# Russia And Japan An Unresolved Dilemma Between Distant Neighbors

**Susan L. Shirk, Christopher P. Twomey**

## **Russia And Japan An Unresolved Dilemma Between Distant Neighbors:**

**Russia and Japan** Tsuyoshi Hasegawa, Jonathan Haslam, Andrew Kuchins, 1993 Japanese-Russian Relations, 1907-2007 Joseph Ferguson, 2008-04-03 This book presents a comprehensive survey of Japanese Russian relations from the end of the Russo Japanese War until the present Based on extensive original research in Japanese and Russian sources it shows how the hopeful period of the late 1990s when acrimonious relations between the two briefly ceased was not in fact unique **Japanese-Russian Relations Under Gorbachev and Yeltsin** Hiroshi Kimura, 2016-07-08 Why has the stalemate in Japanese Russian relations persisted through the end of the Cold War and Moscow s weakening control over its far eastern territories In this volume Kimura continues his comprehensive analysis of Russia and Japan s strained and unstable relations to the present day *Power and Prosperity* Susan L. Shirk, Christopher P. Twomey, 1996-01-01 Power and Prosperity brings together senior scholars policy officials and international journalists to provide diverse perspectives on regional dynamics and domestic intricacies in the Pacific Rim countries and to examine the effects of changing security patterns on economic relations and growth The contributions highlight the degree to which economic and security policies are connected and show how policymakers can build upon the positive dimensions of regional and international ties to increase trust and limit the development of security dilemmas Trade and Security Charles M. Dobbs, 2010-02-19 In a strange way the United States achieved its goal for the Vietnam War but forgot why it was fighting It was not fighting to keep South Vietnam from falling to the communists it was fighting in Indochina to buy time for the other free nations of the region to develop economically and strengthen their respective relationships with their polities In 1961 the region seemed weak economically Japan was on the eve of its great expansion that turned it into the world s second largest economy for many years South Korea and Taiwan still depended on US economic assistance and focused more on the perceived communist threat than improving the quality of life for their peoples Thailand similarly watched the civil war in Laos the Philippines needed to develop stability in government and the Malay peoples moved from Malaya to Malaysia to Malaysia and Singapore all the while warily watching events in Indonesia Trade and Security discusses how the US government sought to rally the region against the Communist threat and in part opened the American economy to exploitation by its East Asian allies and how those Allies used the Cold War and the perceived Chinese threat to gain greater access despite the consequent damage the American economy suffered While US financial officials complained about the increasing damage to the domestic economy and to the worsening balance of trade and balance of payments deficits diplomatic and military leaders remained fixated on the general superpower confrontation with the Soviet Union and the regional competition with the People s Republic of China **The End of the Pacific War** Tsuyoshi Hasegawa, 2007 State of the art reinterpretations of the reasons for Japan s decision to surrender by distinguished historians of differing national perspectives and differing views *Russia After the Fall* Andrew Kuchins, 2013-01-25 Russia s first decade after the collapse of the Soviet Union has been simultaneously tumultuous and transformative For most of the

1990s the Russian economy was in free fall the legal system in absentia and the majority of citizens engaged primarily in survival efforts Not surprisingly the former superpower also struggled to adapt to its greatly diminished means and status Russia after the Fall is a collection of essays by internationally renowned experts on Russian politics economics society and foreign and security policy The volume is comprehensive in its coverage of key topics as well as reflective of contemporary debates on developments in Russia The essays provide retrospective analyses on how Russia has fared in its reform efforts and a prospective look at the challenges ahead This book will be of interest to scholars students and to a general audience seeking to better understand where Russia has been and where it is going Contributors include Anders slund Carnegie Endowment Harley Balzer Georgetown University Clifford Gaddy Brookings Institution James Goldgeier George Washington University Rose Gottemoeller Carnegie Endowment Thomas E Graham Jr Carnegie Endowment Joel Hellman World Bank Stephen Holmes New York University Andrew C Kuchins Carnegie Endowment Anatol Lieven Carnegie Endowment Michael McFaul Carnegie Endowment Martha Brill Olcott Carnegie Endowment Dmitri Trenin Carnegie Moscow Center and Judyth Twigg Virginia Commonwealth University Andrew C Kuchins is the director of the Russian and Eurasian Program at the Carnegie Endowment where he specializes in Russian policy and security issues He is coeditor of *Russia and Japan An Unresolved Dilemma between Distant Neighbors* Berkeley Public Policy Press 1993

