Doring,2024-06-30 This book offers the reader thrilling action packed snapshots of life as a Luftwaffe nightfighter pilot Suddenly flash bombs to my right I instantly dive low to avoid being a direct target We stay down close above ground before too long life returns in the area and we spot men milling around Richard and Pitt let them have it but good We re down to our last bit of ammunition Some Russians have frozen in fear others lift their arm others still lie flat on the ground Not a single one remembers to get up and fire On 21 June 1941 assigned to Luftwaffe bomber wing Kampfgeschwader 53 the 23 year old Arnold D ring took off to fly his first mission against the Soviet Union on the Eastern Front From that day he kept a diary describing his operations in vivid detail These diaries here translated into English for the first time give a unique perspective on the action on the Eastern Front from the point of view of a bomber pilot D ring s accounts not only give technical aspects but are also filled with suspense and excitement with their close descriptions of bombing raids and narrow escapes from enemy fighter planes This unembellished account gives an honest and meticulous record that moves rapidly from one area to another from one operation to the next With a detached professionalism D ring offers us thrilling action packed snapshots of
