

Luisa Miller

William Berger

Luisa Miller:

American Aria Sherrill Milnes, 2007-01-01 What is it like to grow up on a small farm in Illinois only to find yourself some 20 years later performing on the stage of the Metropolitan Opera House And then to travel the world singing in historic theaters from La Scala in Milan to Vienna Paris London and beyond Former Met star Sherrill Milnes tells all in this completely updated first time in paperback edition of his very successful biography *The Smallest Grand Opera in the World* Anthony Amato, 2011-08-30 The Amato Opera Company has delighted music lovers throughout the years establishing an extraordinary artistic tradition in New York City Bill Clinton The Amato Opera theatre is a truly extraordinary New York cultural institution and it is a priceless addition to our great City's music industry Rudolph W Giuliani Author Anthony Tony Amato produced full staged grand opera in New York City for 61 years Now Tony tells his story from his earliest childhood in Minori Italy immigration to the U S his early career in restaurant kitchens and as a butcher and the courtship of his beloved wife Sally when they were both young working singers The book goes on to describe how Tony and Sally created The Smallest Grand Opera in the World gaining international critical acclaim in the process The Smallest Grand Opera in the World is a story of the extraordinary will and effort of two people in an uncommon marriage and partnership It is a joyous story in which Tony willingly shares the secrets of why The Amato Opera was a success It is a how to book for the aspiring theatre professional as well as an inspiration for all who have ever dreamed of being a part of the miraculous world of opera

Verdi With a Vengeance William Berger, 2010-06-23 Everything you could possibly know about Verdi and his operas from the brilliant and humorous author of Wagner Without Fear If you want to know why La traviata was actually a flop at its premiere in 1853 it's in here If you want to know why claiming to have heard Bjorling's Chicago performance of Il trovatore is the classic opera fan faux pas it's in here Even if you just want to know how to pronounce Aida or what the plot of Rigoletto is all about this is the place to look From the composer's intense hatred of priests to synopses of the operas and a detailed discography of the best recordings to buy it can all be found in Verdi with a Vengeance William Berger has given another improbable performance serving up a book as thorough as it is funny and as original as it is astute an utterly indispensable guide for novice and expert alike *Victorian Vocalists* Kurt Gänzl, 2017-09-29 Victorian Vocalists is a masterful and entertaining collection of 100 biographies of mid to late 19th century singers and stars Kurt Gänzl paints a vivid picture of the Victorian operatic and concert world revealing the backgrounds journeys successes failures and misdemeanours of these singers This volume is not only an outstanding reference work for anyone interested in vocalists of the era but also a compelling meticulously researched picture of life in the vast shark tank that was Victorian music [The Lure of Music](#) Olin Downes, 1918 **The Real Traviata** René Weis, 2015-09-24 The Real Traviata is the rags to riches story of a tragic young woman whose life inspired one of the most famous operas of all time Verdi's masterpiece La traviata as well as one of the most scandalous and successful French novels of the nineteenth century La Dame aux Camélias by Alexandre Dumas fils The

woman at the centre of the story Marie Duplessis escaped from her life as an abused teenage girl in provincial Normandy rising in an amazingly short space of time to the apex of fashionable life in nineteenth century Paris where she was considered the queen of the Parisian courtesans Her life was painfully short but by sheer willpower intelligence talent and stunning looks she attained such prominence in the French capital that ministers of the government and even members of the French royal family fell under her spell In the 1840s she commanded the kind of paparazzi attention that today we associate only with major royalty or the biggest Hollywood stars Aside from the younger Dumas her conquests included a host of writers and artists including the greatest pianist of the century Franz Liszt with whom she once hoped to elope When she died Thophile Gautier one of the most important Parisian writers of the day penned an obituary fit for a princess Indeed he boldly claimed that she had been a princess notwithstanding her peasant origin and her distinctly demi monde existence And although now largely forgotten in the years immediately after her death Marie's legend if anything grew in stature with her immortalization in Verdi's *La traviata* an opera in which the great Romantic composer tried to capture her essence in some of the most heart wrenching and lyrical music ever composed

Who's Who in Verdi Jonathan Lewsey, 2019-04-11 This title was first published in 2001 Concentrating exclusively on the dramatic content of Verdi's opera this text illuminates the characters and plot scenarios that inspired one of the greatest composers of opera Organized alphabetically the reference contains over 250 entries with synopses and first performance and cast details

The Athenaeum, 1858 *The Opera Lover's Companion* Charles Osborne, 2007-01-01 Written by a well known authority this book consists of 175 entries that set some of the most popular operas within the context of their composer's career outline the plot discuss the music and more