*Painful Choices* David A. Welch, 2011-06-27 Under what conditions should we expect states to do things radically differently all of a sudden In this book David Welch seeks to answer this question constructing a theory of foreign policy change inspired by organization theory cognitive and motivational psychology and prospect theory He then test drives the theory in a series of comparative case studies in the security and trade domains Argentina s decision to go to war over the Falklands Malvinas vs Japan s endless patience with diplomacy in its conflict with Russia over the Northern Territories America s decision to commit large scale military force to Vietnam vs its ultimate decision to withdraw and Canada s two abortive flirtations with free trade with the United States in 1911 and 1948 vs its embrace of free trade in the late 1980s *Painful Choices* has three main objectives to determine whether the general theory project in the field of international relations can be redeemed given disappointment with previous attempts to reflect on what this reveals about the possibilities and limits of general theory and to inform policy Welch argues that earlier efforts at general theory erred by aiming to explain state behavior which is an intractable problem Instead since inertia is the default expectation in international politics all we need do is to explain changes in behavior *Painful Choices* shows that this is a tractable problem with clear implications for intelligence analysts and negotiators

**Unwanted Visionaries** Sergey Radchenko, 2014-01-07 Mikhail Gorbachev s relations with the West have captured the imagination of contemporaries and historians alike but his vision of Soviet leadership in Asia has received far less attention The failure of Gorbachev s Asian initiatives has had dramatic consequences by the late 1980s the Soviet Union was in full retreat from Asia and since the Soviet collapse Russia has been left on the sidelines of the Pacific century In this

exceptionally wide ranging and deeply researched book Sergey Radchenko offers an illuminating account of the end of the Cold War in the East tracing the death of Soviet ambitions in Asia Radchenko shows that Gorbachev began with big gestures of which the most important was his initiative in Vladivostok in July 1986 the opening salvo of the Soviet charm offensive in Asia Pacific The problem Radchenko points out was that no one in Asia bought into Gorbachev's vision If the Soviets had realized earlier that they needed Asia more than Asia needed them they might have played a much more important role there Instead China was largely misunderstood early gains in India were squandered Japan was ignored or condescended to and the Korean scenario played out in ways most unfavorable to Russia Radchenko captures all of this in his compelling narrative shedding important new light on many key players including Gorbachev Deng Xiaoping Margaret Thatcher Boris Yeltsin and George H W Bush among others Based on archival research in Russia China Mongolia India the United States Britain and numerous European countries and on interviews with former policy makers in a dozen countries Unwanted Visionaries presents a deftly narrated and penetrating portrait of the Soviet failure in the East with a wealth of valuable insight into Asia today

**The Last Tsar** Tsuyoshi Hasegawa, 2024-12-03 Elegantly written and magisterially researched Robert Service author of *A History of Modern Russia* the definitive story behind the self destruction of the autocratic Romanov dynasty by the world's foremost expert When Tsar Nicholas II fell from power in 1917 Imperial Russia faced a series of overlapping crises from war to social unrest Though Nicholas's life is often described as tragic it was not fate that doomed the Romanovs it was poor leadership and a blinkered faith in autocracy Based on a trove of new archival discoveries *The Last Tsar* narrates how Nicholas's resistance to reform doomed the monarchy Encompassing the captivating personalities of the era it untangles the struggles between the increasingly isolated Nicholas and Alexandra and the factions of scheming nobles ruthless legislators and pragmatic generals who sought to stabilize the restive Russian empire either with the Tsar or without him By rejecting compromise Nicholas undermined his supporters at crucial moments His blunders cleared the way for all out civil war and the eventual rise of the Soviet Union Definitive and engrossing *The Last Tsar* uncovers how Nicholas II stumbled into revolution taking his family the Romanov dynasty and the whole Russian Empire down with him

