Russia And The World Economy Problems Of Integration:

Radical Reform in Yeltsin's Russia Julie Nelson, Irina Y. Kuzes, 2016-09-16 This work examines the political and organizational factors that have shaped Russian economic reforms since the demise of the Soviet Union The author draws on a variety of sources including interviews conducted in Ekaterinburg Voronezh and Smolensk to present a multilayered portrait of the successes failures and umintended consequences of the reforms The book covers the consequence of dissolving the USSR and Russia's role in the CIS political transition economic reform assessment of the political and social implications of neo liberal moneterism and of the voucher privatisation programme and both regional and federal structures The New Russia Ian Jeffries, 2013-12-19 The rapid changes in Russia since the collapse of the Soviet Union are often bewildering with many frequent highly significant changes in the different sectors of the economy and the political system There have been frequent changes of personnel in government and economic management and many changes have been reversed and sometimes forgotten or at other times reinstated What happened when Who was responsible for what Did such a change in one sector precede or follow a particular change elsewhere These are points not easily remembered This book provides full details of the many changes and enables sense to be made of what would otherwise be a confusing situation Developments are arranged chronologically by sector and the book is unusual in extensively chronicling both economic and political developments and the crucial connections between them There is a generous introduction and overview to help the reader find his or her way around The material covers the period up to late autumn 2000 and thus offers a valuable guide to policies in the Putin era **Political Developments in Contemporary** Russia Ian Jeffries, 2011-03-07 This book provides a comprehensive overview of political developments in Russia since late 1999 It covers all aspects of politics including central government and elections regional government and developments in the republics including in Chechnya and other Caucasian republics and human rights The Political Economy of *Post-Soviet Russia* V. Tikhomirov, 2000-05-15 This book deals with general political and economic developments that took place in Russia since the collapse of the Soviet Union The major aim of the book is to analyse successes and failures of Russian reform attempts as well as their effect on the development of Russian regions particularly from the point of view of interrelation between socio economic tendencies and political developments Analysis concentrates on both national dynamics and dynamics of development in three main groups of regions mining agricultural and manufacturing Change in Putin's

Russia Simon Pirani, 2009-11-06 This is an investigation into the interaction of power money and people in Russia during the presidencies of Vladimir Putin and Dmitry Medvedev Profiling Putin s team including his security services and pro market economic reformers Simon Pirani argues that the growth during the oil boom was one sided The gap between rich and poor widened Now the boom is over this problem has only grown As well as explaining Russia's economic trajectory the book provides a unique account of the social movements that are working against an increasingly authoritarian government to change Russia for the better The International Politics of Eurasia: v. 8: Economic Transition in Russia and the New States of Eurasia S. Frederick Starr, Karen Dawisha, 2016-09-17 First Published in 1996 This ambitious ten volume series develops a comprehensive analysis of the evolving world role of the post Soviet successor states Each volume considers a different factor influencing the relationship between internal politics and international relations in Russia and in the western and southern tiers of newly independent states The contributors were chosen not only for their recognized expertise but also to ensure a stimulating diversity of perspectives and a dynamic mix of approaches This is Volume 8 Economic Transition in Russia and the New States of Eurasia **Economic Opening Up and Growth in Russia** Evgeny Gavrilenkov, Paul J.J. Welfens, Ralf Wiegert, 2013-03-19 After a decade of sharp economic decline Russia switched to an impressive period of economic growth Yet the economic record is still mixed and many key problems remain unresolved both in the economic sphere and the political system The focus is on economic dynamics in Russia reasons for its hesitant opening up process as well as the special role of the natural resources sector which is expected to continue to grow This analysis highlights the existing deficiencies of the Russian economic system and raises doubts about the sustainability of growth Twin focus is on required reforms and endogenous forces that impair liberalizing trade and investment in an orderly way Russian discussions on WTO and other international topics are reflected **Russia and Eurasia at the Crossroads** Egor S. Stroev, Leonid S. Bliakhman, Mikhail I. Krotov, 2012-12-06 This last century of the second millennium has compressed human history to such an extent that whole ages of engineering economics social politics and the humanities have been accommodated in decades or even years Mankind has matured and applied its cognitive and creative genes to advance science and to internationalise future goals including the vital goal of sustainable social development However having no control over the new pace of history twentieth century civilisation has faced global cataclysms of a frequency and depth unprecedented and inconceivable in the past millennia Among the recent crises to be resolved in the third millennium is disintegration of the Soviet Union the biggest state and third largest population in the world Regretfully the pace of change in the Soviet Union had been slower than the rates of reform elsewhere Attempts at economic redecorating instead of radical market oriented reforms failed In Soviet society general discontent with the progress of perestroika in the 1980s provoked the child complacency syndrome that is typical of a young mind contemptuous of any adult action it is convinced that things could have been done much better and much quicker With the new millennium approaching the Soviet Union gave way to 15 new states ridden with both

inherited and acquired economic political and social maladies It is common knowledge however that childhood epidemics are Russia Under Yeltsin and Putin Boris Kagarlitsky, 2002-01-20 Russia has undergone more seismic changes short lived over the last 100 years than almost any other country The 1917 Revolution the rapid industrialisation of the 1930s the following devastation of the Second World War and the present return to Capitalism has seen the deep impoverishment of the entire population Kagarlitsky shows how to understand these changes and how to characterise the complex process of reform revolution and counter revolution Looking in detail at the nature of Russian society and politics since 1990 Kagarlitsky offers an introductory political analysis of the major political and economic developments that have taken place under President Yeltsin and the legacy he bequeathed so unexpectedly to his successor Putin He focuses on the role of the media in post Soviet Russia corporate structures and their influence on social conflict the formation of the oligarchy and the role of the left in modern Russia Migration and Urbanization: Local Solutions for Global Economic Challenges Ushakov, Denis, 2019-08-16 International migration and urbanization as economic processes can provide great opportunities to solve local and regional economic and social problems and lead to the leveling of global economic unfairness and multi complexity However uncontrolled migration and urbanization can easily destroy market stability and create many new social and economic problems both in developed due to migration and developing due to urbanization countries Migration and Urbanization Local Solutions for Global Economic Challenges is a collection of innovative research that sets basic rules and patterns for state regulation of urbanization and international migration and for increasing the economic efficiency of developed and developing countries Additionally the book evaluates the economic impact of urbanization and international migration at the global national and regional levels While highlighting topics including economic security modern mechanisms and migration policy this book is ideally designed for government officials economists educators policymakers industry leaders business managers academicians researchers and students Real and Financial Economic Dynamics in Russia and Eastern Europe Timothy Lane, Nina Oding, Paul J.J. Welfens, 2012-12-06 Russia and many other transition countries are now facing the challenges of opening up restructuring and modernizing their economies which requires addressing numerous institutional weaknesses and supply side distortions From a regional perspective drawing on the experience of other reforming countries the papers examine these issues Aspects addressed include the implications of trade and capital flows the process of labor market reform financial market development productivity growth and innovation dynamics The dynamics of the reform process are also studied in the context of new political economy models Russia and the European Union Oksana Antonenko, Kathryn Pinnick, 2005-10-09 The focus of this book is the implications of EU enlargement in May 2004 for EU Russian relations How should the EU and Russia develop their priorities as neighbours What role could Russia's border regions play in shaping this policy The book looks at the array of political security economic and social concerns raised by the enlargement process It incorporates different perspectives from existing and new EU