The Athenæum, 1874 *Verdi in Victorian London* Massimo Zicari, 2016-07-11 Now a byword for beauty Verdi's operas were far from universally acclaimed when they reached London in the second half of the nineteenth century Why did some critics react so harshly Who were they and what biases and prejudices animated them When did their antagonistic attitude change And why did opera managers continue to produce Verdi's operas in spite of their alleged worthlessness Massimo Zicari's *Verdi in Victorian London* reconstructs the reception of Verdi's operas in London from 1844 when a first critical account was published in the pages of *The Athenaeum* to 1901 when Verdi's death received extensive tribute in *The Musical Times* In the 1840s certain London journalists were positively hostile towards the most talked about representative of Italian opera only to change their tune in the years to come The supercilious critic of *The Athenaeum* Henry Fothergill Chorley declared that Verdi's melodies were worn hackneyed and meaningless his harmonies and progressions crude his orchestration noisy The scribes of *The Times* *The Musical World* *The Illustrated London News* and *The Musical Times* all contributed to the critical hubbub Yet by the 1850s Victorian critics however grudging could neither deny nor ignore the popularity of Verdi's operas Over the final three decades of the nineteenth century moreover London's musical milieu underwent changes of great magnitude shifting the manner in which Verdi was conceptualized and making room for the

powerful influence of Wagner Nostalgic commentators began to lament the sad state of the Land of Song referring to the now departed palmy days of Italian opera Zicari charts this entire cultural constellation Verdi in Victorian London is required reading for both academics and opera aficionados Music specialists will value a historical reconstruction that stems from a large body of first hand source material while Verdi lovers and Italian opera addicts will enjoy vivid analysis free from technical jargon For students scholars and plain readers alike this book is an illuminating addition to the study of music reception

Landscape and Gender in Italian Opera Emanuele Senici,2005-08-11 An unusual look at Italian opera in the nineteenth century

Giuseppe Verdi Gregory W. Harwood,2021-12-12 First Published in 1998 Giuseppe Verdi already stood out as a distinctive and unusually significant composer by the time his career was barely underway Today Verdi scholars build their work on a vast foundation of earlier research For researchers who have not spent years with the Verdi literature or who may just be starting to explore some aspect of this giant s life and works this foundation may seem daunting indeed It is primarily for these researchers that this guide is intended Its purpose is to index and describe some of the most significant studies about the composer presenting enough material in annotations that researchers may survey the many myriad directions Verdi research has gone ascertain the relevance of individual items to their individual interests and pursue significant patterns and threads in which they are interested

The New Grove Guide to Verdi and His Operas Roger Parker,2007-02-26 Based on articles in the New Grove dictionary of opera

The Complete Opera Book Gustave Kobbé,1919 *Opera Libretto, Vol. II-IV.* ,1858 **The Musical World** ,1852 *The National Union Catalog, Pre-1956 Imprints* Library of Congress,American Library Association. Committee on Resources of American Libraries. National Union Catalog Subcommittee,1979

The Faber Pocket Guide to Opera Rupert Christiansen,2014-04-29 This new edition of leading opera critic Rupert Christiansen s perennially popular Pocket Guide has been extensively revised and incorporates many more operas from all periods including recent works by Philip Glass Mark Anthony Turnage Thomas Ad s and George Benjamin Whether you are a first timer at La Boheme or a seasoned Wagnerian every opera goer can benefit from a little background information and this book aims to provide just that Accessible and easy to use it contains entries for over a hundred works both familiar and unfamiliar

Strong on Music Vera Brodsky Lawrence,1995-12-18 In this second volume of Strong on Music Vera Brodsky Lawrence carries into the 1850s her landmark account of the nineteenth century New York music scene Using music entries from George Templeton Strong s famous journals most published here for the first time as a point of departure Lawrence provides a vivid portrait of a vibrant musical culture Each chapter presents one year in the musical life of New York City with Lawrence s extensive commentary enriched both by excerpts from Strong s diaries and a lavish selection of little known music criticism and comment from the period The reviews written by an often truculent sometimes venal tribe of music journalists cover the entire world of music from opera to barrel organ salon to saloon In this New York operas performed by renowned artists are parodied by blackface minstrels performances of the

Philharmonic Society are drowned by the raucous chatter of flirtatious adolescents who turn concerts into a noisy singles hangout and irate critics trash the first performances of Verdi operas calling the plots indecent and the scores noisy and unmelodic In this volatile atmosphere a native musical culture is born its whose first faltering efforts are dubiously received and the first American composers begin to emerge

Luisa Miller Book Review: Unveiling the Magic of Language

In an electronic digital era where connections and knowledge reign supreme, the enchanting power of language has are more apparent than ever. Its power to stir emotions, provoke thought, and instigate transformation is truly remarkable. This extraordinary book, aptly titled "**Luisa Miller**," published by a very acclaimed author, immerses readers in a captivating exploration of the significance of language and its profound effect on our existence. Throughout this critique, we will delve to the book is central themes, evaluate its unique writing style, and assess its overall influence on its readership.
