions Of Security Under Putin versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Russia As A Great Power Dimensions Of Security Under Putin books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Russia As A Great Power Dimensions Of Security Under Putin books and manuals, several platforms offer an extensive collection of resources. One such platform is Project

Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Russia As A Great Power Dimensions Of Security Under Putin books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Russia As A Great Power Dimensions Of Security Under Putin books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Russia As A Great Power Dimensions Of Security Under Putin books and manuals for download and embark on your journey of knowledge?

FAQs About Russia As A Great Power Dimensions Of Security Under Putin Books

What is a Russia As A Great Power Dimensions Of Security Under Putin PDF? A PDF (Portable Document Format) is a file format developed by Adobe that preserves the layout and formatting of a document, regardless of the software, hardware, or operating system used to view or print it. **How do I create a Russia As A Great Power Dimensions Of Security Under Putin PDF?** There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools. Print to PDF: Many applications and operating systems have a "Print to PDF" option that allows you to save a document as a PDF file instead of printing it on paper. Online converters: There are various online tools that can convert different file types to PDF. **How do I edit a Russia As A Great Power Dimensions Of Security Under Putin PDF?** Editing a PDF can be done with software like Adobe Acrobat, which allows direct editing of text, images, and other elements within the PDF. Some free tools, like PDFescape or Smallpdf, also offer

basic editing capabilities. **How do I convert a Russia As A Great Power Dimensions Of Security Under Putin PDF to another file format?** There are multiple ways to convert a PDF to another format: Use online converters like Smallpdf, Zamzar, or Adobe Acrobats export feature to convert PDFs to formats like Word, Excel, JPEG, etc. Software like Adobe Acrobat, Microsoft Word, or other PDF editors may have options to export or save PDFs in different formats. **How do I password-protect a Russia As A Great Power Dimensions Of Security Under Putin PDF?** Most PDF editing software allows you to add password protection. In Adobe Acrobat, for instance, you can go to "File" -> "Properties" -> "Security" to set a password to restrict access or editing capabilities. Are there any free alternatives to Adobe Acrobat for working with PDFs? Yes, there are many free alternatives for working with PDFs, such as: LibreOffice: Offers PDF editing features. PDFsam: Allows splitting, merging, and editing PDFs. Foxit Reader: Provides basic PDF viewing and editing capabilities. How do I compress a PDF file? You can use online tools like Smallpdf, ILovePDF, or desktop software like Adobe Acrobat to compress PDF files without significant quality loss. Compression reduces the file size, making it easier to share and download. Can I fill out forms in a PDF file? Yes, most PDF viewers/editors like Adobe Acrobat, Preview (on Mac), or various online tools allow you to fill out forms in PDF files by selecting text fields and entering information. Are there any restrictions when working with PDFs? Some PDFs might have restrictions set by their creator, such as password protection, editing restrictions, or print restrictions. Breaking these restrictions might require specific software or tools, which may or may not be legal depending on the circumstances and local laws.
