since 1898 During a plebiscite to choose between statehood free association or independence leftist terrorists kidnap the First Lady of Puerto Rico to force Puerto Ricos governor to cancel the vote thus jeopardizing the national interests of the United States Powerful political interests brutally clash with common human instincts as Puerto Ricans decide their political future Elson Cruz is the current governor of Puerto Rico and the top leader of the pro statehood forces Rigobaldo Pastrana is the fugitive comandante of September Twenty third a separatist organization committed to stopping Cruz from bringing statehood to Puerto Rico In a campaign of terror September Twenty third attempts to assassinate Governor Cruz When the attempt fails they kidnap his wife First Lady Ana Mara Cruz and threaten to kill her if the governor doesnt cancel the plebiscite In the Puerto Rican Senate the terrorists have found a voice in Senator Orlando Tonos an outspoken advocate of independence who has called for a boycott of the plebiscite He has put himself at odds with the moderate leadership of the Independence Party which is eagerly supporting the historic vote Tonos calls Rigobaldo a patriot and refuses to condemn the kidnapping of Ana Mara Cruz William Montana the Assistant Director in Charge of the F B I in Puerto Rico has a crisis on his hands he must arrest Rigobaldo Pastrana and rescue the First Lady of Puerto Rico Its not an easy task An insider is cooperating with the terrorists he fears Who can he or she be A bomb explodes on a crowded street in Old San Juan September Twenty third has set a deadline They are running out of time Rigobaldo will kill the First Lady if his demands are not met Montana has to act In a bold attempt to pressure Rigobaldo to release the First Lady Montana orchestrates a kidnapping of his own Barbara Tonos the prominent wife of Senator Tonos Meanwhile Karen Perez an audacious TV reporter interviews Rigobaldo in his hideout sees the First Lady and airs the encounter on prime time TV The footage of the battered First Lady shaken scared blindfolded and tied to a chair like an animal in captivity shatters the country And so ensues a battle of wills and conflicting ends A quixotic race against time As Puerto Ricans prepare to vote on their future Governor Cruz wonders in terror if he will see his wife alive again

BOOK OVERVIEW Is it fair to say that almost every Puerto Rican living on the island of Puerto Rico or abroad has an opinion on the decades old political status controversy Puerto Ricans face several choices in this explosive debate statehood independence free association and commonwealth No matter which side you may take on the political status issue you are set to enjoy the novel *A Cause to Kill* For A novel in the thriller genre that explores the status issue as the backdrop for an exciting and entertaining read What would be the implications for Puerto Rico and the United States if huge oil deposits were found on the island How far would the U S go to secure Puerto Ricos oil deposits Would your views on the political status of the island change if you knew that Puerto Rico could be an oil producing state In *A Cause to Kill* For the United States knows there is oil

Globalizing Physics Roberto Lalli,Jaume Navarro,2024-07-09 This is an open access book available under the terms of a CC BY NC ND 4 0 International licence It is free to read on the Oxford Academic platform and offered as a free PDF download from OUP and selected open access locations Following the centenary of the International Union of Pure and Applied Physics this volume features contributions

from leading science historians from around the world on the changing roles of the institution in international affairs from its foundation in 1922 to the present The case studies presented in this volume show the multitude of functions that IUPAP had and how these were related to the changing international political contexts The book is divided into three parts The first discusses the interwar period demonstrating how the exclusion of communities of the Central Powers from international scientific institutions imposed by victorious allied countries made IUPAP ineffective until the end of World War II The second part analyzes the changing roles assumed by IUPAP starting from its complete renovation after World War II Case studies covering the role of IUPAP in physics education in metrology in joint commissions with other unions and in defining the complex relations between pure and applied physics provide examples of IUPAP's impact on the world of science Part III squarely addresses the science diplomacy aspects of IUPAP during the Cold War highlighting the importance of IUPAP in furthering diplomatic goals and explaining the origin of the pursuit of the free circulation of scientists as the activity that characterized the main function of international unions during the Cold War Highlighting how often scientific agendas and political imperatives were entangled in the activities of IUPAP the book analyzes the work of the Union as exercises of science diplomacy thus contributing to the current debate on the use of science and technology in international relations

In Deep: The FBI, the CIA, and the Truth about America's "Deep State" David Rohde, 2020-04-21 Revised and updated One of today's most respected journalists David Rohde takes on one of the country's most toxic conspiracy theories presenting a scrupulously reported and even handed account of how power and intelligence are exploited in Washington that goes deep indeed inside America's security state telling a story that will surprise readers of all political persuasions Jane Mayer author of *Dark Money* Donald Trump blamed his 2020 defeat on Democrats and the deep state a supposed secret cabal of Washington insiders that relentlessly encroaches on the individual rights of Americans for stealing the election and undermining his presidency Most Americans who supported him agreed Americans on the left increasingly fear the military industrial complex a faction of generals and defense contractors who they believe routinely push the country into endless wars But does the American deep state really exist This question is fundamental to preserving the legitimacy of American democracy as frustration with and distrust for the government continue to grow In *Deep* seeks to dispel these pernicious myths through an examination of the FBI CIA and Justice Department scandals of the past fifty years from the Church Committee's exposure of Cold War abuses to the claims and counterclaims of the Trump era and the relentless spread of conspiracy theories online and on air It exposes the misconduct of Attorney General William Barr how distrust of the deep state undermined the US government response to the COVID 19 pandemic and the growing discord sowed by the explosion of false information online It investigates Trump's quest to discredit government experts the legislative and judicial branches and the results of the 2020 election and assume authoritarian power for himself The idea of the deep state Rohde writes is inextricably linked to a particular view of presidential power Dina Temple Raston Washington Post Based on dozens of

interviews with career CIA operatives and FBI agents In Deep is a wholly satisfying read and a necessary one for anyone wanting to understand the forces at play in our government today Andrea Bernstein Peabody Award winning cohost of the Trump Inc podcast and author of American Oligarchs