**The Russia Balance Sheet** Anders Åslund, 2009 Introduction why Russia matters and how Russia's historical roots Political development from disorder to recentralization of power Russia's economic revival past recovery future challenges Policy on oil and gas International economic integration trade policy and investment Challenges of demography and health Russian attitudes toward the West Russia as a post imperial power Pressing the reset button on US Russia relations Key facts on Russia 2000 2008

*Japan and Russia in Northeast Asia* Vladimir I. Ivanov, Karla S. Smith, 1999-03-30 This collection of essays by leading scholars and diplomats involved with the area examines the key political and economic issues facing Japan Russia and their neighbors since the end of the Cold War The main goal is to analyze recent developments in Moscow Tokyo bilateral relations and their growing interest in closer economic engagement stability and regional cooperation The volume provides readers

with an in depth analysis of the very problems and opportunities that compelled the national leaders of Japan and Russia to drastically change the format and contents of the dialogue to address the most critical issues not only of the moment but also for the future The volume is a crucial resource for scholars policy makers and students involved with Asia Pacific economic cooperation and Japanese and Russian foreign policy      Resolving the Russo-Japanese Territorial Dispute Brad Williams, 2007-06-11 The unresolved territorial dispute between Japan and Russia over the South Kuril Islands Northern Territories remains the largest obstacle to concluding a peace treaty and fully normalising bilateral relations between the two nations This book traces the evolution of transnational relations between subnational public authorities in Hokkaido and Sakhalin examining the interrelationship between these ties and the Russo Japanese territorial dispute The book investigates why the development of Hokkaido Sakhalin relations has failed to create at the subnational level an environment conducive to resolving kankyo seibi the South Kuril Islands Northern Territories dispute Brad Williams suggests that kankyo seibi has not worked primarily because Russia s troubled transition to a liberal democratic market economy has manifested itself in ways that have ultimately increased the South Kuril Islands intrinsic and instrumental value for the Sakhalin public and regional elite This in turn has limited the impact from the twin transnational processes of cultural and economic exchange in alleviating opposition to the transferral of these disputed islands to Japan Drawing upon a wealth of primary and secondary sources from both countries this book utilises levels of analysis and an analytical framework that incorporates national and subnational as well as governmental and non governmental forces to discuss a relatively unexplored aspect of Russo Japanese relations As such Resolving the Russo Japanese Territorial Dispute will appeal to students and scholars of Asian politics international relations and post communist states      *The American Bibliography of Slavic and East European Studies* Patt Leonard, Rebecca Routh, 2020-02-27 This bibliography first published in 1957 provides citations to North American academic literature on Europe Central Europe the Balkans the Baltic States and the former Soviet Union Organised by discipline it covers the arts humanities social sciences life sciences and technology      **Russian Foreign Policy After the Cold War** Leszek Buszynski, 1996-08-23 This important new study drawing primarily on Russian sources analyzes Russian foreign policy in the context of an ongoing national identity crisis The work examines Russia s foreign policy in terms of two salient factors 1 political and economic reform given that foreign policy has been strongly influenced by reactions positive and negative to Yeltsin s reform agenda and 2 Russia s geopolitical predicament between Europe and Asia between East and West which requires it to reconcile various strategic imperatives with regard to NATO China and the Islamic world Buszynski s study reveals current Russian foreign policy as a process of interaction between these two factors the result being considerable vacillation between support for the West and opposition to it An important analysis that will be of interest to foreign policy and international relations experts in academia and government      *Russia* Neil Robinson, 2003-09-02 This invaluable text traces Russia s complex historical development in the last century its recent

political troubles and economic misfortunes and its place in the contemporary international system     The International Politics of the Asia Pacific Michael Yahuda, 2012-12-06 This second edition of Michael Yahuda's extremely successful textbook introduces students to the international politics of the Asia Pacific region since 1945. The new edition is completely updated with contemporary coverage of the economic crises and includes new chapters on the current role of East Asia in world affairs, prospects post 2000, the strengths and weaknesses of US dominance and the challenge of other powers, prospects for and implications of an East Asian economic recovery.     *Japan and the Sino-Soviet Alliance, 1950-1964* C. Braddick, 2003-12-09 Japan and the Sino-Soviet Alliance 1950-1964 reveals the divisive impact of the Sino-Soviet Alliance on Japanese domestic politics and foreign relations during the turbulent years between 1950 and 1964. Drawing on extensive Japanese sources and unprecedented access to previously classified government documents, C. W. Braddick exposes the myths shrouding this formative era in Japan's postwar development.     *Policing Northeast Asia* Se Hyun Ahn, 2020-06-02 This book explores the progress in and the obstacles surrounding developing comprehensive security cooperation between Russia and South Korea since diplomatic relations were established in 1991 within the framework of economic security. The book focuses on oil and natural gas projects linking the Trans-Siberian and Trans-Korean Railroads, industrial development in the Nakhodka Free Economic Zone, fishery cooperation and the arms trade and examines whether these five aspects of cooperation serve to contribute to building Russian-South Korean bilateral and regional economic security. The author argues that these five aspects of cooperation all have the potential to enhance comprehensive bilateral security and further regional economic security in Northeast Asia. However, Russian-South Korean economic cooperation has been hampered by a number of obstacles including domestic factors as well as external factors and prevented Russia and South Korea from fulfilling their potential for creating a cooperative comprehensive security relationship. The author concludes with an assessment on the utility of the concept of multi-dimensional security cooperation as a framework for studying and improving the prospects for Russian-South Korean bilateral relations.     *Politics and Economics in the Russian Far East* Tsuneo Akaha, 2002-09-11 Politics and Economics in the Russian Far East addresses the key issue of what the Russian Far East and its Northeast Asian neighbours can do to further close economic and co-operative relationships. The question of to what extent the state should intervene to stimulate economic growth in the Russian Far East is covered, as are the options for a more laissez-faire approach. The possibilities for economic co-operation with the more successful market economies of the region are discussed, as are the problems and opportunities presented by the exploitation of Russia's vast natural resources. This book will be essential reading for all those wishing to obtain a deeper understanding of the complexity of the issues involved in the development of co-operative relationships between Russia and its Asia-Pacific neighbours.

Right here, we have countless books **Russia And Japan An Unresolved Dilemma Between Distant Neighbors** and collections to check out. We additionally allow variant types and along with type of the books to browse. ### **Russia And Japan An Unresolved Dilemma Between Distant Neighbors Introduction**

In today's digital age, the availability of Russia And Japan An Unresolved Dilemma Between Distant Neighbors books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Russia And Japan An Unresolved Dilemma Between Distant Neighbors books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Russia And Japan An Unresolved Dilemma Between Distant Neighbors books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Russia And Japan An Unresolved Dilemma Between Distant Neighbors versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Russia And Japan An Unresolved Dilemma Between Distant Neighbors books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Russia And Japan An Unresolved Dilemma Between Distant Neighbors books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Russia And Japan An Unresolved Dilemma Between Distant Neighbors books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural

artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Russia And Japan An Unresolved Dilemma Between Distant Neighbors books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Russia And Japan An Unresolved Dilemma Between Distant Neighbors books and manuals for download and embark on your journey of knowledge?

### **FAQs About Russia And Japan An Unresolved Dilemma Between Distant Neighbors Books**

1. Where can I buy Russia And Japan An Unresolved Dilemma Between Distant Neighbors books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
